4.1. As per Works Department Office Memorandum No. 173 dated 03.01.2026 and clarification issued vide Works Department Office Memorandum No. 632 dated 09.01.2026, Additional Performance Security (APS) shall be taken on an incremental basis from the selected bidder for low bid prices in the project works as under:

- i. **Where the bid price is below 0% but not below 10% of the project cost put to bid:** No additional performance guarantee/security percentage is required.
- ii. **Where the bid price is below 10% but not below 20% of the project cost put to bid:** The additional performance guarantee/security percentage shall be incremented by 0.1% for every percentage of bid price below 10% of the project cost put to bid starting at 11% with the additional bid performance guarantee being 0.1% and this additional performance guarantee percentage shall be applied on the bid price.

Procuring Entity may, in such cases, seek written clarifications from the Bidder, including detailed price analyses of its Bid price in relation to scope, schedule, resource mobilization, allocation of risks and responsibilities, and any other requirements of the bid document., If, after evaluating the price analyses, the procuring entity determines that the Bidder has substantially failed to demonstrate its capability to deliver the contract at the offered price, the Procuring Entity may reject the Bid/ Proposal. However, it would not be advisable to fix a normative percentage below the estimated cost, which would automatically be considered as an abnormally low bid.

4.2. The successful bidder shall deposit the APS amount within **07 (seven) days** from the date of communication to the bidder. The Additional Performance Security should be in the form of Insurance Surety Bond, Account Payee Demand Draft, Fixed Deposit Receipt, Bank Guarantee including e-Bank Guarantee from any of Scheduled Commercial Bank or Online Payment; **in favour of Commissioner, Bhubaneswar Municipal Corporation, Bhubaneswar**. 7. For filling-up information in the Schedules, intending bidders may obtain editable soft copy of the Schedules from the tender inviting authority through e-mail.
8. The word/words 'authority' or 'tender inviting authority' or 'competent authority' mentioned in this DTCN shall imply the same meaning and entity and it also include its 'Assignees', 'Engineer-in-Charge' or 'Engineers-in-Charge'.
9. In case of any doubt or misinterpretation of any 'terminology' or 'sentence' or 'sentences' of this DTCN, raised by any bidder at any stage, clarification of the 'authority' on the same shall be final and binding upon the bidders. In case it is found/discovered by any bidder that the conditions/ clauses or a portion thereof in the DTCN are mutually inconsistent or repeated and clarification is sought for on the same, then clarification of the 'authority' in this regard shall be treated as final and binding upon the bidders. It is further clarified that the authority reserves the right to ask any bidder, after opening of the technical bid for any work, to submit legible copy(s) of any document

(if appeared to be illegible) and/or any other document in connection with its bid uploaded without assigning any reason thereof to any other bidder/entity. However, such a requirement by the authority should be complied with by the said bidder within such time, shape and manner as decided by the authority failing which, the bid documents of the said bidder will be treated as 'incomplete', 'non-responsive' and hence, it will be rejected accordingly followed by other action against the said bidder as deemed appropriate by the tender inviting authority.

10. During tender evaluation stage, if any written complaint is lodged before the authority against any bidder, it is clarified that merit of the complaint shall be based on and limited to the documentary evidence attached by the said complainant with its written allegation. Complaint(s) without appropriate documentary evidence may not bear any merit for consideration, decision, communication and response of the authority. The onus of supplementing the allegation with appropriate documentary evidence during lodging the complaint shall lie on the complainant itself. Such complaints should not be progressive from the same source / person / entity.
11. In such case(s), the successful bidder will have to remove the defective material(s) from the work site, dismantle the corresponding portion/ stretch/ segment of work done and dispose the same away from the work site forthwith as per direction of the authority. No payment for such defective materials and/or defective work and for removal/ dismantling of the same shall be made by the authority. The successful bidder shall have to procure materials as per required quality and

specifications in place of the poor quality materials (removed/ disposed from the work site by the successful bidder) and, reconstruct the parties/ segments/ stretches in place of the defective constructions (dismantled and disposed off from the work site by the successful bidder).
