A.I.G. of Police(Provisioning)
Odisha, Kataka.
(Tender Calling Authority)

SECTION-1:INSTRUCTION TO BIDDERS

1.1 **The Odisha Police –Odisha Police** (Tender Inviting Authority) is a Govt. organization working under Home Department, Govt. of Odisha.

1.2 This 'Bid Document' contains the following: Section I:

Instruction to bidders

Section II: General Definitions and Scope of Contract.

Section III: Tender Schedule

Section IV: Specific Conditions of Contract

Section V: General Conditions of Contract

Section VI: Formats for bidder for Submission of Bid (Technical bid)

Section VII: Annexes [Formats for the successful bidder (Supplier) after finalization of bid]

1.1 The bid documents published by the Bid Inviting Officer (Procurement Officer Publisher)in the **e-procurement portal** https://tendersodisha.gov.inwill appear in the "**Latest Active Tender**". The Bidders/ Guest Users can download the Bid documents from **27.10.2026 and submit it online from 17.11.2026 after** which the same will be removed from the list of "**Latest Active Tender**".

1.3 PARTICIPATION IN BID

1.3.1 **PORTAL REGISTRATION**:

The bidder intending to participate in the bid is required to **register in the e-procurement portal** using an active personal/official e-mail ID as his/her Login ID and attach his/her valid **Digital signature certificate (DSC) - Class II or III** to his/her unique Login ID. He/ She has to submit the relevant information as asked for about the bidder. The portal registration of the bidder is to be authenticated by the **State Procurement Cell** after **verification** of original valid certificates/documents such as (i) PAN and (ii) Registration Certificate (RC) / GST Certificate (for Procurement of Goods) of the concerned bidder. The time period of validity in the portal is co terminus with validity of RC/ GST. Any change of information by the bidder is to be re-authenticated by the State Procurement Cell. After **successful authentication**, bidder **can participate** in the **online bidding process.**

1.3.2 **LOGGING TO THE PORTAL**:

The Bidder is required to type his/her *Login ID* and password. *The* system *will again ask to* select the DSC and confirm it with the password of DSC as a second stage authentication. For each login, a user's DSC will be validated against its date of validity and also against the **Certificate Revocation List (CRL)** of respective CAs stored in system database. The system checks the unique Login ID, password and DSC combination and authenticates the login process for use of portal.

1.3.3 **DOWNLOADING OF BID**:

The bidder can download the bid of his / her choice and undertake the necessary preparatory work **off-line** and upload the completed bid before the closing date and time of submission.

1.3.4 **CLARIFICATION OF BID**:

The registered bidder can ask questions related to the online bid in the e-procurement portal before the pre-bid meeting. The Odisha Police Headquarter, At-Buxibazar, Kataka, will clarify queries related to the bid. Through e-mail by the e-mail ID: igops.orpol@od.gov.in& Contact No. 0674-2533230 and e-mail ID: aig-prov.odpol@od.gov.in& Contact No.0671-2339517or State e-Procurement cell help desk 1800-3456765, 0674-2530998 for assistance in this regard.

1.3.5 PREPARATION OF BID

The detail guideline for preparation of bid is mentioned at General condition of Contract- Section II

1.3.6 PAYMENT OF COST OF BID DOCUMENTS:

The detail guideline for payment of Cost of Bid Document is mentioned at General Condition of contract-Section II

1.3.7 SUBMISSION AND SIGNING OF BID

The detail guideline for submission of & signing of bid is mentioned at General Condition of Contract-Section II

1.3.8 TIMELINE FOR DELIVERY OF GOODS/SERVICES AND PAYMENTS

As mentioned in the RFP. Successful bidders will be provided with an online tracking facility for knowing goods/services delivery status at consignee locations.

Note: (Uploading of files for submission of bid)

For management of space the bidders can serially arrange their scanned documents as per Format T1 (all pages should be signed by authorized signatory with seal and then to be scanned) and create two equalized PDF files and upload them to avoid any space constraint.

*The **BOQ** file (Excel file) is to be uploaded in the **price bid**.*

SECTION-2: GENERAL DEFINITIONS & SCOPE OF CONTRACT

2.1 General Definitions

2.1.1 *Department* means Odisha Police under Home Department, Government of Odisha.

2.1.2 *Government* means Government of Odisha.

2.1.3 *Bid / Tender Inviting Authority* is the Odisha Police or authorized person of Odisha Police (A.I.G. of Police (Provisioning), Odisha, Kataka, who on behalf of the User Institution/Government or the funding agencies calls and finalize bids and ensure supply, installation and after sales service of the equipment's procured under this bid document.

2.1.4 *Tender Evaluation Committee & Technical Committee* are Committees authorized by the D.G. & I.G. of Police, Odisha, Kataka to decide on the purchase of the items to be procured by the Odisha Police.

2.1.5 *User Institutions* are the Odisha Police under Home Department, Govt. of Odisha for which the items under this bid is procured.

2.1.6 *De-recognition/ Debarment* – the event occurring by the operation of the conditions under which the bidders will be prevented for a period of3 years from participating in the future bids of Tender Inviting Authority, more specifically mentioned in the Specific Conditions of Contract (Section V) and General Conditions of Contract (Section VI) of this bid document, the period being decided on the basis of number of violations in the bid conditions and the loss/hardship caused to the Tender Inviting Authority on account of such violations.

2.2 Scope

2.1.7 The bids are invited for the provision of Comprehensive AMC for Containerized Tubular Shooting Range (CTSR) installed at SOG, Chandaka, Bhubaneswar for Odisha Police, the details of which are mentioned in the RFP, required for Odisha Police.

2.1.8 The Bidders cannot withdraw their bid after opening of technical bid, within the minimum bid validity period of 180 days & also after accepting the Letter of Intent.

5.16.3 In the event of the specified date for opening of bid being declared holiday, the Bid shall be opened at the appointed time and venue on the next working day.

5.16.4 In the event of the claims in the on-line documents are materially missing or of substantial error or unqualified for want of required qualifications, the bid shall be rejected. However, minor infirmities in the submission of documents will be allowed to be rectified by obtaining required clarification by the Tender Inviting Authority so as to ensure qualification of maximum number of competitive offers to the final round.

5.16.5 The bidder shall be **responsible** for **properly uploading** the relevant documents (in the format specified) in the **e-Tender portal** in the specific location and the Tender Inviting Authority shall not be held liable for errors or mistakes done while uploading the on-line bid.

5.16.6 The date and time of Price Bid will be announced only after the opening of the Technical Bid/Technical Evaluation.

5.17 Evaluation of Bid

5.17.1 The Evaluation will be done by Tender Evaluation Committee.

5.17.1.1 The documents submitted as part of the technical bids shall be scrutinized by a Tender Evaluation Committee duly appointed.

5.17.1.2 The Tender Evaluation Committee may also verify the veracity of claims in respect of the known performance of the item(s) offered, the experience and reputation of bidder in the field, the financial solvency etc.

5.17.1.3 The decisions of the Tender Evaluation Committee on whether the bidders are responsive or non-responsive or requiring clarifications will be published.

5.18 Price Bids Opening:-

5.18.1 The price bid of the technically qualified bidders shall be opened online by the Tender Inviting Authority or his authorized representative.

5.18.2 Price Offered shall be in **Indian Rupees**. All the rates and amounts shall be quoted in Indian Rupees (IR) and shall be presumed to be in Indian Rupees unless specifically permitted to be quoted otherwise in this tender document. However an OEM located outside the country may quote its price in the Currency of the country to which he belongs but the same shall be converted to INR at the exchange rate prevailing on the date of opening of Tender and the same will be binding on both parties

5.18.3 Fixed price: Prices quoted by the Bidder shall be fixed during the period of the contract

and not subject to variation on any account.

5.18.4 There shall also be no hidden costs.

5.18.4.1 Bidder shall quote prices in all necessary fields in the available format. The price shall be entered separately in the following manner:

5.18.4.2 Applicable GST shall be quoted in the specified column in numeric values (If the field is left blank, value will be taken as zero) in the BOQ/Price Bid format.

5.18.4.3 The bidders shall offer the price which shall be inclusive of all the accessories (if any) mentioned in the RFP.

5.18.4.4 Bidders in no way can alter/modify the price bid/ BOQ format, if so he is liable for disqualification.

5.18.4.5 No bidder shall be allowed at any time on any ground, whatsoever it may be, to claim revision or modification in the rates quoted by him (Except any change made by the NPPA/Govt.). Representation to make correction in the tender documents on the ground of Clerical error, typographical error, etc., committed by the bidder in the Bids shall not be entertained after submission of the tenders. Conditions such as "SUBJECT TO AVAILABILITY" "SUPPLIES WILL BE MADE AS AND WHEN SUPPLIES ARE RECEIVED" etc., will not be entertained under any circumstances and the tenders of those who have given such conditions shall be treated as incomplete and accordingly the Tender will be rejected.

5.19 Price Bid Evaluation

5.19.1 The quoted rate should include excise / customs duty, transportation, insurance, packing & forwarding or any other incidental charges for door delivery at the warehouses & GST. The price bid evaluation of an item will be made by comparison of basic quoted prices of each bidder including GST. The lowest eligible bidder i.e. (L1) bidder will be the bidder who has quoted the lowest basic price, out of the rest bidders for that item.

5.19.2 The Bidders shall be asked to participate in the Reverse Auction process to further improve the competition.

5.19.3 The Quoted Price or the Price discovered through the Reverse Auction process of all successful Qualifying bidders shall be evaluated and consequently the Least Cost shall be termed as L1 bid and shall be awarded the LoA/LoI.

5.20 Award of Contract

5.20.1 The contract is awarded by the competent authority on the basis of LCS (L1) mode of evaluation. Reverse Auction shall be conducted as the discretion of the Odisha Police Department.

5.21 Notification of Award/Letter of Intent (LOI)

5.21.1 Within the bid validity period, the Tender Inviting Authority will notify the name of successful bidder in tender portal or website of Odisha Police before issuing the Letter of Intent (LOI).

5.21.2 The successful bidder, upon receipt of the LOI, shall deposit the prescribed performance security within **15 (Fifteen)** days.

5.21.3 The Notification of Award shall constitute the formation of the Contract.

5.22 Signing of Contract

5.22.1 The successful bidder shall execute an agreement in a format which will be provided to the successful bidder along with the LOI to ensure satisfactory supply and after sales support.

5.22.2 The successful bidder shall submit the bank guarantee in the format as per Annexure in Section VII.

5.22.3 Promptly after notification of award, within ten days from the date of the letter of intent, the successful bidder shall execute the contract (as per agreement) on Rs.100/- stamp paper purchased in the name of the successful bidder, duly signed and dated, to the Tender Inviting Authority by registered / speed post or in person.

5.22.4 Assignment: -The Successful bidder shall not assign, either in whole or in part, its contractual duties, responsibilities and obligations to perform the contract, except with the Tender Inviting Authority's prior written permission.

5.22.5 Sub Contracts: - The Successful bidder shall not sub contract the execution of the contract. Such action, if done without the knowledge of the Tender Inviting Authority prior to the entering of the contract, shall not relieve the Successful bidder from any of its liability or obligation under the terms and conditions of the contract.

5.22.6 Modification of contract: - If necessary, the Tender Inviting Authority may, by a written order given to the successful bidder at any time during the currency of the contract, amend the contract by making alterations and modifications within the general scope of contract in any one or more of the following:

5.22.6.1 Incidental services to be provided by the successful bidder.

5.22.6.2 Any other term(s) of the contract, as felt necessary by the Tender Inviting Authority depending on the merits of the case.

5.22.7 In the event of any such modification/alteration causing increase or decrease in the cost of services to be supplied and provided, or in the time required by the successful bidder to perform any obligation under the contract, an equitable adjustment shall be made in the contract price and/or contract delivery schedule, as the case may be, and the contract amended accordingly.

5.22.8 If the successful bidder doesn't agree to the adjustment made by the Tender Inviting Authority, the successful bidder shall convey its views to the Tender Inviting Authority within ten days from the date of the successful bidder's receipt of the Tender Inviting Authority amendment / modification of terms of the contract.

5.23 Performance Security

5.23.1 Performance Security for an amount equal to 5% of LOI/LOA supply order value shall be paid in the form of Irrevocable Bank Guarantee from any Nationalized / Scheduled Bank in favour of the A.I.G. of Police (Provisioning), Odisha, Kataka in the format as given in Annexure I.

5.23.2 Upon receipt of performance security, the Tender Inviting Authority shall issue the Supply Orders containing the terms and conditions for the execution of the order.

5.23.3 The Performance security shall be denominated in Indian Rupees as detailed below:

5.23.3.1 It shall be in only be in the forms Bank Guarantee issued by a Scheduled/Nationalized bank in India, in the prescribed form (Annexure-I in section-VII) as provided in this document endorsed in favour of the Tender Inviting Authority.

5.23.3.2 In the event of any failure /default of the successful bidder with or without any quantifiable loss to the government, the amount of the performance security is liable to be forfeited.

5.25.1 In the event of any amendment issued, the successful bidder shall, within

(15) days of issue of the amendment, furnish the corresponding amendment to the Performance Security (as necessary), rendering the same valid in all respects in terms of the contract, as amended.

5.24 Payment

5.24.1 The original invoice submitted shall be in the name of the Tender Inviting Authority, and the name of the consignee shall be mentioned in it.

5.25 Intellectual Property Rights (IPR)

5.25.1 The successful bidder shall, at all times, indemnify and keep indemnified the Tender Inviting Authority, free of cost, against all claims which may arise in respect of goods & services to be provided by the successful bidder under the contract for infringement of any intellectual property rights or any other right protected by patent, registration of designs or trademarks.

5.25.2 In the event of any such claim in respect of alleged breach of patent, registered designs, trademarks etc. being made against the Tender Inviting Authority, the Tender Inviting Authority shall notify the successful bidder of the same and the successful bidder shall, at his own expenses take care of the same for settlement without any liability to the Tender Inviting Authority.

5.25.3 The Successful bidder/its Indian Agent shall at all times, indemnify and keep indemnified the Tender Inviting Authority/ Government of India against all claims/ damages etc. for any infringement of any Intellectual Property Rights (IPR) while providing its services.

5.26 Corrupt or Fraudulent Practices

5.26.1 It is required by all concerned namely the User Institution/ Bidders/ Successful bidders etc. to observe the highest standard of ethics during the procurement and execution of such contracts. In pursuance of this policy, the Tender Inviting Authority defines, for the purposes of this provision, the terms set forth below as follows:

5.26.2 "Corrupt practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and

5.26.3 "fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Tender Inviting Authority, and includes collusive practice among Bidders (prior to or after Bid submission) designed to establish Bid prices at artificial non- competitive levels and to deprive the Tender Inviting Authority of the benefits of free and open competition;

5.26.4 Tender Inviting Authority will reject a proposal for award if it determines that the bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question; will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded a contract by the Tender Inviting Authority if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing the contract.

5.26.5 No bidder shall contact the Tender Inviting Authority or any of its officers or any officers of the government on any matter relating to its bid, other than communications for clarifications and requirements under this bid in writing, with an intention to influence the members of various committees or officials of Tender Inviting Authority. Any such effort by a bidder to influence the Tender Inviting Authority in the Tender Inviting Authority's bid evaluation committee, bid comparison or contract award decisions may result in rejection of the bid.

5.26.6 "Any fraudulent practice, misrepresentation, submission of false or fabricated documents /information, or non-performance /breach of any contractual obligation by the bidder/firm shall render the bidder/firm liable for appropriate contractual action, including forfeiture of security / performance guarantee, imposition of penalty/liquidated damages, termination of contract, and debarment/blacklisting, in accordance with the terms and conditions of the RFP/Contract and the applicable rules."

5.27 Force Majeure

5.27.1 For purposes of this clause, Force Majeure (FM) means extraordinary events or circumstance beyond human control such as an event described as an act of God (like a natural calamity) or events such as a war, strike, riots, crimes (but not including negligence or wrong-doing, predictable/seasonal rain and any other events specifically excluded in the clause).

5.27.2 An FM clause in the contract frees both parties from contractual liability or obligation when prevented by such events from fulfilling their obligations under the contract. An FM clause does not excuse a party's non-performance entirely, but only suspends it for the duration of the FM. The firm has to give notice of FM as soon as it occurs (**within 7 days**) and it cannot be claimed ex-post facto.

5.27.3 There may be an FM situation affecting the purchase organization/buyer only. In such a situation, the purchase organization is to communicate with the supplier along similar lines as above for further necessary action. If the performance in whole or in part or any obligation under this contract is prevented or delayed by any reason of FM for a period exceeding **60 (Sixty)** days, either party may at its option terminate the contract without any financial repercussion on either side. Notwithstanding the punitive provisions contained in the contract for delay or breach of contract, the supplier would not be liable for imposition of any such sanction so long as the delay and/ or failure of the supplier in fulfilling its obligations under the contract is the result of an event covered in the FM clause.

5.28 Resolution of Disputes

5.28.1 If dispute or difference of any kind shall arise between the Tender Inviting Authority and the successful bidder in connection with or relating to the contract, the parties shall make every effort to resolve the same amicably by mutual consultations.

5.29 Applicable Law & Jurisdiction of Courts

5.29.1 The contract shall be governed by and interpreted in accordance with the laws of India for the time being in force.

5.29.2 All disputes arising out of this bid will be subject to the jurisdiction of courts of law in **Bhubaneswar**/ Cuttack.

5.30 General/ Miscellaneous Clauses

5.30.1 Nothing contained in this Contract shall be constructed as establishing or creating between the parties, i.e. the Successful bidder on the one side and the Tender Inviting Authority on the other side, a relationship of master and servant or principal and agent.

5.30.2 Any failure on the part of any Party to exercise right or power under this Contract shall not operate as waiver thereof.

5.30.3 The Successful bidder shall notify the Tender Inviting Authority of any material change that would impact on the performance of its obligations under this Contract.

5.30.4 The Successful bidder shall, at all times, indemnify and keep indemnified the Tender

Inviting Authority / Government of Odisha against any claims in respect of any damages or compensation payable in consequences of any accident or injury sustained or suffered by its employees or agents or by any other third party resulting from or by any action, omission or operation conducted by or on behalf of the successful bidder/its associate/affiliate etc.

5.30.5 All claims regarding indemnity shall survive the termination or expiry of the contract.

5.31 De-recognition/Debarment

5.31.1 Odisha Police shall **de-recognize/ debar** the defaulting supplier for any item for a period up-to **3(three) years** from the date of issue of De-recognition/Debarment order on the following grounds:

(i) For non-performance of contract provisions/services/maintenance, non-supply / part-supply **(To be decided by the Tender Inviting authority)** as per supply order during the validity of the rate contract period.

(ii) Any material breach of contract, including delay or failure in providing services/maintenance, supply of sub-standard/non-conforming items. Violation of specifications, warranty or statutory obligations, adversely affecting Odisha Police interests.

(iii) Any unethical, fraudulent or prejudicial conduct, including submission of false documents, corrupt or collusive practices, warranting de-recognition in public interest.

5.31.2 The bidder can be de-recognized/debarred by Odisha Police up-to a period of 3 years in case it is found at the time of evaluation/verification/inspection/at any point of time till the end of contract period, that the bidder has furnished forged documents/false information along with the bid.

5.31.3 The de-recognition/debarment provisions will apply without prejudice to other penal provisions as per the tender terms &conditions.

5.31.4 The penalties imposed by the Tender Inviting Authority will be published on the website of the Tender Inviting Authority for a period as decided appropriate.

5.32 Termination of Contract

5.32.1 Termination for default:- The Tender Inviting Authority, without prejudice to any other contractual rights and remedies available to it (the Tender Inviting Authority), may, by written notice of default sent to the successful bidder, terminate the contract in whole or in part, if the successful bidder fails to deliver any or all of the goods or fails to perform any other contractual obligation(s) within the time period specified in the contract, or within any extension thereof granted by the Tender Inviting Authority.

5.32.2 In the event of the Tender Inviting Authority terminating the contract in whole or in part, the Tender Inviting Authority may procure services (CAMC)similar to those cancelled, with such terms and conditions and in such manner as it deems fit and the successful bidder shall be liable to the Tender Inviting Authority for the extra expenditure, if any, incurred by the Tender Inviting Authority for arranging such procurement/services.

5.32.3 Unless otherwise instructed by the Tender Inviting Authority, the successful bidder shall continue to perform the contract to the extent not terminated.

5.32.4 Termination for insolvency: If the successful bidder becomes bankrupt or otherwise insolvent, the Tender Inviting Authority reserves the right to terminate the contract at any time, by serving written notice to the successful bidder without any compensation, whatsoever, to the successful bidder, subject to further condition that such termination will not prejudice or affect the rights and remedies which have accrued and / or will accrue thereafter to the Tender Inviting Authority.

5.32.5 Termination for Convenience:- The Tender Inviting Authority reserves the right to terminate the contract, in whole or in part for its (Tender Inviting Authority's) convenience, by serving written notice on the successful bidder at any time during the currency of the contract. The notice shall specify that the termination is for the convenience of the Tender Inviting Authority. The notice shall also indicate inter-alia, the extent to which the successful bidder's performance under the contract is terminated, and the effective date of such termination.

5.33 Amendment of RFP :

- At any time prior to the deadline for submission of Bids, Odisha Police may, for any reason, whether at its own initiative or in response to clarifications requested by a Bidder, modify the RFP by the issuance of Addendum or a Corrigendum. An addendum or a corrigendum thus issued will be a part of the RFP and shall be www.tendersodisha.gov.in , Odisha Police will assume no responsibility for receipt of the Addendum or Corrigendum.
- To accord the Bidder a reasonable time for taking an Addendum into account, or for any other reason, Odisha Police may, at its own discretion, extend the Bid Due Date.

5.34 Proprietary Data

All documents and other information supplied by Odisha Police or submitted by a Bidder to Odisha Police shall remain or become the property of Odisha Police. Bidder(s) are to treat all information as strictly confidential and shall not use it for any purpose other than for preparation and submission of their Bid. Odisha Police shall not return any Bid, or any information provided therewith.

5.35 Confidentially

Information relating to the examination, clarification, evaluation, and recommendation for the Bidder shall not be disclosed to any person who is not officially concerned with the process or is not a retained professional advisor advising Odisha Police in relation to or matters arising out of or concerning the Bidding Process. Odisha Police will treat all information, submitted as part of the Bid, in confidence and will require all those who have access to such material to treat the same in confidence. Odisha Police may not divulge any such information unless it is directed to do so by any statutory entity that has the power under law to require its disclosure or is to enforce or assert any right or privilege of the statutory entity and/ or Odisha Police.

5.36 Service Level Agreement (SLA)

- The Bidder should meet the following SLAs during the contract period; however, a separate SLA agreement will be executed with a successful Bidder when the project is awarded and accepted.
- The SLA is designed for rapid response to mission critical service, hardware, maintenance of all the component of CTSR to make the CTSR functional, DC and software application emergency. The time between the initial request for service and the time a technical person respond to the request should not exceed 72hours.
- Every complaint shall be classified by the Commandant SOG, Chandaka at the time of registration. The engineer shall attend **within 72 hours** of Complaint Registration Time for every category Restoration time runs from Attendance

5.37 Resolution of Disputes

- If dispute or difference of any kind shall arise between the Tender Inviting Authorityandthesuccessfulbidderinconnectionwithorrelatingtothecontract, the parties shall make every effort to resolve the same amicably by mutual consultations.

5.38 Arbitration, Applicable Law & Jurisdiction of Courts

- Except as otherwise provided elsewhere in the contract, if any dispute, difference, question or disagreement arises between the parties hereto or their respective representatives or assignees, at any time in connection with construction, meaning, operation, effect, interpretation or out of the contract or breach thereof, the same shall be decided by Sole Arbitrator to be appointed by Odisha Police.
- If the Arbitrator so appointed dies, resigns, incapacitated or withdraws for any reason from the proceedings, another Arbitrator shall be appointed by Odisha Police. The Arbitrator so appointed shall proceed with the reference from the stage, where his predecessor had left if both parties consent for the same, otherwise, he shall proceed de novo. It is a term of the contract that the party invoking arbitration shall specify all disputes to be referred to arbitration at the time of invocation of arbitration and not thereafter. It is also a term of the contract that neither party to the contract shall be entitled to seek interest and the arbitrator should not grant interest.
- The Arbitral Tribunal shall give reasoned award and the same shall be final, conclusive and binding on the parties. The venue of the arbitration shall be Bhubaneswar and language will be English. Fees of the Arbitrator and expenses incidental to the arbitration proceedings shall be borne equally by the parties. Subject to as aforesaid, the provisions of Arbitration and Conciliation Act, 1996 and any statutory modifications or re- enactment in lieu thereof shall apply to the arbitration proceedings under this Clause.
- Subject to above, the Courts in Bhubaneswar alone shall have jurisdiction in this matter.
- The contract shall be governed by and interpreted in accordance with the laws of India for the time being in force.
- All disputes arising out of this bid will be subject to the jurisdiction of courts of law in Bhubaneswar / High Court of Orissa.

ANNEXURE-A

Tender Call Notice No.
Tender Document No. II

SECTION-VI: SCOPE OF WORK

6.1 Technical Specification of CAMC for Containerised Tubular Shooting Range: -

Sl. No.	Technical Specification
General	
1.	Containerised Tubular Shooting Range installed at SOG, Chandaka is a complete solution for quickly installable indoor substitute for live firing practice of two firers at a time.
2.	The available System is with the provision of digitally projected target, acoustically treated individual Firing Booths with Ricochet Proofing, Lighting, Interactive Audio Interface, Shot Analysis System, Firefighting System, Ventilation System with necessary Bullet-Proofing provision. Provision of quickly attachable Bullet Containment Trap (BCT) & Instructor Control Station with the Containerised Tubular Shooting Range is available.
Containerised Tubular Shooting Range Dimensions	
3.	The Containerised Tubular Shooting Range is designed by using standard 40 feet High cube ISO container with dimension (40' Length x 8' Width x 9'6" Height). Provision of Bullet Containment Trap (BCT) having quickly attachable container of 10' Length x 8' Width x 9'6" Height which should have made up of AR500 armour steel plates is available. Provision of one separate Instructor Control Station of 10' Length x 10' Width x 10' Height adjacent to CTSR is also available.
Ammunitions	
4.	**Type of Weapons and Ammunition**: Provision is there for safe live firing of 7.62 mm x 51 mm, 7.62 mm x 39 mm, 5.56 mm x 45 mm Ball ammunition of up to 0.5 calibre and any other equivalent or intermediate calibres of up to 1000 m/s muzzle velocity and also 9 mm x 19 mm, 0.38, 0.32, 0.45 calibre and equivalent hand gun or carbine ammunition in single shot and in automatic mode.
Target Specifications	
5.	➢ **Smart Target System (STS) & Target Application Software: -** CTSR have a Smart Target System (STS) Where the targets will be projected on chamber target located at the Target End. Targets are of any standard scoring target like Figure 11 Target, Rubia Target, Pop-Up Targets. The robust and smart target Application software allows varying the Target ranges from 10 to 300 meters inside the container with different terrains. It also facilitates different types of exercises such as Grouping, Static, Timed Exercise and Annual Range Course or any other practices as desired by the user. It confirms displays the point of hit on the target with in an accuracy of 5 mm and its sensor have more than 99 percent accuracy to detect the fire correctly.

	➢ **Simulated Range of Targets: -** The CTSR have provision/facility for projected target that they can be simulated for ranges up to 300 meters and thus actually practice shooters in applying the range on the weapon and aiming at that range. Point of hit automatically and accurately adjusted by the software.
Firing Booths	
6.	CTSR have two independent firing booths with facility to fire from standing, kneeling and lying positions. The firing booths are acoustically treated by using rubber tiles allowing for easy cleaning of dust and lead by dry or wet cleaning methods.Each booth are equipped with Firing Booth Display Unit (FBDU), Interactive audio interface to communicate with the instructor and CC Camera's to record the total firing session. Provision of suitable fresh Laminar air flow on each line to meet the range ventilation requirements is available. Each booth have independent doors equipped with toughened glass to monitor the firing practice by instructor from outside, which serves as entry, exit and emergency exit in case of any accident.
Instructor Control Station and Firing Booth Display Unit	
7.	**Instructor Control Station:** It is a separate cabin of 10 feet length x 10 feet width x 10 feet height of standardised material Installed adjacent to the CTSR with door and window facility & glass fitted to the window. It is equipped with all necessary components given below and shall be monitored and operated by the range instructor. It is comprised of CPU, monitors, printer and communication equipment. The CPU is loaded with Master control software which enables the instructor to assign different firing practices to the firers. The software displays real time hits and records the complete data of each individual firer/session during firing. The instructor can monitor the live session of firers in monitors and can communicate with the firers by communication equipment to guide the firers. The Software instantly records all the data and enables the instructor to take the print out of the reports/documents and allows retrieving the stored data at any time to evaluate or perform any kind of analysis. It also provides corrective action to the trainee after firing.
8.	**Firing Booth Display Unit (FBDU):** Each firing lane of CTSR is equipped with FBDU which enables the firer to monitor and control the targets and exercises in that lane. The FBDU is capable to perform the following activities: i) Give shot location on the target. ii) Give possible score, aggregate score. iii) Indicate mean point of Impact. iv) Indicate type of exercise in progress. v) Show group size and MPI.

	vi) Furnishing "X" and "Y" coordinate of the shots. vii) Lane operation status. viii) Grouping and zeroing. ix) Zoom in and zoom out and panning of the target on the screen. x) Exercise replay.
9.	**Tubes:** The tubes used in the CTSR are steel rolled of thickness 12 mm joined by SEAM welding process. The tubes are further processed to remove the dents and projected surfaces to eliminate the ricochet problem and have provision of Bullet Proofing.
10.	**Bullet Containment Trap (BCT) (10' Length x 8' Width x 9'6" Height):** The ballistically tested total containment trap is made up of by using AR500 armour steel plates or better than this with Bullet Proofing provision and placed behind the target to collect all the bullets fired. The Deceleration Snail Trap manufactured in such a way to replace and reverse the primary impact plates to any position which increases the life of the system. The system is positioned in a 10 feet acoustically treated container with provision to easily enter and carry out target maintenance activities. The container is designed in such a way to quickly attach with the 40 feet CTSR container. The Deceleration Snail Trap is equipped with Ventilation system to collect the lead particles developed during the impact of bullets. There is provision so that the bullets after contacting the angular plates are guided into a Deceleration chamber where the velocity of projectile shall be reduced to zero and collected at the tins provided at the bottom.
11.	The bidders have to submit Ballistic test certificates of all necessary Bullet Proofing components of CTSR from any Authorised Govt. of India Organisation during Bidding.
Safety	
12.	**Acoustic Reduction System:** Proper noise abatement of CTSR is carried out by using rubber tiles those withstands frequent cleaning and wet scrubbing with agents to remove and neutralize lead dust and un burnt propellants. The parameters like Peak impulse sound, 8 hours TWA noise level, reverberation time are maintained as per the NIOSH and OSHA noise standard (29 CFR 1910.95 (d) (e) (g) (h)). The characteristics of rubber tiles used are compliance to the following. i) The Acoustic foam is rated to class 1 (As per ASTM E84)/Class V0 or HF1 of UL-94. ii) NOISE Reduction Coefficient (NRC) of at least 0.75 as per ASTM C423-17. iii) Resistance to Fungal and Microbial Growth as per ASTM G21. iv) The rubber tile of fire retardant Class 1 of ASTM E84 or Class B2 OF DIN 4102 or Class 3 of BS476 Part 7:1997.

	v) Required certificate should be submitted by the bidder during Bidding. **Ear Muffs:** Electronic ear muffs are provided along with CTSR which are capable to cut off the noise levels exceeding the safe hearing limit (i.e. 85db) and amplify the sounds below 80db to audible level.
13.	**Ventilation system:** The CTSR is equipped with suitable ventilation system to meet all the indoor firing range requirements as per NIOSH and OSHA lead standard (29 CFR 1910.1025(j)). The ventilation system of CTSR provides 100% fresh air at firer end in laminar pattern with 10% of exceeded exhaust (As per the NIOSH, 1975). The Air flow at firing point and down the line is maintained in between 50-75 fpm as per the NIOSH standards. Filtration of the exhaust air are carried out by using 0.3 microns HEPA filters. A suitable mechanism is placed in the system to indicate when filter change is required. The range is maintained at a negative pressure of minimum 10 Pascal to eliminate the lead dust spreading out to the range circumstances. Required certificate is submitted by the bidder during Bidding.
14.	**General Safety:** **i)** The system is equipped with indication light at firing booth to display the status of the range. **ii)** Each firer cabin is equipped with hooters to identify the position of stop butts. A warning message displays on the screen representing the status of stop butts and no target displays until all the equipment in the range positioned properly. **iii)** Provision of fire fighting equipment is available with the CTSR as per standard norms.
15.	The L1 Bidder should provide Comprehensive AMC for 3 years for all the items available with Containerised Tubular Shooting Range (CTSR).
16.	The Toll free No./Escalation matrix be submitted by the Bidder during bidding and the maintenance of the CTSR should be attended by the Engineer/Technician of the firm within 72 hours of registration of complaint.
17.	The AMC for all Components of CTSR should be maintained half yearly by the L1 Bidder. Apart from this, the L1 Bidder should attend any malfunction to make the CTSR functional within 72 hours.
18.	The participating Bidder may visit the Containerised Tubular Shooting Range installed at SOG, Chandaka if required with proper authorisation and ID Proof.
19.	The items of Containerised Tubular Shooting Range (Installed at SOG, Chandaka) to be covered under Comprehensive AMC are mentioned in Annexure - II.

6.2 CTSR Spares List covered under CAMC

Sl. No.	Description	Quantity	Make
1.	**Master Control Station**	1 no.	
i.	Motherboard	1 no.	Asus

33.	Any other items available with the CTSR installed at SOG, Chandaka, Bhubaneswar		

SECTION-VII: FORMATS FOR SUBMISSION OF BID

(Technical Bid)

Format T1 – Check List

(To be submitted in ***Part I -Technical Bid***)

The documents have to be arranged as per the order mentioned in the checklist for ease of scrutiny.

The bidder has to **upload the documents** as mentioned in Checklist (**in PDF format) online** in the **e-procurement portal,** on or before the due date & time of submission of technical bid.

Copies of all the documents uploaded in the technical bid shall **also be submitted** along with the **Tender Document Cost** on or before the online technical bid opening. However, the copy of all documents should be exactly the same as uploaded in the e-tender portal.

Name of the Bidder	

Sl. No	**Details of Document Checklist**	**Whether included Yes / No**	**Page No.**
1.	Format - T1 (Check List)		
2.	Bid Document Cost Non-refundable Rs. 590/- {Rs.500/- + 18% GST (Rs.90/-)}as DD & EMD cost ofRs:1,05,000 (Rupees One Lakh five Thousand Only)_		
3.	Format - T2 (Compliance of Scope of Work)		
4.	Format - T3 (EMD Declaration)		
5.	MSE / Start-up registration certificate (if claiming EMD exemption or relaxations) If applicable		
6.	Copy of the GST registration certificate		
7.	Copy of PAN (Income Tax)		
8.	Copy of IT Returns of the financial years for 2022-23, 2023-24 and 2024-25.		
9.	Format – T4 (Details of Bidder)		
10.	Format – T5 (Declaration Form)		
11.	Format – T6 (Annual Turnover Statement of Bidder by Chartered Accountant)		
12.	Copies of the annual audited statement/Annual Report of Bidder for (i.e. 2022-23, 2023-24 and 2024-25)(Provisional statement of account shall not be considered)		
13.	Format–T7 (Performance Statement during the last three Years) - The Bidder to submit part performance of CAMC		

	of Containerized Tubular Shooting Range/equivalent project of Minimum one No. in last three financial years from any Organization of Govt. of India/any State Govt./ PSU.		
14.	Format–T8 (Land border sharing certificate)		
15.	Compliance to CTSR Spares List covered under CAMC		
16.	Toll-free number and Escalation Matrix		
17.	Any other document required as per the technical specification (Section-IV) (i.e. Product Brochure/ Catalog /Data Sheet etc.)		
18.	Incorporation certificate of the Bidder		
19.	Compliance to OGFR 2023, GFR & Bid Terms & Conditions		
20.	The Bidder should submit Bid/RFP Specific OEM Authorization in OEM's Letter head.		
21.	Certificate for prevention of Corruption act/non debarment certificate		

All the documents to be furnished in the checklist has to be page numbered. All the formats (T1 – T8) are to be filled up mandatorily.

Note:

1) Mentioning of Page Nos. in the relevant column as mentioned above is mandatory for ease of scrutiny.
2) No price information (i.e. Scanned copy of the price format etc.) to be uploaded in Technical Bid.
3) After preparation of all the documents as per checklist, the bidders have to put the page nos. on each page and put the signature of the authorized signatory & seal. Then each page has to be scanned and the scanned document to be uploaded in the e-tender portal before the scheduled date & time.
4) The bidders can find two files [(i) Scan copy of Tender document cost, PAN etc. & (ii) All documents as per checklist T1] in technical bid for uploading their files.

However, for management of space the bidders can divide their scanned documents in two parts and upload one part in one file and balance document in the second file to avoid any space constraint.

Format T2: Compliance of Scope of Work: -

6.3 Technical Specification of CAMC for Containerised Tubular Shooting Range: -

Sl. No.	Technical Specification	Compliance for CAMC (Yes/No)	Remarks (If any)
General			
1.	Containerised Tubular Shooting Range installed at SOG, Chandaka is a complete solution for quickly installable indoor substitute for live firing practice of two firers at a time.		
2.	The available System is with the provision of digitally projected target, acoustically treated individual Firing Booths with Ricochet Proofing, Lighting, Interactive Audio Interface, Shot Analysis System, Fire fighting System, Ventilation System with necessary Bullet-Proofing provision. Provision of quickly attachable Bullet Containment Trap (BCT) & Instructor Control Station with the Containerised Tubular Shooting Range is available.		
Containerised Tubular Shooting Range Dimensions			
3.	The Containerised Tubular Shooting Range is designed by using standard 40 feet High cube ISO container with dimension (40’ Length x 8’ Width x 9’6” Height). Provision of Bullet Containment Trap (BCT) having quickly attachable container of 10’ Length x 8’ Width x 9’6” Height which should have made up of AR500 armour steel plates is available. Provision of one separate Instructor Control Station of 10’ Length x 10’ Width x 10’ Height adjacent to CTSR is also available.		
Ammunitions			
4.	**Type of Weapons and Ammunition**: Provision is there for safe live firing of 7.62 mm x 51 mm, 7.62 mm x 39 mm, 5.56 mm x 45 mm Ball ammunition of up to 0.5 calibre and any other		

	equivalent or intermediate calibres of up to 1000 m/s muzzle velocity and also 9 mm x 19 mm, 0.38, 0.32, 0.45 calibre and equivalent hand gun or carbine ammunition in single shot and in automatic mode.		
Target Specifications			
5.	➢ **Smart Target System (STS) & Target Application Software: -** CTSR have a Smart Target System (STS) Where the targets will be projected on chamber target located at the Target End. Targets are of any standard scoring target like Figure 11 Target, Rubia Target, Pop-Up Targets. The robust and smart target Application software allows varying the Target ranges from 10 to 300 meters inside the container with different terrains. It also facilitates different types of exercises such as Grouping, Static, Timed Exercise and Annual Range Course or any other practices as desired by the user. It confirms displays the point of hit on the target with in an accuracy of 5 mm and its sensor have more than 99 percent accuracy to detect the fire correctly. ➢ **Simulated Range of Targets: -** The CTSR have provision/facility for projected target that they can be simulated for ranges up to 300 meters and thus actually practice shooters in applying the range on the weapon and aiming at that range. Point of hit automatically and accurately adjusted by the software.		
Firing Booths			
6.	CTSR have two independent firing booths with facility to fire from standing, kneeling and lying positions. The firing booths are acoustically treated by using rubber tiles allowing for easy cleaning of dust and lead by dry or wet cleaning methods. Each booth are equipped with Firing Booth Display Unit (FBDU), Interactive audio		

	interface to communicate with the instructor and CC Camera's to record the total firing session. Provision of suitable fresh Laminar air flow on each line to meet the range ventilation requirements is available. Each booth have independent doors equipped with toughened glass to monitor the firing practice by instructor from outside, which serves as entry, exit and emergency exit in case of any accident.		
Instructor Control Station and Firing Booth Display Unit			
7.	**Instructor Control Station:** It is a separate cabin of 10 feet length x 10 feet width x 10 feet height of standardised material Installed adjacent to the CTSR with door and window facility & glass fitted to the window. It is equipped with all necessary components given below and shall be monitored and operated by the range instructor. It is comprised of CPU, monitors, printer and communication equipment. The CPU is loaded with Master control software which enables the instructor to assign different firing practices to the firers. The software displays real time hits and records the complete data of each individual firer/session during firing. The instructor can monitor the live session of firers in monitors and can communicate with the firers by communication equipment to guide the firers. The Software instantly records all the data and enables the instructor to take the print out of the reports/documents and allows retrieving the stored data at any time to evaluate or perform any kind of analysis. It also provides corrective action to the trainee after firing.		
8.	**Firing Booth Display Unit (FBDU):** Each firing lane of CTSR is equipped with FBDU which enables the firer to monitor and control the targets and exercises in that lane. The FBDU is capable to perform the following activities:		

	i) Give shot location on the target. ii) Give possible score, aggregate score. iii) Indicate mean point of Impact. iv) Indicate type of exercise in progress. v) Show group size and MPI. vi) Furnishing "X" and "Y" coordinate of the shots. vii) Lane operation status. viii) Grouping and zeroing. ix) Zoom in and zoom out and panning of the target on the screen. x) Exercise replay.		
9.	**Tubes:** The tubes used in the CTSR are steel rolled of thickness 12 mm joined by SEAM welding process. The tubes are further processed to remove the dents and projected surfaces to eliminate the ricochet problem and have provision of Bullet Proofing.		
10.	**Bullet Containment Trap (BCT) (10' Length x 8' Width x 9'6" Height):** The ballistically tested total containment trap is made up of by using AR500 armour steel plates or better than this with Bullet Proofing provision and placed behind the target to collect all the bullets fired. The Deceleration Snail Trap manufactured in such a way to replace and reverse the primary impact plates to any position which increases the life of the system. The system is positioned in a 10 feet acoustically treated container with provision to easily enter and carry out target maintenance activities. The container is designed in such a way to quickly attach with the 40 feet CTSR container. The Deceleration Snail Trap is equipped with Ventilation system to collect the lead particles developed during the impact of bullets. There is provision so that the bullets after contacting the angular plates are guided into a Deceleration chamber where the velocity		

	of projectile shall be reduced to zero and collected at the tins provided at the bottom.		
11.	The bidders have to submit Ballistic test certificates of all necessary Bullet Proofing components of CTSR from any Authorised Govt. of India Organisation during Bidding.		
Safety			
12.	**Acoustic Reduction System:** Propernoise abatement of CTSR is carried out by using rubber tiles those withstands frequent cleaning and wet scrubbing with agents to remove and neutralize lead dust and un burnt propellants. The parameters like Peak impulse sound, 8 hours TWA noise level, reverberation time are maintained as per the NIOSH and OSHA noise standard (29 CFR 1910.95 (d) (e) (g) (h)). The characteristics of rubber tiles used are compliance to the following. i) The Acoustic foam is rated to class 1 (As per ASTM E84)/Class V0 or HF1 of UL-94. ii) NOISE Reduction Coefficient (NRC) of at least 0.75 as per ASTM C423-17. iii) Resistance to Fungal and Microbial Growth as per ASTM G21. iv) The rubber tile of fire retardant Class 1 of ASTM E84 or Class B2 OF DIN 4102 or Class 3 of BS476 Part 7:1997. v) Required certificate should be submitted by the bidder during Bidding. **Ear Muffs:** Electronic ear muffs are provided along with CTSR which are capable to cut off the noise levels exceeding the safe hearing limit (i.e. 85db) and amplify the sounds below 80db to audible level.		
13.	**Ventilation system:** The CTSR is equipped with suitable ventilation system to meet all the indoor firing range requirements as per NIOSH and		

	OSHA lead standard (29 CFR 1910.1025(j)). The ventilation system of CTSR provides 100% fresh air at firer end in laminar pattern with 10% of exceeded exhaust (As per the NIOSH, 1975). The Air flow at firing point and down the line is maintained in between 50-75 fpm as per the NIOSH standards. Filtration of the exhaust air are carried out by using 0.3 microns HEPA filters. A suitable mechanism is placed in the system to indicate when filter change is required. The range is maintained at a negative pressure of minimum 10 Pascal to eliminate the lead dust spreading out to the range circumstances. Required certificate is submitted by the bidder during Bidding.		
14.	**General Safety:** **i)** The system is equipped with indication light at firing booth to display the status of the range. **ii)** Each firer cabin is equipped with hooters to identify the position of stop butts. A warning message displays on the screen representing the status of stop butts and no target displays until all the equipment in the range positioned properly. **iii)** Provision of fire fighting equipment is available with the CTSR as per standard norms.		
15.	The L1 Bidder should provide Comprehensive AMC for 3 years for all the items available with Containerised Tubular Shooting Range (CTSR).		
16.	The Toll free No./Escalation matrix be submitted by the Bidder during bidding and the maintenance of the CTSR should be attended by the Engineer/Technician of the firm within 72 hours of registration of complaint.		
17.	The AMC for all Components of CTSR should be maintained half yearly by the L1 Bidder.		

	Apart from this, the L1 Bidder should attend any malfunction to make the CTSR functional within 72 hours.		
18.	The participating Bidder may visit the Containerised Tubular Shooting Range installed at SOG, Chandaka if required with proper authorisation and ID Proof.		
19.	The items of Containerised Tubular Shooting Range (Installed at SOG, Chandaka) to be covered under Comprehensive AMC are mentioned in Annexure - II.

Dear Sir,

Sub: Request For Proposal (RFP) for Selection of Agency for Comprehensive Annual Maintenance Contract for Containerized Tubular Shooting Range (CTSR) for Odisha Police

Ref.: RFP document No _____ dated _____

1) I/We hereby Submit a Declaration that The Tender Submitted by the undersigned, on Behalf of the Tenderer <Name of Bidder> and <Address of Bidder>, Shall not be withdrawn or modified during the period of validity or extended period of validity.

2) I/We, On behalf of the Tenderer <Name of Bidder> and <Address of Bidder>, also accept the fact that in case the Tender is withdrawn of modified during the period of its validity /extended validity period of if we fail to sign the contract in case the contract is awarded to us or we fail to submit a performance security and Additional Performance Security, If any, before the deadline fixed in the Tender Document, then <Name of Bidder> and <Address of Bidder>, will be debarred for participation in the tendering process for the procurements of this Entity for a period of One Year from the date of default.

To,
AIG of Police (Provisioning),
Odisha, Kataka

In line with the guidelines issued for compliance of Restrictions for Countries which share land border with India – as issued by Govt. of India in July'2020,

I/We have read the clause regarding restrictions on procurements from a bidder of a country which shares a land border with India and on sub-contracting to contractors from such countries.

a. I/We certify that this bidder is not from such a country or if from such a country has been registered with the competent authority. I hereby certify that this bidder fulfils all requirements in this regard and is eligible to be considered.
b. I/We certify that this bidder is not from such a country or if from such a country has been registered with the competent authority and will not sub-contract any work to a contractor from such countries unless such contractor is registered with the competent authority. I hereby certify that this bidder fulfils all requirements in this regard and is eligible to be considered*.(Applicable for works involving possibility of sub-contracting)

I/We hereby certify that I/We fulfil all requirements in this regard and am/are eligible to be considered.

Where applicable, evidence of a valid registration by the Competent Authority shall be attached]

Name and Signature of the Authorized Signatory

SECTION-VII: ANNEXURES

Annexure I: Model Bank Guarantee Format for Performance Security

(TO BE EXECUTED BY THE SUCCESSFUL BIDDER ONLY)

[Ref. Para 22(i)]

To

The A.I.G. of Police (Provisioning),
Odisha, Kataka.

WHEREAS.....(name and addressof the supplier) (here in after called "the supplier") has undertaking, in pursuance of contact no.....dated..... to supply.....(description of goods and services) (here in after called "the contract").

AND WHEREAS it has been stipulated by you in the said contract that the supplier shall furnish you with a bank guarantee by a scheduled commercial bank recognized by you for the sum specified therein as security for compliance with its obligation in accordance with the contract.

AND WHEREAS we have agreed to give the supplier such a bank guarantee;

NOW THEREFORE we hereby affirm that we are guarantors and responsible to you on behalf of the supplier, up to a total of(amount of the guarantee in words and figures)and we undertake to pay you, upon your first written demand declaring the supplier to be in default under the contract and without cavil or argument, any sum or sums within the limits of (amount of guarantee) as aforesaid, without your needing to prove or to show ground or reasons for your demand or the sum specified therein.

We hereby waive the necessity of your demanding the said debt from the supplier before presenting us with the demand.

We further agree that no change or addition to or other modification of the terms of the contract to be Performed there under or of any of the contract documents which may be made between you and the supplier shall in any way release us from any liability under this guarantee and we hereby waive notice of any such change, addition or modification.

This guarantee shall be valid until the .....day of .....20.....

We the .....Branch.....undertake not to revoke the guarantee during its currency except with the previous consent of the Odisha Police in writing.

We the .....Branch..... further agree that a mere demand by Odisha Police is sufficient for us ..... Branch at Bhubaneswar to pay the amount covered by the Bank Guarantee without reference to the Agency and protest by said Agency cannot be a valid ground for us ..... Branch to decline payment to Odisha Police.

(Signature of the authorized officer of the Bank)
.....
Name and designation of the officer
.....
.....
Seal, name & address of the Banks and address of the Branch

Annexure-II: Certificate for Prevention of Corruption Act / non Debarment Certificate

"I certify that I have not committed any offence-
(a) Under the Prevention of Corruption Act, 1988;
or
(b) The Indian Penal Code or any other law for the time being in force, for causing any loss of life or property or causing a threat to public health as part of execution of a public procurement contract.
(c) I have not been debarred by any Central / State Government Organization/Bodies for the last 3 years."

Signature with designation.

Please note that non-submission of this certificate will lead to disqualification.
