- a. **PORTAL REGISTRATION:** The Bidder intending to participate in the bid is required to register himself/herself in the Portal <https://tendersodisha.gov.in>.

The Bidder can Log into the Portal, Download the Bid Documents & seek any clarification regarding the Bid from the Tender Inviting Officer during office hours within **07.07.2026 to 21.07.2026**. The Bidder shall go through the Bid carefully & list Documents those are asked for submission & Quote Rates. The Bidder may visit the work site before finalizing his/her rates.

The e-procurement system is compliant to relevant provisions of OGFR/ OPWD Code/ Accounts Code/ Government Statutes including any amendments brought from time to time to suit to the requirements of the best national practice.

4. **PAYMENT OF EMD/BID SECURITY AND COST OF BID DOCUMENTS:**

The Bidder shall transfer online the Bid Security/ Earnest Money Deposit (EMD) i.e. @1% of estimated cost amounting to **Rs.10,555.00 (Rupees Ten Thousand Five Hundred and Fifty Five) only**

5. **SUBMISSION OF BID:**

- a. The bidder shall carefully go through the tender and prepare the required documents. The Bid shall have a "Technical Bid" & Bill of Quantity (BOQ). The Technical Bid consists of tender documents as mentioned in Section-2 of the Bid document. The Bill of Quantities (BOQ) contains price related information. Any alternation or deletion or manipulation in BOQ shall lead to cancellation of Bid. Multiple BOQ submission for the same work shall lead to cancellation of bid.

- b. Bids cannot be submitted after due date and time. The bids once submitted cannot be viewed, retrieved or corrected after the date line. The Bidder should ensure correctness of the bid prior to uploading. The Bidder should ensure clarity/legibility of the document up-loaded by him/her to the portal. The Tender Inviting Officer is not responsible for any failure, malfunction, or breakdown of the system used during the e-procurement process.
 - c. Seeking any revision of rates or backing out of the bid claiming for not having referred to any or all documents provided in the Bid by the Officer Inviting the Bid will be construed as plea to disrupt the bidding process and in such cases the Bid shall be cancelled.
 - d. **SIGNING OF BID:** The online bidder shall digitally sign on all statements, documents certificates, uploaded by him, owning responsibility for their correctness / authenticity as per IT ACT 2000. If any of the information furnished by the bidder is found to be false / fabricated/ bogus his EMD/ Bid security shall stand forfeited and the bidder is liable to be blacklisted.
6. **SECURITY OF BID SUBMISSION:**
- a. All bid uploaded by the Bidder to the portal will be encrypted.
 - b. The encrypted Bid can only be decrypted/ opened by the authorized openers on or after the due date and time.
7. **RESUBMISSION AND WITHDRAWAL OF BIDS:**
- a. Re-submission of bid by the bidder for any number of times before the final date and time of submission is allowed.
 - b. Resubmission of bid shall require uploading of all documents including price bid afresh.
 - c. If the bidder fails to submit his modified bids within the pre-defined time of receipt, the system shall consider only the last bid submitted.
 - d. The Bidder can withdraw his/her bid before the closure date and time of receipt of the bid by uploading scanned copy of a letter addressing to the Procurement Officer, Publisher (Officer Inviting tender) citing reasons for withdrawal. The system shall not allow any withdrawal after expiry of the closure time of the bid.
8. **OPENING OF THE BID:**
- a. Bid opening date and time is specified during tender creation or can be extended through corrigendum. Bids cannot be opened before the specified date & time.
 - b. The bid opener has to log on to the portal to decrypt the bid submitted by the bidders.
 - c. The bidders & other users can view the summary of opening of bids from any system. If the bidders desire so they can be present during the bid opening at the opening location.
 - d. In the event of the specified date of bid opening being declare a holiday for the Officer inviting the Bid, the bids will be opened at the appointed time on the next working day.
 - e. In case bids are invited for more than one package the order for opening of the "Bid" shall be that in which they appear in the "Invitation for Bid".
 - f. Combined bid security for more than one work is not acceptable.
9. **EVALUATION OF BIDS:**
- a. All the opened bids shall be down loaded and printed for taking up evaluation. The Procurement Officer-Openers shall sign on each page of the documents downloaded and furnish a certificate that the documents as available in the portal for the tender have been down loaded.

- b. The Procurement Officer-Evaluators shall take up evaluation of bids with respect to the qualification information and other information furnished subject to confirmation of the **Earnest Money Deposit (EMD)**
 - c. After receipt of confirmation of the **Earnest Money Deposit (EMD)**, the bidder may be asked in writing to clarify on the documents provided in the Bid, if necessary, with respect to any doubts or illegible documents. The Officer inviting tender may ask for any other document of historical nature during Technical Evaluation of the tender. Provided in all such cases, furnishing of any document in no way alters the Bidder's price bid, non-submission of legible documents may render the bid non-responsive.
 - d. The bidders will respond in not more than 7days of issue of the clarification letter, failing which the bid of the bidder will be evaluated on its own merit.
 - e. The evaluation of Bids does not exonerate bidders from checking their original documents at later date. If the bidder is found to have misled the Officer Inviting Tender providing wrong information/documents action as per relevant clause of DTCN / IFB shall be taken against the bidder.
10. **NEGOTIATION OF BIDS:**
- a. For examination, evaluation and comparison of bids, the Officer Inviting Tender may, at his discretion, ask the lowest bidder for clarification of his Quoted Rates including reduction of rate on negotiation.
11. Decided As per Office Memorandum No-173/W dt.03.01.2026 of Works Department, Govt. of Odisha.
12. **NOTIFICATION OF AWARD AND SIGNING OF AGREEMENT**
- a. The Engineer-in-Charge shall notify award of the work by e-mail confirmed by registered letter. The Letter of Acceptance will state the sum that the Engineer-in-Charge will pay the successful bidder as prescribed' by the contract & required Additional Performance Security required to be furnished. The issue of the letter of acceptance shall be treated as Closure of the Bid Process and Commencement of the Contract.
 - b. The bidder whose tender is selected for acceptance will be intimated within seven days from the finalization of tender. The Security Deposit as Initial Security Money Initial Security Deposit (@1% of estimated cost) subjected to deduction of @3% of Security from the total bill amount of lowest bidder awarded him/ her to the work and the amount withheld, according to the provision of P1 Agreement shall be retained as Security for the due fulfillment of this contract. The written agreement to be entered shall be the foundation of the rights of both the Successful Bidder and the Govt. and the contract shall be deemed to be incomplete until the agreement has first been signed by the Successful Bidder and then by the proper officer authorized to enter into the contract on behalf of the Govt.
 - c. After fulfillment of all necessary requirements the Successful Bidder shall be issued with a "Letter of Proceed" or "Work Order" by the Engineer-In-Charge with copy thereof to the Procurement Officer/Publisher/Officer Inviting Tender. The Procurement Officer/Publisher shall up load the summary and declare the process as complete.
 - d. The Security Deposit will be refunded after One year from the actual date of completion of the work in all respect provided the final bill is paid and will not carry any interest. Any defect noticed during the period of one year after the actual date of completion shall be rectified by the Successful Bidder at his own cost. Failure to comply such rectification the cost involved to carry out the defective work shall be

met from his dues available with Department. (Ref. Works Department Order No.17823/WE dt.11.10.2006).

13. No Bidder will be permitted to furnish their tender in their own manuscript.
14. All taxes, fees, royalties payable under the local rule including Income taxes & Surcharges as applicable, Labour Cess etc. will be borne by the Successful Bidder as admissible. It is implied that the quoted rates are inclusive of such elements. However, GST will be paid extra @18% on total quoted value.
15. **BID VALIDITY:** All tenders received will remain valid for 90 days from the last date of receipt of tenders and validity of tenders can also be extended if required without any monetary compensation.
16. Successful bidder desirous to hire machineries or equipment from outside the State are required to furnish 2% (Two percent) of the amount put to tender as bid security before signing the agreement.
17. The bidder shall have to furnish certificate along with the tender to the effect that he is not related to any officer in the rank of an Assistant Engineer and above or Under Secretary and above in the Water Resources Department, Govt. of Odisha. **(FORM H)**
18. The Department reserves the right of authority to reject any or all tenders received without assigning any reason whatsoever.
19. The bid may not (at the discretion of the competent authority) be considered unless accompanied by attested true copies of Registration of Firms/ S.S.I. unit, PAN Card and the original certificates are to be produced if required in any subsequent date during processing of tender. Attested true copy of work done certificate is to be furnished along with the tender obtaining from the Executive Engineer concerned.
20. Failure to submit 'Bid Security Declaration' by the tenderer in any of the following cases.
 - a) If the bidder withdraws the bid after bid opening during the period of bid Validity.
 - b) If the bidder does not accept the correction of the bid price.
 - c) If the successful bidder fails within the specified time limit to
 - (i) Sign the agreement or
 - (ii) Furnish the required performance security.
 - d) If any of the statements, documents, certificate uploaded by the bidder through e-procurement portal, is found to be false / fabricated / bogus; The bidder will be suspended for the period of time fixed by the authority from being eligible to submit bids for the contracts.
21. Bidder, whose tender is accepted, must submit "Programme of Work" at the time of execution of agreement in prescribed format for approval of Engineer-in-charge.
22. The Successful Bidder shall sign as a token of final acceptance of the plans, sections and agreements for the work prior to take up the work for execution.
23. The date of commencement of work shall be as notified in work order.
24. On signing the agreement, the site will be handed over to the Successful Bidder for execution and completion of works in all respect.
25. On no account, the contract work should be sublet to anybody. In such an event the contract may be rescinded.
26. The authority reserves the right to make such increase or decrease in quantity of items of works mentioned in the scheduled attached to the tender notice as may be considered necessary for the satisfactory completion of the contract work. All such increase or decrease shall in no way invalidate the contract rates. The Successful

Bidder shall not be entitled for any compensation on this account, except grant of extension of time were considered necessary.

27. For the purpose of jurisdiction, in the event of any dispute (after the contract is deemed to have entered into by both parties) it shall be within the State of Odisha.
28. Under section 12 of contract labour (Regulation and Abolition Act 1970) the Successful Bidder who undertakes execution of work through labour, should produce valid labour license from licensing authority of labour Department.
29. Compensation in any form to any workmen shall be borne by the Successful Bidder as per the Workmen's Compensation Act. The Successful Bidder shall be fully liable to indemnify the department for payment of any compensation under Workmen's Compensation Act VIII of 1923 on account of the workmen being employed by him/her and the full amount of compensation paid shall be recovered from the Successful Bidder. In the event of any claim before any court of law, the claim amount shall be kept withheld till final disposal.
30. The Successful Bidder shall abide by the fair wages clauses as introduced by Govt. of Odisha and will not pay less than the fair wages fixed by Govt. to the laborers engaged by him for the work.
31. In case of any complaint by the labourers about the non-payment of wages as per latest Minimum Wages Act, the Superintending Engineer shall have the right to investigate and if the Successful Bidder is found to be in default, the Superintending Engineer may recover such amount due from the Successful Bidder and pay such amount to the labourers directly under intimation to the local Labour office of the Govt. The decision of the Superintending Engineer is final and binding on the Successful Bidder.
32. The Successful Bidder will have to submit to the **Superintending Engineer, Mechanical Division, Rengali** monthly return of labour both skilled and unskilled employed by him on the work.
33. The Successful Bidder Should Keep himself in touch with the Engineer-In-charge for smooth execution of the work and arrange adequate labour depending on the workload and working space available. No claim for detention for labour on any account will be entertained.
34. No compensation will be paid by the Department for any damage done by rain, flood and cyclone & earthquake tide or by any other natural calamities during the execution of the work. The Successful Bidder shall make his own arrangement to shift men and machineries at his own cost before, during and after natural calamities.
35. It should be understood clearly that no claim whatsoever will be entertained in regard to extra items of work or extra quantity of any item besides estimated amount, unless written order is obtained from the Engineer-in-charge and rates settled before the extra items of work or extra quantity of any item of work is taken up.
36. The Successful Bidder shall have to abide by the C.P.W.D. safety code rules introduced by the Govt. of India, Ministry of Works, Housing and Supply in their standing Order No.44150 dated 25.1.1957.
37. The Successful Bidder shall bear various incidentals, sundries and contingencies necessitated by the work in full within the following or similar category.
 - a. Rent, royalties and other charges of materials, entry tax & all other taxes including labour cess, ferry tolls, conveyance charges and other cost on account of land and

- buildings including temporary building and temporary electric connection to work site as well as construction of coffer dam, construction of service road, diversion road and its maintenance till completion of work required by the Successful Bidder for collection of materials, storage, housing of staff other purpose of the work. No Successful Bidder will however be liable to pay for temporary occupation of land owned by Govt. at the site of the work.
- b. Labour camps or hutments including conservancy and sanitation arrangements up to the satisfaction of the local health authorities should be arranged by the Successful Bidder.
 - c. Suitable water supply including pipe water supply wherever available for the staff and labour as well as for the work.
 - d. Fees and duties levied by the municipal canal or water supply authorities.
 - e. Suitable equipment and wearing apparatus for the labour engaged in risky operations and medical aid to the laborer engaged for the work.
 - f. Suitable fencing, barriers, signals including paraffin and electric signals where necessary at work and approaches in order to protect public and employees from accident.
 - g. Compensation including cost of any suit for injury to persons or property due to neglect of any major precautions also becomes payable due to operation of the Workmen Compensation Act.
 - h. The Successful Bidder has to arrange adequate lighting arrangement for the work wherever necessary at his own cost.
38. In case of delay in acquisition of land handing over possession of work site no compensation will be admissible but extension of time will be allowed if applied in prescribed format within due time to keep the contract in force.
39. The department will have the right to supply at any time in the interest of the work and departmental material to be used in the work and the Successful Bidder shall use such materials at the stock issue rate fixed by the Department by adding +10 percentages in a particular item of work or market rate whichever is higher.
40. If the Successful Bidder removes any Govt. material or Stores supplied to him from the site of the work in contravention of the provision of this clause with a view to dispose of the same dishonestly, he/she shall be in addition to any other liability civil or criminal arising out of this contract be liable to pay penalty equivalent to (5) five times of the price of the materials cost. The penalty so imposed shall be recoverable at any time from the sum that may be due then or at any time thereafter become due to the Successful Bidder or from his security deposit or from his other available dues with the Department.
41. Over and above these conditions including the Technical Specifications the terms, conditions, rules and regulations and specifications laid down in I.S.I. code is also binding on the part of the Successful Bidder.
42. The rates quoted by the Successful Bidder shall be deemed on all the materials that he will have to purchase for performance of this contract.
- a. Deduction of Labour Cess will be made from each running account bill for the work @1% (one percent).
 - b. Deduction of security deposit will be made @3.0%/ 5.0% from each bill.
 - c. Deduction of income tax at source will be made from each running account bill for the work at the rate as per Income Tax Act and as amended from time to time. (Present rate 2.0%).

43. The amount on royalties of different materials as utilized by the Successful Bidder in the work will be recovered from his bill, basing on the rate fixed by the Govt. or as amended from time to time during the period of execution.
44. Schedule of quantity accompanies the tender notice: It shall be definitely understood that the Government do not accept any responsibility for the correctness and completeness of this schedule and this schedule is liable for alternations or omissions, deductions or additions as set forth in the condition of contract and such omissions, deductions, additions or alternations shall in no way invalidate/ vitiate the contract and no extra monetary compensation will be entertained. Before procurement of Construction materials, their Samples are to be deposited by the Successful Bidder to the concerned Sub-Divisional Officer for testing & acceptance noting the name of the quarry under his dated initial. The testing & transportation charges will be borne by the agency.
45. Items of works not covered by the tender notice shall be paid at the current schedule of rates of the State and those not covered by the said schedule of rate will be paid on actual analysis approved by the competent authorities prevailing during the period of execution of work.
46. All preliminary works such as vats, mixing platforms etc are to be done by the Successful Bidder at their own cost. No payment will be made for benchmarks, level pillars, profiles, benching and leveling the ground where required.
47. After the work is finished all surplus materials shall be handed over by the Successful Bidder to the concerned Sub-Divisional Officer or to his authorized Assistant Engineer (Civil) / Junior Engineer (Civil) and debris should be removed from 100m clear away from the site of the work. Preliminary work such as vats, mixing platforms etc should be dismantled and all materials removed from the site and premises shall be made neat and clean and this is inclusive of the rates quoted by him.
48. The Successful Bidder to supply necessary labour and materials for the purpose of alignment laying and recording of levels whenever required at his own cost.
49. The Successful Bidder should arrange necessary tools and plants such as Pumps, concrete breakers, Trucks, compressors, crane steel shutter plates etc. required for the efficient execution work at his own cost. The running charges of such plant and cost of consumables and conveyance are to be borne by the Successful Bidder. Any deviation from this may lead recession of contract. In the event of delay in supply of design, reasonable extension of time shall be granted on the application of the Successful Bidder. But no claim for monetary compensation will be entertained under any circumstances.
50. Under no circumstances, interest is chargeable for the dues or any additional dues, if any payable for the work.
51. The debris, sand and other materials, accumulated in the work area during flood shall be removed by the Successful Bidder as required for continuing the work at his own cost. By any chance, if any excavated portion that could not be filled up with concrete by the Successful Bidder, gets filled up during the monsoon period with earth such removal will not be paid again. The Successful Bidder will have to re-excavate the same at his own cost.
52. It shall be distinctly understood that it is entirely the responsibility of the Successful Bidder to make such arrangements may be required from time to time to protect the men, machinery, materials and the work under progress and work for which the measurements were recorded and payment made, against any damages either during working season or during the flood. The department accepts no liability, what

- so ever for any damage or loss of men, materials, machinery and type of hindrance caused to the progress of work.
53. The Successful Bidder should provide at his own cost adequate protection measures to the completed works at the end of working season or work in progress against such eventuality till completion and handing over the entire work to the Department.
 54. Dewatering from the foundation of structures when and where necessary during execution will have to be done by the Successful Bidder and no extra payment will be made on that account. The term dewatering shall mean the execution or operation of the items due to standing water as well as due to percolation water.
 55. The quoted percentage for the work will deem to include all incidental items which may be necessary such as bailing out of water from foundation, construction of bench marks, level pillars, profiles, benching & leveling of ground etc. where required. The incidental items mentioned here in any only indicative & not exhaustive. No extra payment or claim will be admissible on these grounds.
 56. No claim for idle labour etc. on any account will be entertained by the Department.
 57. The language of all bidding documents and bidding process shall be in English for all purposes. The tender submitted in any other language except English shall not be accepted.
 58. The Successful Bidders are required to go through each clause of PWD Form P1 carefully in addition to the clauses here in before & herein after provided as these are deemed to be the part of the contract.
 59. The clause of printed form of P1 Contract with latest addition/ Deletion / corrections /substitution etc. will also be binding.
 60. In case of discrepancy revealed between P1 Form and Detailed Tender Call Notice (DTCN), condition in P1 form shall prevail over the Detailed Tender Call Notice (DTCN).

Failure to produce the original documents within the scheduled time will result in non-consideration of the tender. The work performance certificate should be furnished in the prescribed format in FORM J.

FORM I

N.B. => In case of non-disclosure/ hiding of information on any existing commitments and ongoing works to mislead the Tender Inviting Authority, if detected later, then tender will be liable for rejection.

- i. The bidder has to furnish **Affidavit** along with the Bid in support of authenticity of the tender documents as per FORM D.
- ii. The bidder must furnish an **Affidavit** that information on all the existing commitments and ongoing works has been furnished by him in the prescribed proforma (FORM I) of the bid document.
- iii. Bidders are NOT entitled for exemption from payment of Security Deposit/ APS/Tender Paper Cost. Exemption criteria issued by any authority will not be accepted as per DOWR Letter No 14318 dated 24.05.2018 and Bidders have to furnish Bid Security Declaration in lieu of EMD as per Finance Department O.M. No.8943 dt.18.03.2021
- 5. Final Decision-making authority**
The competent authority reserves the right to accept or reject or disqualify any of the tender of pre-qualification without assigning any reasons and its decision shall be final.
- 6. ISSUE OF ADDENDA / CORRIGENDA/ CANCELLATION NOTICE:**
The Officer inviting the tender may publish any addendum / corrigendum/ cancellation of tender in the notice board and in the web-sites www.tendersodisha.gov.in and such notice shall form part of the bidding documents.

General Rules & Directions

Schedule XLV- Form No.61

SECTION-3

ODISHA PUBLIC WORKS DEPARTMENT

(FORM P-1)

PERCENTAGE RATE TENDER AND CONTRACT FOR WORKS

GENERAL RULES & DIRECTIONS FOR THE GUIDANCE OF SSI UNITS REGISTERED UNDER DIC/NSIC/ MSME

1. The work proposed for execution by contract will be notified in a form of e-procurement notice through the Government web site <http://tendersodisha.gov.in>.
This notice will state the work to be carried out, the items and approximate quantities thereof as well as the date for submitting and opening tenders also the amount of earnest money to be deposited and the amount of the security deposit by the Successful Bidder and the percentage if any to be deducted from bills. Copies of the specifications, designs and drawings if any and any other documents required in connection with the submission of tender signed for the purpose of identification by the Sub-Divisional Officer/ Superintending Engineer shall also be open for inspection by the bidders at the office of the Sub-Divisional Officer/ Superintending Engineer during office hours.
2. In the event of the tender being submitted by a firm it must be signed separately by each member thereof, or in the event of the absence of any partner, it must be signed on his behalf by a person holding a power of attorney authorizing him to do so.
3. Receipts for payment made on accounts of works, when executed by a firm must also be signed by the several partners, except where the Successful Bidder are described in their tender as a firm in which case the receipts must be signed in the name of the firm by one of the partners, or by some other person having authority to give effectual receipts for the firm.
4. The memorandum of work tendered for and the memorandum of materials to be supplied by the Public Works Departments and their issue rates shall be filled in and completed in the office of the Sub-Divisional Officer/ Superintending Engineer before the tender form is issued if a form is issued to an intending tender without having been so filled in and completed, he shall request the office to have this done before he completes and delivers his tender.
5. Any person who submits a tender shall fill up the usual printed form stating at what rate he is willing to undertake the work. Incomplete tender and tender rate he is willing to undertake the work specified in the said form of invitation to tender or which contains any other conditions of any sort, or omit to note the time within which the work can be finished or which are not accompanied by the required earnest money will be liable to rejection. No single tender shall include more than one work. But bidders who wish to tender for two or more works shall submit a separate tender for each work. Tender shall bear the name of the work to which they refer should be written outside the envelope.
6. The Additional Chief Engineer or his duly authorized assistant will open the tenders in the presence of any intending bidders who may be present at the time and will enter the amounts of the several tenders in a comparative statement in a suitable form

7. The Additional Chief Engineer shall have the right of rejecting all or any of the tenders.
8. In the event of a tender being selected for acceptance the Superintending Engineer who opened the tenders will, if he is competent to accept the tender, inform the Tenderer of the selected tender who shall there upon sign copies of the specification and other documents with the tender. The Tenderer of the selected tender shall also deposit the required amount of the security money within the prescribed time. If the Successful Bidder fails to deposit the required amount of the security money within the prescribed time, the Engineer-in-charge may reject the tender.

If the Engineer is not competent to accept the tender himself, he will inform the Tenderer of the tender which he decides to recommend for acceptance, such Tenderer shall thereupon sign forthwith copies of the specification and other documents mentioned in rules 1 and 4 and shall deposit the required amount of the security money within the prescribed time. The tender with the specification and other documents signed by the Tenderer will then be forwarded for acceptance to the Engineer who is competent to accept the same. If the said Engineer rejects the tender the security money deposited shall be refunded to the Successful Bidder.
9. When a tender is selected for acceptance, the Tenderer shall deposit the required amount of the security money. No tender shall be finally accepted until the required amount of the security money has been deposited.
10. The amount of security money to be deposited by the tenderer whose tender is selected for acceptance shall be 1% of the accepted value of the work. This amount shall be deposited by the Tenderer within such time as may be notified to him by the officer opening the tender, failing which tender shall be liable for rejection. Performance Security Deposit, after completion of contract with the Successful Bidder, may be made up by deduction from the bills (each payment to be made to him) as prescribed in the memorandum under the contract. Any balance of the security money outstanding after completion of the contract with the Successful Bidder may be made up by deduction of 3%/5% of the amount of (each payment to be made to him) under clause of the condition of contract for work done under the contract. Taxes as per provisions of Government shall be deducted from the bills of Successful Bidder.
11. When tender has been selected for acceptance and the required amount of the security money has been deposited, the Engineer shall scrutinize all pages of the form of percentage rate tender and contract for works to see that the form has been properly filled up and signed by the Tenderer and the signature witnessed. He shall then, if he is competent to accept the tender, sign the acceptance of the tenders or if he is not so competent to, shall send the form for signature of the acceptance to the officer competent to accept it.
12. All Tenderers are required to submit a list of works, which are in hand at the time of submitting their tenders. The list of works is required to be submitted in the proforma by the Superintending Engineer under whom he has executed the work in order to judge their past performance (Vide Works Department Circular No. 15443 dt.01.08.2005)
13. T.D. S (Tax Deducted at Source) towards GST will be deducted at the prescribed rate in the GST Act 2017 & as amended from time to time.

3. Similar Works means:

(a) *Repairing of Hydro Mechanical gates:*

The Bidder should have executed repair of similar type of Hydro Mechanical Gates

- (b) *Manufacturing/Fabrication & Erection of Hydro Mechanical Gates:*
The Bidder should have executed Manufacturing/ Fabrication & Erection of Similar type of Hydro Mechanical Gates
- (c) *Manufacturing /Fabrication & Erection of 2nd Stage Embedded parts of Hydro Mechanical Gates:*
The Bidder should have executed both Manufacturing/ Fabrication & Erection of 2nd Stage Embedded parts of similar type of Hydro Mechanical Gates
- (d) *Manufacturing/ fabrication & Erection of Hoisting Equipment, Stop Logs & Gantry Crane etc:*
The Bidder should have executed both manufacturing/ Fabrication & Erection of Hoisting Equipment, Stop Logs & Gantry Cranes etc. of Similar type
- (e) *Execution of Sand Blasting, Painting, Greasing & Application of Cadmium Compound:*
The Bidder should have executed Sand Blasting, Painting, and Greasing & Application of Cadmium Compound for Hydro Mechanical Gates.
- d. The bidders must have executed the similar nature of 'New installation of HR/CR/SS Gate work of Hydro-Mechanical gates as details mentioned in BOQ of this work for consideration of evaluation**
- e. Affidavit.**
The bidder has to furnish as Affidavit (FORM I) from Notary/ Judicial Magistrate mentioning details of ongoing mechanical works executed by the agency at the time of submitting Bid. The affidavit should contain name of the organization where the bidder is executing the ongoing works, agreement number and date, value of the agreement, date of commencement and date of completion, value of work completed so far against the ongoing contract. The work order issued (if any) in favour of the firm will be cancelled, if at any stage of execution of the work, it is found that the bidder has submitted false information in the affidavit.
- f. Combined Bid Evaluation:**
To qualify this Contract & other Multiple Contracts for which Bids are invited in this E-procurement Notice (Bid Identification No.**ACEMC/MDRGL-04/2026-27**), the Bidder must demonstrate his/her Experience & how he/she shall meet the Resources sufficient to meet the *aggregate of the Qualifying Criteria* for the individual Contracts for value above **Rs.5.00 lakh**.

SECTION- 5
CONDITION OF CONTRACT

Clause 1-

Compensation
for delay

All compensation or other sum of money payable by the Successful Bidder to Government under the terms of his contract may be deducted from, or paid by the sale of a sufficient part of his security deposit or from the interest arising there from, or from any sums which may be due or may become due to the Successful Bidder by Government on any account what so ever and in the event of his security deposit being reduced by reason of any such deduction or sale as aforesaid, the Successful Bidder shall within ten days thereafter make good in cash or Government securities endorsed as aforesaid any sum or sums which may have been deducted from or raised by, sale of the security deposit or any part thereof.

Clause 2 (a)

The work should not be considered finished until such date as the S.E. shall certify as the date on which the work is finished after necessary rectification of defects as pointed out by S.E. or his authorized agents are fully complied with by the Successful Bidder to the S.Es satisfaction.

The time allowed for carrying out the work as entered in the tender shall be strictly observed by the Successful Bidder and shall be reckoned from the date on which the written order to commence work is given to the Successful Bidder. The work shall throughout the stipulated period of the contract be carried on with all due diligence (time being deemed to be of the essence of the contract on the part of the Successful Bidder and the Successful Bidder shall pay as compensation an amount equal to ½ % on the amount of the estimated cost if the whole work as shown by the tender for every day that the work remains un-commenced, or unfinished after the proper dates (The work should not be considered finished until such date as the Superintending Engineer shall certify as the date on which the work is finished after necessary rectification of defects as pointed out by the Superintending Engineer, or his authorized, agents are fully complied with by the Successful Bidder to the Superintending Engineer's satisfaction). And further to ensure good progress during execution of the work the Successful Bidder shall be bound, in all cases in which the time allowed for any work exceeds one month, to complete one fourth of the whole work before one fourth of the whole time allowed under contract has elapsed one half of the work, before one half of such time has elapsed and three-fourth of the work before three-fourth of such time has elapsed. In the events of the Successful Bidder failing to comply with the condition, he shall be liable to pay as compensation an amount equal to one third percent on the said estimated cost of the whole work for every day that the due quantity of work remains incomplete, provided always that the entire amount of compensation to be paid under the provision of this clause shall not exceed 10% on estimated cost of the work as shown in the tender.

(b)

Action when
whole
security deposit
is
forfeited

If there are possibilities of exceeding this compensation amount as mentioned in clause (a) 10% of the estimated cost or in any case in which under any clause or clauses of this contract the Successful Bidder shall have tendered himself liable to pay compensation amounting to the whole of his security deposit in the hands of Govt. (whether paid in one sum or deducted by installments) the Superintending Engineer on behalf of the Governor of Odisha, shall have power to adopt any of the following courses as he may deem best suited to the interest of Government.

Tenderer

20

Additional Chief Engineer (M)

- (i) To rescind the contract (of which rescission notice in writing to the Successful Bidder under the hand of the Superintending Engineer shall be conclusive evidence) 20% of the value of left over work will be realized from the Successful Bidder as penalty.
- (ii) To employ labour paid by the Public works Department and to supply materials to carry out the work, or any part of the work, debiting the Successful Bidder with the cost of the labour and the price of the materials (of the amount of which cost and price certificate of the Superintending Engineer shall be final and conclusive against the Successful Bidder and crediting him with the value of work done, in all respects in the same manner and at the same rates as if it had been carried out by the Successful Bidder under the terms of his contract, the certificate of the Superintending Engineer as to the value of the work done shall be final and conclusive against the Successful Bidder.
- (iii) To measure up the work of the Successful Bidder, and to take such part of the work of the contract as shall be unexecuted out of his hands and to give it to another SSI Units registered under DIC/ NSIC/ MSME to complete, in which case any expenses which may be incurred in excess of the sum which would have been paid to the Successful Bidder if the whole work had been executed by him (of the amount of which excess the certificate in writing of the Superintending Engineer shall be final and conclusive) shall be borne and paid by the Successful Bidder may be deducted from any money due to him by Govt. under the contract or otherwise or from his security deposit or the proceeds of sale thereof or a sufficient part thereof. In the event of any of the above courses being adopted by the Superintending Engineer the Successful Bidder shall have no claim to compensation for any loss sustained by him by reason of his having purchased or procured any materials, or entered into any engagements or made any advances on account of or with a view to, the execution of the work or the performance of the contract. And in case the contract shall be rescinded under the provision aforesaid, the Successful Bidder shall not be entitled to recover or be paid any sum for any work thereto for actually performed under this contract, unless and until the Superintending Engineer shall have certified in writing the performance of such work and the value payable in-respect thereof and he shall only be entitled to be paid the value so certified.

In the event of dispute, the decision of the Superintending Engineer of the circle will be final.

No compensation for alteration in or restriction of work to be carried out.

Clause-11 If at any time after the commencement of the work the Government of Odisha shall for any reason whatsoever not require the whole thereof as specified in the tender to be carried out the Engineer-in-charge shall give notice in writing of the fact to Successful Bidder who shall have no claim to any payment or compensation whatsoever on account of any profit or advantage, which he might have derived from the execution of the work in full but which he did not derive in consequence of the full amount of the work not having been carried out, neither shall he have any claim for compensation by reason of any alternations having been made in the original specification, drawing, designs, if any and instruction which shall involve any curtailment of the work as originally contemplated.

Clause-12

Action and compensations payable in case of bad work.

If it shall appear to the Engineer-in-charge or his subordinate in charge of the work that any work has been executed with unsound, imperfect or unskillful workmanship or with materials of any inferior description, or that any materials or articles provided by him for execution of the work are unsound or of a quality inferior to that contracted for or otherwise not in accordance with the contract, the Successful Bidder shall on demand in writing from the Engineer-in charge specifying the work materials or articles complained of notwithstanding that the same may have been inadvertently passed, certified and paid for forth with rectify or remove and reconstruct the work so specified in whole or part, as the case may require or as the case may be remove the materials or articles so specified and provided other proper and suitable materials or articles at his own proper charge and cost and in the event of his failing to do so within a period to be specified by the Engineer-in-charge in his demand aforesaid then the Successful Bidder shall be liable to pay compensation at the rate of one percent on the amount of the estimate for every day not exceeding ten days while his failure to do so shall continue and in the case of any such failure the Engineer-in-charge may rectify or remove and re-execute the work or remove and replace with other materials

or articles complained of as the case may be at the risk and the expense in all respects of the Successful Bidder.

Clause-13

Works to be open to inspection

Successful Bidder or responsible agents to be present

All work under or in course of execution or executed in pursuance of the contract shall at all times be open to the inspections and supervision of the Engineer-in-charge and his subordinates and the Successful Bidder shall at all times during the usual working hours, and at all other times at which reasonable notice of intention of Engineer-in charge or his subordinates to visit the works shall have been given to

The Successful Bidder either himself be present to receive orders and instructions, or have a responsible agent duly accredited in writing present for that purpose, Orders given to the Successful Bidder's agent shall be considered to have the same force as if they had been given to the Successful Bidder himself.

Clause-14

Notice to be given before work is covered up

Successful Bidder liable for Damage done and for imperfections for 6months after certificate.

The Successful Bidder shall give not less than five days' notice in writing to the Engineer-in-charge or his subordinate in-charge of the work before covering up or otherwise placing beyond the reach of measurement of any work in order that the same may be measured and correct dimensions thereof be taken before the same is so covered up or placed beyond the reach of measurement and shall not cover up or placed beyond the reach of measurement any work without the consent in writing of the Engineer-in-charge or his subordinate in charge of work and if any work shall be cover up or placed beyond the reach of measurement without such notice having been given or consent obtained, the same shall be uncovered at the Successful Bidder's expense, or in default thereof no payments or allowance shall be made for such work or the materials with which the same was executed.

Clause-15

If the Successful Bidder or his work people or servants shall break, deface, injure or destroy any part of a work, in which they may be working or any building, road, enclosure or grass land, or cultivated ground continuous to the premises on which work or any part of it being executed, or if any damage shall happen to the work while in progress from any cause whatever or any imperfection become apparent in it within six Months from the date of final certificate of its completion shall have been given by the Engineer-in-charge, as aforesaid the Successful Bidder shall make the same good at his own expense, or in default the Engineer-in-charge may cause the same to be made good by other workmen, and deduct the expense(of which the certificate of the Engineer-in-charge shall be final) from any sums that may be then or at any time thereafter may become due to the Successful Bidder, or from his security deposit or the proceeds of sale thereof, or of a sufficient portion thereof and the Successful Bidder shall be liable to pay any part of the expenses not so recovered by the Engineer-in-charge.

Clause-16

Successful Bidder to supply plants, ladders, scaffolding etc.

The Successful Bidder shall supply at his own cost all materials (except such special materials if any as may in accordance with the contract be supplied from the Engineer-in-charge's stores) plant, tools, appliances, implements, ladders, cordage, tackle scaffolding and temporary works requisite or proper for the proper execution of the work whether original altered or substituted and whether included in the specification or other documents forming Part of the contract or referred to in these conditions or not or which may be

And is liable for damages arising from non-provision of lights, fencing etc.

necessary for the purpose of satisfying or complying with the requirement of the Engineer-in-charge as to any matter as to which under this conditions he is entitled to be satisfied which he is entitled to require together with carriage therefore to and from the work. The Successful Bidder shall also supply without charge the requisite number of persons with the means and materials necessary for the purpose of setting out work and counting, weighing and assisting in the measurement of examination at any time and from time to time the work or materials, failing him so doing the same may be provided by the Engineer-in-charge at the expenses of the Successful Bidder and the expenses may be deducted from any money due to the Successful Bidder under the contract or from his security deposit or the proceeds of sale thereof, or of a sufficient portion thereof. The Successful Bidder shall also provide all necessary fencing and lights required to protect the public from accident and shall be bound to bear the expenses of defense to every suit, action or other proceeding at law that may be brought by any persons for injury sustained owing to neglect of the above precautions, and to pay any damages and cost which may be awarded in any such suit action or proceeding to any such person or which may with the consent of the Successful Bidder be paid to compromise any claim by any such person.

Clause-17

No female labour shall be employed within the limits of a cantonment. The Successful Bidder shall not employ for the purpose of this contract any labour below the age of twelve year, and shall pay to each labourer; for the work done by such labour, wages not less than the wage paid for similar work in the neighborhood.

Explanation:

Fair wages mean wages whether for time or piece work prescribed by State P.W.D. provided that where higher rates have been prescribed under the minimum wages Act 1948 wages at such higher rates would constitute "Fair wages" [W/D No.22059 dated 16.8.77.

The Executive Engineer shall have the right to enquire into and decide any complaints alleging that the wages paid by the Successful Bidder to any laborer for the work done by such labourer is less than the wages paid for similar work in the neighborhood.

The officer in charge of the work shall have the right to decide whether laborer employed by the Successful Bidder is below the age of twelve years and to refuse to allow any laborer whom he decides to be below the age of twelve years to be employed by the Successful Bidder.

Clause-17(a)

Deleted

Clause-17 b)

Deleted

Clause-18

The Successful Bidder shall not be assigned or sublet without the written approval of the Executive Engineer and if the Successful Bidder shall assign or sublet his contract or attempt so to do, or become insolvent or commence any insolvency proceedings or make any composition with his creditor or attempt so to do, or if any bribe gratuity, gift loan, perquisite reward or advantage pecuniary of otherwise shall either directly or indirectly be given, promised or offered by the Successful Bidder or any of his servants to agents to any public officer or person in the employee of Government in any way relating to his office of employment or if any such officer or person shall become in any way directly or indirectly in the contract, the Executive Engineer may thereupon by notice in writing rescind the contract and the

Successful Bidder may be rescinded and security deposit forfeited subletting bribing or if Successful Bidder become in solvent

Sum payable by way of compensation to be considered as reasonable compensation without reference to actual loss

security deposit of the Successful Bidder shall there upon stand forfeited and be absolutely at disposal of Government and the same consequences shall ensue as if the contract has been rescinded under clause 3 hereof and in addition the Successful Bidder, shall not be entitled to recover or be paid for any work therefore actually performed under the contract.

Clause -19 All sums payable by way of compensation under any of these conditions shall be considered as reasonable compensation to be applied to the use of Government without reference to the actual loss or damage sustained, and whether or not any damage shall have been sustained.

Changes in constitution of firm

Clause-20 In the case of a tender by partners any changes in the constitution of the firm shall be forthwith notified by the Successful Bidder to the Engineer-in-charge for his information.

In case of failure to notify the change in the constitution within fifteen days the Engineer-in-charge may be noticed in writing rescind the contract and the security deposit of the Successful Bidder shall there upon stand forfeited and be absolutely at the disposal of Government and the same consequences shall ensue as if the contract had been rescind under clause 3 hereof and in addition the Successful Bidder shall not be entitled to recover or be paid for any works therefore actually performed under the contract.

Clause-21 All works to be executed under the contract shall be executed under the direction and subject to the approval in all respects by Superintending Engineer of the circle for the time being who shall be entitled to direct at what point or points and in what manner they are to be commenced, and from time to time carried on.

Clause -22 Deleted

Clause-23 When the estimate on which a tender is made includes lump sums in respect of the items of work involved or the part of the work the Successful Bidder shall be entitled to payment in respect of the item of work involved or the part of the work in question at the same rates as are payable under this contract for such items, or if the part of the work in question is not, in the opinion of the Engineer-in-charge capable of measurement, the Engineer-in-charge may by his discretion pay the lump sum amounts entered in the estimate, and the certificate in writing of the Engineer-in-charge shall be final and conclusive against the Successful Bidder with regard to any sum's payable to him under the provisions of this clause.

Lump sums in estimates

Clause-24 In the case of any class of work for which there is no such specification as is mentioned in rule, such work shall be carried out in accordance with the circle specification and in the event of there being no circle specification, then in such case the work shall be carried out in all respects in accordance with the instructions and requirements of the Engineer-in-charge.

Action where no specification

Definition of works

Clause-25 The expression 'work' or 'works' where used in these conditions shall unless there be something either in the subject or context repugnant to such construction be construed & taken to mean the works by or by virtue of contract contracted to be executed whether temporary or permanent, and whether original altered, substituted, or additional.

- Clause-26** Government shall be entitled to recover in full from the Successful Bidder any amount that the Government may be liable to pay under workmen compensation Act. VIII of 1923, to any workmen employed in course of execution of any part of the work covered by this contract.
- Clause-27** That for the purpose of jurisdiction in the event of dispute if any, the contract should be deemed to have been entered into within the State of Odisha and it is agreed that neither party to the contract or agreement will be competent to bring a suit in regard to the matters covered by this contract at any place outside the State of Odisha.
- Clause-28** The Department will have the right to inspect the scaffolding and centering made for the work and can reject partly or fully such structure if found defective in their opinion.
- Clause-29** Sanitary arrangement will be made by the Successful Bidder at his own cost for his labour camp.
- Clause-30** The Successful Bidder shall bear all taxes including sales tax, income tax, royalty, fair weather charges and tollage, where necessary.
- Clause-31 Deleted**
- Clause-32** After the work is finished all surplus material and debris are to be removed by the Successful Bidder and preliminary works such as vats, mixing platforms etc. are to be dismantled and all materials removed from site. The ground up to 100m wide from the building should be cleared and dressed.

Clause-34 Deleted

Clause-35 Deleted

Clause-36 The terms and conditions of the agreements have been read/ explained to me and certify that I/We clearly understand them.

1. ADDENDUM TO CONDITION OF CONTRACT:

1.1. The bidder / Tender whose bid has been accepted will be notified of the award by the Engineer-in-Charge prior to expiration of the validity period by cable, telex or facsimile confirmed by registered letter. This letter (hereinafter and in the conditions of contract called the ("Letter of Acceptance")) will state the sum that the Engineer-in-Charge will pay the Successful Bidder in consideration of the execution, completion and maintenance of the works by the Successful Bidder as prescribed by the contract (hereinafter and in the contract called the "Contract Price").

1.2 The notification of award will constitute the formation of the contract, subject only to the furnishing of an ISD and additional performance security in accordance with the provisions of the agreement.

1.3 The agreement will incorporate all agreements between the officer inviting the bid / Engineer-in-Charge and the successful bidder. Within 15 days following the notification of award along with the letter of acceptance, the successful bidder will sign the agreement and deliver it to the Engineer-in-Charge. Following documents shall form part of the agreement.

- a. The notice inviting bid, all the documents including additional conditions specifications and drawing, if any, forming the bid as issued at the time of invitation of bid and acceptance thereof together with any correspondence leading thereto & required amount of additional performance security.

- b. Standard **P.W.D. Form P1**

2. TIME CONTROL

(Clause 2 (a) of P-1 Contract vide Works Department Office Memorandum No. 24716 dt24.12.2005 and No. 8310 dt.3 17.05.2005)

2.1 Progress of work and Re-scheduling programme.

2.1.1. The Superintending Engineer / Engineer-in-Charge shall issue the letter of acceptance to the Successful Bidder. The issue of the letter of acceptance shall be treated as closure of the bid process and commencement of the contract.

2.1.2. Within 15 days of issue of the letter of acceptance, the Successful Bidder shall submit to the Engineer-in-Charge for approval and programme commensurate to Clause No. 2.1.3 of P-1' Contract showing the general methods, arrangements, and timing for all the activities in the works along with monthly cash flow forecast.

2.1.3. To ensure good progress during the execution of the work the Successful Bidder shall be bound in all cases in which the time allowed for any work exceeds one month to complete, $\frac{1}{4}$ th of the whole of the work before $\frac{1}{4}$ th of the whole time allowed under the contract has elapsed, $\frac{1}{2}$ of the whole of the work before $\frac{1}{2}$ of the whole time allowed under the contract has elapsed $\frac{3}{4}$ th of the whole time allowed under the contract has elapsed.

2.1.4. If at any time it should appear to the Engineer-in-Charge that the actual progress of the works does not conform to the programmed to which consent has been given, the Successful Bidder shall produce, at the request of to such programmed necessary to ensure completion of the works within the time for completion. If the Successful Bidder does not submit an updated programmed within this period, the Engineer-in-Charge may withhold the amount of 1% of the contract value from the next payment certificate and continue to withhold this amount until the next payment after the date on which the overdue programmed has been submitted.

2.1.5. An update of the programmed shall be a programmed showing the actual progress achieved on each activity and the effect of the progress achieved on the timing of the remaining work including any changes to the sequence of the activities.

2.1.6. The Engineer-in-Charge's approval of the programmed shall not alter the Successful Bidder's obligations. The Successful Bidder may revise the programmed and submit it to the Engineer-in-Charge again at any time. A revised programmed is to show the effect of variations and compensation events.

2.2. Extension of the Completion Date:

2.2.1. The time allowed for execution of the work as specified in the contract data shall be the essence of the contract. The execution of the works shall commence from the 15th Day or such time period as mentioned in letter of award after the date on which the Engineer-in- Charge issues written orders to commence the work or from the date of handing over of the site whichever is later. If the Successful Bidder commits default in commencing the execution of the work as aforesaid, Government shall without prejudice to any other right or remedy available in law, be at liberty to forfeit the earnest money and performance guarantee / security deposit absolutely.

2.2.2 As soon as possible after the contract is concluded the Successful Bidder shall submit a Time Progress Chart for each milestone and get it approved by the Department. The Chart shall be prepared in direct relation to the time stated in the Contract

documents for completion of items of the works, it shall indicate the forecast of the dates of commencement and completion of various trades of sections of the work and may be amended as necessary by agreement between the Engineer-in-Charge and the Successful Bidder within the limitations of time imposed in the contract documents and further to ensure good progress during the execution of the work, the Successful Bidder shall in all cases in which the time allowed for any work, exceeds one month (save for special jobs for which a separate programmed has been agreed upon) complete the work as per milestone given in contract data.

2.2.3 In case of delay occurred due to any of the reasons mentioned below, the Successful Bidder shall immediately give notice thereof in writing to the Engineer-in-Charge but shall nevertheless use constantly his best endeavors to prevent or make good the delay and shall do all that may be reasonably required to the satisfaction of the Engineer-in-Charge to proceed with the works.

For

- i. Abnormally bad weather, or
- ii. Serious loss or damage by fire, or
- iii. Civil commotion, local commotion of workmen, strike or lockout, by officers any of the heads employed on the work, or
- iv. Delay on the part of other Contractor/ SSI Units registered under DIC/NSIC/MSME or trade men engaged by Engineer-in-Chief, in executing work not forming part of the contract.
- v. In case of variation is issued which makes it impossible for completion to be achieved by the Intended Completion Data without the Successful Bidder taking steps to accelerates the remaining work and which would cause the Successful Bidder to incur additional cost, or.
- vi. Any other cause, which in the absolute discretion of the authority mentioned, in contract data is beyond the Successful Bidder's control

2.2.4 Request for re-schedule and extension of time, to be eligible for consideration shall be made by the Successful Bidder in writing fourteen days of the happening of the event causing delay. The Successful Bidder may also, if practicable, indicate in such a request the period for which extension is desired.

2.2.5 In any such case a fair and reasonable extension of time for completion of work may be given. Such extension shall be communicated to the Successful Bidder by the Engineer-in-Charge in writing. Within 3 months of the date of receipt of such request, Non-application by the Successful Bidder for extension of time shall not be a bar for giving a fair and reasonable extension by the Engineer-in-Charge and this shall be binding on the Successful Bidder.

2.3 **Compensation for delay.**

2.3.1 If the Successful Bidder fails to maintain the required progress in terms of **Clause 2 of P1 contract** or to complete the work and clear the site on or before the contract or extended date of completion he shall without prejudice to any other right or remedy available under the law to the Government on account of such breach, pay as agreed compensation the amount calculated at the rates stipulated below as the Superintending Engineer (whose decision in writing shall be final and binding) may decide on the amount of tendered value of the work for every completed day/month (as applicable) that the progress remains below that specified in **Clauses 2 of P1 contract** or that the work remains incomplete. This will also apply to items or group of items for which a separate period completion has been specified Compensation @ 1.5% per month or for delay of work, delay to be computed on per day basis

provided always that the total amount of compensation for delay to be paid under this condition shall not exceed 10% of the tendered value of work. The amount of compensation may be adjusted or set-off against any sum payable to the Successful Bidder under this or any other contract with the Government. In case the Successful Bidder do not achieve a particular milestone mentioned in contract data, or the rescheduled milestone (s) in items of Clause 2.5 of P1 Contract the amount shown against that milestone shall be withheld, to be adjusted against the compensation levied at the final grant of extension of time. Withholding of this amount on failure to achieve a milestone, shall be automatic without any notice the contract. However; if the Successful Bidder catches up with the progress of work on the subsequent milestone(s), then withheld amount shall be released. In case the Successful Bidder fails to make up for the delay in subsequent milestone(s) amount mentioned against each milestone missed subsequently also shall be withheld. However, no interest whatsoever, shall be payable on such withheld amount.

2.4 Management Meetings:

2.4.1 Either the Engineer or the Successful Bidder may require the other to attend a management meeting. The business of a management meeting shall be reviewing the plans for remaining work and to deal with matters raised in accordance with the early warning procedure.

2.4.2. The Engineer-in-charge shall record the business of management meetings and to provide copies of his record to those attending the meeting and to the Employer. The responsibility of the parties for actions to be taken is to be decided by the Engineer-in-charge either at the management meeting or after the management meeting and stated in writing to all who attended the meeting.

Clause-2 (b) of Percentage Rate P1 Agreement: - Rescission of Contract (Amendment as per Letter No.10639 dt. 27.05.2005 of Works Department, Odisha):

To rescind the contract (of which rescission notice in writing to the Successful Bidder under the hand of the Executive Engineer shall be conclusive evidence), 20% of the value of left over work will be realized from the Successful Bidder as penalty.

	g.	Time required for the work from date of written order to commence	Two Calendar Months
	h.	Date of written order of commencement	

SECTION-6

TECHNICAL SPECIFICATION

1. GENERAL INFORMATION

1.1 Description of work to be executed 'The work envisages" **Repair and Maintenance of Radial Gates and its accessories of Samal Barrage under Superintending Engineer, Head Works Division, Samal for the year 2025-26.**

1.2 Location of Work Site:

The site is situated nearly **03Km** from **Mechanical Division, Rengali**

1.3 Transport Communication Facilities:

The Successful Bidder has to make arrangement to transport all his construction equipment's, construction Materials and labour to work site at his own cost.

1.4 Climate"

The Project area has moderated climate with mean temperature from 18°C t to 42°C during summer month. The rainy season is generally confined to four months from 15th June to 15th October.

1.5 Availability of Labour:

Skilled, semi-skilled & unskilled laborers required for the work are available in project area and it is preferable to engage local laborers, However the Successful Bidder must make his own arrangements for labour/machineries/equipment.

1.6 Availability of Petrol, Diesel and other Lubricants: The nearest petrol pumps for procurement of petrol, diesel and other lubricants are available at kolab. The Successful Bidder shall make his own arrangement for procurement of same at his own cost required for the machineries and equipment's engaged for the work.

1.7 Electricity Supply:

The Successful Bidder shall make his own arrangement for extension of electric connection at his own cost if so, required by him.

1.8 Housing Facilities:

Private house may not available in the vicinity of the work site. The Successful Bidder shall make his own arrangement for housing the laborers, workers and staff at the work site.

1.9 Medical Aid:

The Successful Bidder shall make first aid arrangement at his own cost in accordance with rule and regulations of prevailing Labour Act.

2. GENERAL SPECIFICATION

2.1 The rates shall be for finished items of works as per description in the schedule of quantities and according to drawings, specification and conditions of the contract. The rates quoted shall be for execution of finished items of work and the specifications of which confirm to the details furnished in the Agreement and provisions in Bureau of Indian Standards and shall include all general and incidental charges which will not be paid separately. Such general and incidental charges are listed in succeeding Para for the convenience of the Successful Bidders but are not exhaustive. Omission of any such items here in but required for delivering finished items of work, shall not be plea, that such items are not covered by the rates quoted.

2.2 Formation and maintenance of haul roads including river and drainage crossings within the work site and the existing approaches and haul roads, if any, under the control of the Department may be made use of but improvement, if required, shall be done by the Successful Bidder at his own cost.

- 2.3 Labour and material required for the construction of reference points, bench marks, pillars, diversions, signboards, road signals etc. for setting out works shall be at Successful Bidder cost
- 2.4 Scaffolding and gangways as and when required for the work will be done by the Successful Bidder at his own cost. No additional payment in this regard, will be entertained.
- 2.5 The rate includes all leads, lifts & de lifts.
- 2.6 Form work complete includes cost of materials, labour, maintenance, erection dismantling and removal.
- 2.7 All such testing charges shall be borne by the Successful Bidder. The Successful Bidder will provide necessary assistance if required for collection of samples. The Successful Bidder is liable to pay for any test which is not included in the agreement but required in the opinion of the Engineer-in-Charge during execution of the work for which no additional payment will be made to the Successful Bidder.
- 2.8 Protection of the components of work during the rainy season ft irrigation supply shall be the responsibility of the Successful Bidder. The responsibility for the safety of the structure rests, entirety on the Successful Bidder and any damages that may occur, has to be made good by the Successful Bidder at his own cost as per relevant clauses of contract.
- 2.9 The sequence of construction adopted by the Successful Bidder shall have to be approved by the Engineer-in-Charge.
3. **Inspection & Tests:** All materials shall be tested for quality and all work performed shall be subject to rigid inspection and no articles and materials shall be dispatched to the work site until all tests satisfy that the materials and equipment comply with the specifications. The Engineer-In-charge reserves right to conduct inspection tests specified in Indian Standard Specification.
- 4 **Quality Monitoring:** Quality of the work will be regularly monitored by the Engineer in Charge or his deputed persons. **Executive Engineer, Mechanical Quality Control Division, Hirakud** shall check the Quality of the work & report directly to the **Additional Chief Engineer, Mechanical Circle, Hirakud.**
- 5 **Acceptance Test:** Final acceptance of equipment shall be based on following
- Quality of workmanship and material.
 - Satisfactory operation of gates after erection.
 - Acceptance of various tests.
- All tests after installation of gate may be witnessed by Engineer-in-charge and certified accordingly.
- 6 **Carriage:** The necessary transportation of all the materials & components of the Hydro Mechanical Gates for the destination i.e. Work Site shall be the responsibility of the Successful Bidder and insurance costs and any other unforeseen expenses shall be borne by him/her.
- 7 **Completion Report:** The bidder must submit the "Work Completion Report" from the concerned Civil Division after completion of the work. **(FORM M)** After necessary completion of the work, the bidder must hand over the operating handles (keys) & all surplus materials or debris of the work site to the concerned JE (Civil)/ AE (Civil).
- 8 **Measurement and Payment:** Measurement of the gate and its entire component and payment shall be done after complete erection and satisfactory operation of the gate.
- 9 **Defect Liability Period for the Work** shall be 12 months from the Date of Commissioning. (FORM F)
