ODISHA, BERHAMPUR.**

PROCEDURE TO PARTICIPATE IN ONLINE BIDDING e-PROCUREMENT

1. PARTICIPATING IN THE BID IN THE E-PROCUREMENT PORTAL: The Contractor/Bidder intending to participate in the bid is required to register in the Portal using his /her active personal/official e-mail ID as his Login ID and attach his/her valid Digital Signature Certificate (DSC) to his/her unique Login ID. The DSC used must be of appropriate class (Class II or Class III) issued from a registered Certifying Authority such as n-Code, Sify, TCS, MTNL etc. He/ She has to submit the relevant information as asked for about the firm/contractor. The portal registration of the bidder/ firm is to be authenticated by the State Procurement Cell after verification of original valid certificates/ documents such as (i) PAN and (II) Registration Certificate (RC)/ GST Registration Certificate and GSTIN (for procurement of goods) of the concerned bidder. The time period of validity in the portal is at par with validity of RC/ GST Registration Certificate and GSTIN. Any change of information by the bidder is to be re-authenticated by the State Procurement Cell. After successful authentication bidder can participate in the online bidding process.

Contractor not registered with Government of Odisha, can participate in the e-procurement after necessary enrolment in the portal but have to subsequently register themselves with the appropriate registering authority of the State Government before award of the work as per prevalent registration norms of the State.

a. To log on to the portal the Contractor/Bidder is required to type his/her *username* and password. *The system will again ask to* select the DSC and confirm it with the password of DSC. For each login, a user's DSC will be validated against its date of validity and also against the Certificate Revocation List (CRL) of respective CAs stored in system database. The system checks the unique ID, password and DSC combination and authenticates the login process for use of portal.

b. The tender documents uploaded by the Tender Inviting Officer in the website <https://tendersodisha.gov.in> will appear in the section of "Upcoming Tender" before the due date of tender sale. Once the due date has arrived, the tender will move to "Active Tender" Section of the *homepage*. Only a small notification will be published in the newspaper specifying the work details along with *mention* of the specific website for details. The publication of the tender will be for specific period of time till the last date of submission of bids as mentioned in the 'Invitation for Bid' after which the same will be removed from the list of Active tenders. Any bidder can view or download the bid documents from the web site.

c. Contractor exempted from payment of EMD will be able to participate in the tender directly by uploading documentary evidences towards his eligibility for such exemption.

d. The *software* application has the provision of payment of cost of tender document through payment gateways of *authorized* bankers by directly debiting the account of the bidders.

1.1. Furnishing scanned copy of such documents is mandatory along with the tender documents otherwise his/her bid shall be declared as non-responsive and thus liable for rejection. Bidders participating through Joint Venture shall declare the authorized

signatory through Memorandum of Understanding duly registered and enroll in the portal in the name and style of the joint venture company. It is mandatory that the DSC issued in the name of the authorized signatory is used in the portal.

1.2. In the case of any failure, malfunction, or breakdown of the electronic system used during the eprocurement process, the tender inviting officer shall not accept any responsibility for failures or breakdowns other than in those systems strictly within their own control.

1.3. Any third party/company/person under a service contract for operation of e-procurement system in the State or his/their subsidiaries or their parent companies shall be ineligible to participate in the procurement processes that are undertaken through the e-procurement system irrespective of who operates the system.

1.4. For submission of Bids through the E-Procurement Portal, the bidder shall up load the scanned copy/copies of document in prescribed format wherever warranted in support of eligibility criteria and qualification information. The on line bidder shall have to produce the original documents in support of the scanned copies and statements uploaded in the portal before the specified date as per DTCN.

1.5. Each bidder shall submit only one bid for one package. A bid is said to be complete if accompanied by cost of bid document and appropriate bid security. The system shall consider only the last bid submitted through the E-Procurement portal.

1.6. The bidder may ask question related to tender online in the e-procurement portal using his/her DSC, provided the questions are raised within the period of seeking clarification as mentioned in tender call notice/Bid. The Officer inviting the Bid/ Procurement Officer-Publisher will clarify queries related to the tender.

1.7. The details of drawings and documents pertaining to the works available with the officer inviting the

Bid as well as in the office of the Superintending Engineer and Executive Engineer as mentioned in the Contract Data will be open for inspection by the bidders. The bidder is required to down load all the documents for preparation of his bid. It is not necessary for the part of the Bidder to up-load other Bid documents (after signing) while up-loading his bid. He is required to up load documents related to his eligibility criteria and qualification information and Bill of Quantities duly filled in. It is assumed that while participating in the bid, the bidder has referred all the drawings and documents. Seeking any revision of rates or backing out of the bid claiming for not having referred to any or all documents provided in the Bid by the Officer Inviting the Bid will be construed as plea to disrupt the bidding process and in such cases the bid security shall be forfeited.

1.8. Any addendum / corrigendum/ cancellation of tender shall be published in the website <https://tendersodisha.gov.in>, notice board and through paper publication and such notice shall form part of the bidding documents.

1.8.1. The system generates a mail to those bidders who have already uploaded their tenders and those bidders if they wish can modify their tenders. The bidders are required to which the website till last date and time of bid submission for any addendum/ corrigendum/ cancellation thereof. Tender inviting authority is not responsible for communication failure of system generated mail.

All the volumes/documents shall be uploaded / provided in the portal by the Officer inviting the bid. The bidder shall carefully go through the document and prepare the required documents and upload the scanned documents in Portable Document Format to the portal in the designated locations of Technical Bid. He will fill up the rates of items or percentage in the BOQ downloaded for the work in designated Cell and uploads the same in designated locations of Financial Bid. Bidders are to submit only the original BoQ uploaded by publisher after entering the relevant fields without any alteration/deletion/modification. Multiple BoQ submission shall lead to cancellation of bid. In case of item rate tender, bidders shall fill in their rates other than Zero value in the specified cells. In the percentage rate tender, the bidder quoting Zero value is valid and will be taken as Schedule of Rates. Submission of document shall be effected by using DSC of appropriate class.

2. PAYMENT OF EMD/ BID SECURITY AND COST OF BID DOCUMENTS: The Bidder shall furnish, as part of his Bid, a Bid security for the amount mentioned under NIT/Contract Data in online mode. Non-submission of bid security within the designated period shall debar the bidder from participating in the on-line bidding system and his portal registration shall be cancelled. His name shall also be informed to the registering authority for cancellation of his registration.

2.1 The EMD or Bid Security payable along with the bid is 1% of the estimated contract value (ECV) or as mentioned in the bid document.

2.2 Deleted.

2.3 The tender accepting authority will verify the originals of all the scanned documents of the successful lowest bidder only within 5 days of opening of the tender (price bid). In the eventuality of failure on the part of the lowest successful bidder to produce the original documents, he will be debarred in future from participating in tender for 3 years and will be black listed by the competent authority. In such a situation, successful L-2 bidder will be required to produce his original documents for consideration of his tender at the negotiated rate equal to L1 bidder.

2.4 Contractor exempted from payment of EMD will be able to participate in the tender directly by uploading documentary evidences towards his eligibility for such exemption.

2.5 Government of Odisha has introduced e-payment gateway in to the portal for payment of cost of Bid and Bid Security/ Earnest Money Deposit. The process of using e-payment gateway is mentioned in the ***“Procedure for Electronic receipt, accounting and reporting of Cost of Tender Paper and Earnest Money Deposit on submission of bids”***. .

3. **FORMAT AND SIGNING OF BID:** (Logging to the Portal)-The Contractor/ Bidder is required to type his/her Login ID and Password. The system will again ask to select the DSC and confirm it with the password of DSC as a second stage authentication. For each login, a user's DSC will be validated against its date of validity and also against the Certificate Revocation List (CRL) of respective CAs stored in system database. The system checks the unique Login ID, Password and DSC combination and authenticates the login process for use of portal. The bidder can download the tender of his choice and save it in his system and undertake the necessary preparatory work off-line and upload the completed tender at his convenience within the final date and time of submission. The bidder shall only submit single copy of the required documents and Price Bid in the portal. In the Financial bid, the bidder can not leave any figure blank. He has to only write the figures, the words will be self generated. The Bidders are advised to up load the completed Bid document well ahead of the last date & time of receipt to avoid any last moment problem of power failures etc.

3.1. The Bidder shall go through the Bid carefully and list the documents those are asked for submission. He shall prepare all documents including Declaration form, price bid etc and store in the system.

3.2. The bidder shall log on to the portal with his DSC and move to the desired tender for up loading the documents in appropriate place one by one simultaneously checking the documents. Procedure for Electronic receipt, accounting and reporting of Cost of Tender Paper and Earnest Money Deposit on submission of bids

1. The State Government have formulated rules and procedures for Electronic receipt, accounting and reporting of the receipt- of Cost of Tender Paper and Earnest Money Deposit on submission of bids through the e-procurement portal of Government of Odisha i.e. "<https://tendersodisha.gov.in>".

2. Electronic receipt of cost of tender paper has been successfully tested through SBI payment gateway. Now it has been decided to introduce electronic receipt of **Cost of Tender Paper and Earnest Money Deposit on submission of bids** through payment gateway of designated banks such as SBI/ICICI Bank/HDFC Bank for all Government Departments, State PSUs. Statutory Corporations, Autonomous Bodies and Local Bodies etc. in phases (ANNEXURE-I). The process outline as well as accounting and reporting structure are indicated below :

a) It will be carried out through a single banking transaction by the bidder for multiple payments like **Cost of Tender Paper and Earnest Money Deposit on submission of bids**.

b) Various payment modes like Internet banking/ NEFT/RTGS of Designated Banks and their Aggregator Banks as well can be accessed by the intending bidders.

c) Reporting and accounting of the e-receipts will be made from a single source.

d) Credit of receipts into the Government accounts and to the designated Bank account of the participating entities indicated in Para 2 above would be faster.

3. Only those bidders who successfully remit their **Cost of Tender Paper and Earnest Money Deposit on submission of bids would be eligible to** participate in the tender/bid process. The bidders with pending or failure payment status shall not be able to submit their bid. Tender inviting authority, State Procurement Cell, NIC, the designated Banks shall not be held responsible for such pendency or failure.

4. Banking arrangement:

a) Designated Banks (SBI/ICICI Bank/HDFC Bank) payment gateway are being integrated with e-Procurement portal of Government of Odisha (<https://tendersodisha.gov.in>)

b) The Designated Banks participating in **Electronic receipt, accounting and reporting of Cost of Tender Paper and Earnest Money Deposit on submission of bids** will nominate a Focal Point Branch called e-FPB, who is authorized to collect and collate all e-Receipts. Each such branch will act as the Receiving branch and Focal Point Branch notwithstanding the fact that the bidder might have debited his account in any of the bank's branches while making payment.

5. Procedures of bid submission using electronic payment of tender paper cost and EMD by bidder:

a) Log on to e-Procurement Portal: The bidders have to log onto the Odisha e-Procurement portal(<https://tendersodisha.gov.in>) using his/her digital signature certificate and then search and then select the required active tender from the "Search Active Tender" option. Now, submit button can be clicked against the selected tender so that it comes to the "My Tenders" section.

b) Uploading of Prequalification/Technical/Financial bid: The bidders have to upload the required Prequalification /Technical/Financial bid, as mentioned in the bidding document and in line with Works Department office memorandum no.7885, dt.23.07.2013.

c) Electronic payment of tender paper cost and EMD: Then the bidders have to select and submit the bank name as available in the payment options i. A bidder shall make electronic payment using his/her internet banking enabled account with designated Banks or their aggregator banks. ii. A bidder having account in other Banks can make payment using NEFT/RTGS facility of designated Banks. Online NEFT/RTGS payment using internet banking of the bank in which the bidder holds his account, by adding the account number as mentioned in the challan as an interbank beneficiary.

d) Bid submission: Only after receipt of intimation at the e-Procurement portal regarding successful transaction by bidder the system will activate the 'Freeze Bid Submission' button to conclude the bid submission process.

e) System generated acknowledgement receipt for successful bid submission: System will generate an acknowledgement receipt for successful bid submission. The bidder should make a note of 'Bid ID' generated in the acknowledgement receipt for tracking their bid status.

6. Settlement of Cost of Tender Paper;

a) Cost of Tender Paper: In respect of Government receipts on account of **Cost of Tender Paper**, the e-Procurement portal shall generate a MIS for the State Procurement Cell (SPC). The MIS will contain an abstract of the cost of tender paper collected with reference to **Bid Identification Number**. The State Procurement Cell shall generate Bank-wise-head-wise challans separately for **Cost of Tender Paper** and instruct the designated Banks to remit the money to the State Government account under different heads. In respect of the cost of tender paper received through the e-procurement portal, the remittance to the Cyber Treasury account will be made to the Head of Account 0075-Misc, General Services-800-Other Receipts -0097-Misc. Receipts-02237-Cost of Tender Paper.

b) For the time being, the State Procurement Cell (SPC) will use over the counter payment facility of the Odisha Treasury portal. Thereafter, remittance through NEFT & RTGS will be facilitated through the Odisha Treasury portal.

c) Similarly, in case of State PSUs, Statutory Corporations, Autonomous Bodies and Local Bodies etc., **Cost of Tender Paper**, the e-Procurement portal shall generate a MIS for the State Procurement Cell (SPC). The MIS will contain an abstract of the cost of tender paper collected with reference to **Bid Identification Number**. The State Procurement Cell shall generate Bank-wise list of challans and instruct the designated Banks to remit the money through the Odisha Treasury portal. The cost of tender papers will be credited to the registered Bank account of the concerned State PSUs, Statutory Corporations, Autonomous Bodies and Local Bodies etc.

d) Bank will refund (in case the Tender Inviting Authority (TIA) issues such instructions) the tender fee, EMD to the bidder, in case the tender is cancelled before opening of Bid as per direction received from TIA through e-procurement system.

e) Back-end Transaction Matrix of Electronic receipt of Cost of Tender Paper and Earnest Money Deposit on submission of bids is enclosed in the Annexure.

7. Settlement of Earnest Money Deposit on submission of bids:

8. Forfeiture of EMD :

Forfeiture of **Earnest Money Deposit on submission of bid** of defaulting bidder is occasioned for various reasons.

a) In case the **Earnest Money Deposit on submission of bid** is forfeited, the e-Procurement portal will direct the Bank to transfer the EMD value from the Pooling Account of SPC to the registered account of the tender inviting authority.

b) The Tender inviting authorities of the Government Departments will deposit the forfeited **Earnest Money Deposit on submission of bid**, in the State Government Treasury under the appropriate head (8782-Cash Remittances and Adjustments between the officers rendering accounts to the same Accounts Officer-102-P.W. Remittances-1683-Remittances-91028-Remittances into Treasury) after taking the amount as a revenue receipt in their Cash Book under the head 0075-Misc. General Services-00-101 -Unclaimed Deposits-0097-Misc, Receipts-02080-Misc. Deposits and submit the detail account to DAG (Puri) as a deposit of the Division.

c) By clicking submit button, system will initiate the forfeiture of EMD. System will not allow the evaluator to edit the initiation after clicking the submit button. Forfeiture option can be carried out in phased manner like one bidder at a time.

9. Role of the Banks:

a) Make necessary provision / customizations at their end to enable the provision for online payments/ refunds as per this document.

b) Provide necessary real-time message to bidders regarding successful or unsuccessful transactions during online payment processes and redirect them to e-Procurement website with necessary transaction reference details enabling them to submit their bids.

c) The bank shall ensure transfer of funds from the pooling account to the Government Head/current account of PSUs/ULBs within the next bank working day as per the directions generated from e-Procurement portal.

d) Bank should provide timely reports and reference details to NIC enabling them to carry out their role as stated below.

e) Refund of amount to bidders as per the XML file provided by e-Procurement system on the next bank working day from the date of generation of the XML file and also provide a confirmation to NIC on the same.

10. Role of State Procurement Cell:

a) Communicate requirements of Government departments/ State PSUs/ Autonomous Bodies/ ULBs online payment requirements to National Informatics Centre / the authorised Banks for mapping/customization.

b) In every working day, the State Procurement Cell shall generate MIS from the e-Procurement portal to ascertain the tender paper cost received in the e-Tendering process separately bank-wise for the Government Department and the PSUs/ULBs. The SPC shall generate bank-wise separate online challans from the Odisha Treasury portal and make the remittance through over the counter facility or NEFT/RTGS (as and when this functionality is available in Treasury portal) and issue instruction to the bank for remittance of the receipt to the State Government account.

c) The State Procurement Cell shall be responsible for providing challan details and MIS in respect of the remittance towards tender paper cost to the Tender inviting authorities for their record.

d) State Procurement Cell shall monitor the progress of e-Tendering by different Government departments / State PSUs/ Autonomous Bodies / ULBs through an MIS. State Procurement Cell shall monitor and send monthly progress reports to the Government.

e) The e-Procurement system will generate a consolidated refund & settlement XML file as an end of the day activity.

f) e-procurement system will provide a web service for payment gateway (PG) provider to pull the encrypted refund and settlement details in XML file against a day.

g) Similarly, payment gateway (PG) provider will provide a web service to pull the refund and settlement status against a day.

h) e-procurement system will update the status accordingly for reconciliation report.

11. Role of National Informatics Centre :

- a) Customize e-Procurement software and web-pages of Government of Odisha(<https://tendersodisha.gov.in>) to enable the provision for electronic payment.
- b) The NIC, Odisha will modify / rectify the errors in electronic data relating to the Chart of Account.
- c) NIC will provide an interface to organisations to download the electronic receipt data.
- d) Enable automatic generation of daily XML files from e-Procurement system and ensure delivery of the same to the authorised Banks for enabling automatic refund/settlement of funds.
- e) NIC shall enable the e-Procurement portal to generate MIS as required for the State Procurement Cell in order to make remittance of the tender paper cost to the State Government account using the Odisha Treasury portal.

12. Role of Cyber Treasury :

- a) The cost of the tender paper deposited by the SPC using the Odisha Treasury Portal which will be accounted for by the Cyber Treasury and it shall submit the accounts to A.G (O) as per the established process.
- b) The Cyber Treasury will provide MIS as required to the SPC for the purpose of accounting and reconciliation of the electronic remittances made to the State Government account.

13. Redressal of Public grievances :

- a) The State Procurement Cell, Odisha, National Informatics Centre, Odisha and the e-FPB will have an effective procedure for dealing with, public complaint for e-Receipt related matters. In case, any mistake is detected by any of the stakeholders in reporting of receipt of tender paper cost and EMD, either suo moto or on being brought to its notice, the State Procurement Cell, Odisha, National Informatics Centre, Odisha unit, Cyber Treasury and the bank will promptly take steps for rectification. The e-Focal Point Branch of the participating Banks, National Informatics Centre, Odisha and the State Procurement Cell, Odisha will notify the contact number and address of the Help Desk for resolution of any dispute regarding e-Receipt.

14. Applicability and modification of existing rules / orders:

The modalities prescribed in this Office Memorandum for downloading of tender paper, submission and rejection of bid, acceptance of Bids as well as refund and forfeiture of earnest deposit will be applicable for electronic submission of bids through e-procurement portal. Existing provisions regulating cost of tender paper, earnest money deposit in OPWD Code and OGFR would stand modified to the extent prescribed.

15. These arrangements would be made effective after signing of MoU between the designated Banks and the State Procurement Cell, firming up of Banking arrangements and technical integration between designated Bank and e-Procurement Portal.

DTCN SECTION – III

GENERAL INSTRUCTIONS TO THE BIDDERS

1. BIDDERS TO THOROUGHLY AQUAINT THEMSELVES ABOUT THE TERMS AND CONDITIONS AND ELIGIBILITY CRITERIA BEFORE BIDDING:

To ensure healthy and genuinely competitive bidding for each Work and to ensure timely completion of each Work, selection of more responsible and sincere contractors with excellent track records are essential, so that, all the Works will be started and completed in competition to each other with respect to quality, quantity and time. Stringent action against any defaulter bidder for violation of any Terms & Conditions of the DTCN and / or Agreement (to be drawn) as well as for non-carrying out of the instructions of this office, which may be issued from time to time in greater interest of the Work at any Stage Starting from Opening of the Bids to Completion of the respective Work, are always on the cards and hence all the intending bidders are urged to be careful and committant. Each bidder is urged to understand and digest the noble and administrative purpose behind the terms and conditions before bidding to avoid future complicity.

2. TIMELY COMPLETION OF OFFICIAL FORMALITIES BY THE BIDDERS:

The intending bidders and all concerned should note that the Works mentioned in Annexure – ‘A’ are extremely Time-Bound Projects as per Central and State Govt. Guidelines and Instructions. The Stipulated Time Period to Complete Each Work is mentioned in Annexure – ‘A’. This Time Period will be reckoned from the Date of Issue of Work Order for the respective Work. But after opening of the Bids and before issue of Letter of Intent, each bidder will have to co-operate with this office promptly and instantly to fulfill certain essential official formalities, such as; submission and checking of original documents, negotiation and clarification on each bid, etc., so that minimum possible time (as desired by the Municipal Commissioner) is consumed in this process. From the Date of Issue of Letter of Intent to the Date of Issue of Work Order (both days inclusive) for each Work, there will be a maximum allowable Cushion Period of 15 days only during which each successful bidder will have to fulfill the official formalities to be mentioned in the Letter of Intent such as; submission of Original Contractor’s Registration Certificate, Empanelment Certificate and GST certificate, deposit of Balance Earnest Money, Additional Performance Security Deposit (APS) (if required), drawl of Agreement, etc. Similarly, after issue of Work Order, each successful bidder will have to take necessary steps, quickly and instantly, to the best satisfaction of this office, so as to complete the whole Work within the Stipulated Time.

3. VALIDITY OF THE BIDS TO BE SUBMITTED BY THE BIDDERS:

The bids to be received for each Work shall remain open for evaluation, processing and finalization for a period of 120 (One Hundred Twenty) days from the date of opening of the Bids. During this period, no bidder will be allowed to withdraw his/her/their tender/bid and/or will not be allowed to make any addition/alteration, modification in the physical, technical and financial terms and conditions of the submitted bid. Violation of this condition by any bidder will make his/her/their bid invalid irrespective of the stage of processing or status of the bid and in such a case EMD/ Bid Security furnished by the respective bidder will be forfeited with other follow-up actions against the bidder as deemed fit by this office.

4.EACH WORK IS INDEPENDENT AND UNIQUE :

Bids for different Works will have no bearing upon each other in any manner even if the bidder(s) is/are the same. Conditional Rebate Offer(s) submitted by any bidder(s) will not be taken into account at all and such bid(s) will either be rejected or evaluated, as if no Rebate(s) has been offered by the respective bidder(s). The bidders are urged not to offer any conditional bid and not to insist for evaluation and/or acceptance of any conditional offer(s). Each submitted bid will be dealt independently on its own merit. So, all the intending bidders are requested to submit the eligibility/qualifying documents, fill up the Bid Documents of each work independently and completely to make his/her/their bid valid for evaluation and further processing.

DTCN SECTION – IV

BERHAMPUR MUNICIPAL CORPORATION

GUIDELINES / PROCEDURE TO BE FOLLOWED FOR *e-procurement*

THROUGH GOVT. OF ORISSA PORTAL <https://tendersorissa.gov.in>

(APPLICABLE TO THE INTENDING BIDDERS AND ALL CONCERNED OF THIS OFFICE)

Works Department Office Memorandum No. File No.FA-R-3 /08 /1027 / W Dt.24-01-09 on “Guidelines / Procedure to be followed in introduction of *e-procurement* in Govt. of Orissa” have been modified with some minor and essential changes to suit the administrative requirements of this office without contravening any principle/guidelines/procedure enunciated in the said memorandum which would adversely affect the said *e-procurement* procedures and practices. The Notice Inviting Bids (NIB) and the Detailed Tender Call Notice (DTCN) / Bid Documents also contain some of the following points written and described in synonymous manner. Still, in case of any anomaly, confusion, doubt, etc., over any aspect related to this Guidelines / Procedure, NIB & DTCN, decision of this office will be final and binding on the intending bidders and all concerned.

- 1) This modified Guidelines/Procedure consist of the procedural requirements of *e-procurement* and shall be made a part of the Detailed Tender Call Notice (DTCN) / Bid Documents / Instruction to Bidders (ITB) for all ‘Work Tenders’ to be hosted in the State Govt. Portal.
- 2) The *e-procurement* Portal of the State Govt. is <https://tendersorissa.gov.in> through which the bidding activities shall be carried out.
- 3) Use of valid Digital Signature Certificate (DSC) of appropriate Class (Class II or Class III) issued from a Registered Certifying Authority (CA) as stipulated by Controller of Certifying Authorities (CCA), Govt. of India such as n-Code, Sify, TCS, MTNL, e-Mudhra, etc., is mandatory for all Users.
- 4) The DSCs issued to the Department/Office Users are valid for a period of two years only from the date of issue of the respective DSCs. All the Department/Office Users are responsible to revalidate their DSCs prior to expiry.
- 5) For all purpose, the Server Time displayed in the *e-procurement* Portal shall be the time to be followed by all the Users.
- 6) Govt. after careful consideration has decided to host all tenders costing Rs.20 lakhs or above **(For Urban Local Bodies of the State, this limit is Rs.2.00 lakh or above)** in the *e-procurement* Portal. This will be applicable across all Engineering Departments such as ; Works Department, Department of Water Resources, Rural Development Department and Housing & Urban Development Department. Govt. of Orissa also welcomes hosting of tenders by other Departments, Authorities, Corporations, Local Bodies, etc., of the State with prior approval from Information Technology Department. **(For all Urban Local Bodies of the State including this office, approval of IT Department has already been obtained by H & U.D. Dept., Govt. of Orissa).**
- 7) The *e-procurement* shall be operated compliant to the relevant provisions of OGFR/OPWD Code / Accounts Code / Government Statutes including the amendments brought from time to time to suit the requirements of the Best National Practice. **Besides, the ‘Rules and**

Regulations Governing the Process of Tender Invitation, Receipt, Evaluation, Approval, etc., applicable to this office as an Urban Local Body (ULB) will also be followed without adversely affecting the present *e-procurement* Guidelines, Principle, Procedure and Practices’.

- 8) Registration in the *e-procurement* Portal is without levy of any charge. But Govt. reserves the right to levy any charge for such value added services in future.
- 9) Intending & eligible bidders Registered under Govt. of Orissa through Appropriate Public Authority(s) in the required Classes to suit the respective Works can participate in this *e-procurement*(Bidding) process after necessary enrolment in the Portal. However, other categories of bidders can also participate provided they satisfy / fulfill the DTCN Terms & Conditions on Eligibility Criteria. For further details on Eligibility Criteria of the bidders, DTCN and this ‘Guidelines’ should be referred by the Intending Bidders.
- 10) For the Role Management; “Department” is the Administrative Department, “Organisation or Wing” is the Chief Engineer or highest Tender Accepting Authority or Equivalent Officer under the Administrative Department. **(For this Bid, it is the Municipal Commissioner, Berhampur Municipal Corporation)**, “Circle” is the Superintending Engineer or Equivalent Officer **(For this Bid, it is the City Engineer, Berhampur Municipal Corporation)**, “Division” is the Executive Engineer or Equivalent Officer **(For this Bid, it is the Executive Engineer, Berhampur Municipal Corporation)** and, “Sub-Division” is the Asst. Executive Engineer or Equivalent Officer **(For this Bid, it is the Asst. Executive Engineer, concerned, Berhampur Municipal Corporation)**.
- 11) The *e-procurement* Software assigns Role for operation of the module for specific function. The terminologies used in the Portal and their respective functions in the Software are as follows. The exact Role Assignment of the concerned Officers for different Works of this Tender/NIB will depend on the decision of the Procurement Officer – Publisher of this office (Officer Inviting the Tenders/Bids; the Municipal Commissioner, Berhampur Municipal Corporation) **(OIT)**.

- e. In case bids are invited for more than one package, the order for opening of the "Bid" shall be that in which they appear in the "Invitation for Bid".
- f. During bid opening, the sealed envelopes/covers received within the specified time schedule containing original financial instruments towards Cost of the Bid Documents and Bid Security and other essential /eligibility documents and optional/preferred documents will be opened and declared one by one by the Procurement Officer-Opener. However, the Procurement Officer-Opener shall continue opening of other documents, if he is satisfied about the appropriateness of the Cost of the Bid Documents and the Bid Security for each Work.
- g. Combined Bid Security for more than one Work is not acceptable. Similarly, no bidder should submit his/her/their documents for two or more Works in a single sealed cover/envelope. Violation of this condition by any bidder will render all the bids (for which the documents are furnished in a single sealed cover) liable for rejection. However, in such cases, decision of the OIT or the Procurement Officer-Publisher shall be final and binding on all concerned.

- h. The electronically submitted bids may be permitted to be opened by the pre-defined Bid Opening Officer(s) from his/her/their new location(s), if he/she/they is/are transferred after the issue of 'Notice Inviting the Bids' and before 'Bid Opening'. Further action on bid documents shall be taken by the new incumbent of the post.
20. **EVALUATION OF THE BIDS:**
- a. All the opened bids shall be Down-Loaded and printed for evaluation process. The Procurement Officer-Opener shall sign on each page of the documents Down-Loaded and furnish a certificate that the Tender/ Bid Documents, as available in the Portal for the respective Works have been Down-Loaded.
- b. The Procurement Officer-Evaluators shall take up evaluation of bids with respect to the eligibility/qualification documents and other information furnished subject to confirmation of the Bid Security by the issuing institutions.
- c. After receipt of satisfactory confirmation about the Bid Security received for each Work, each bidder may be asked in writing to clarify on the documents provided in the Technical Bid, if necessary, with respect to any doubt or illegible documents. The Officer Inviting Tender may ask for any other document of historical nature during Technical evaluation of the Tenders/Bids, provided in all such cases, furnishing of any document, in no way, alters the Bidder's Price Bid. Non-submission of legible documents may render the bid non-responsive.
- d. The bidders will respond in not more than 7 days from the date of issue of the clarification letter by this office, failing which the bid of the bidder will be evaluated on its own merit.
- e. Technical evaluation of all bids shall be carried out as per information furnished by the bidders. But evaluation of bids does not exonerate any bidder from checking his/her/their original documents by this office at later date. If any bidder is found to have misled the evaluation process through wrong information, action as per relevant clause of DTCN/Bid Documents shall be taken against the bidder.
- f. The Procurement Officer-Evaluator will evaluate the Technical Bids and finalize the List of Responsive Bidders (Technically).
- g. The Financial Bids of the Technically Responsive Bidders shall be opened on the Stipulated Date and Time of Opening. The Procurement Officer-Opener shall Log-In to the system in sequence and open the Financial Bids.
- i. The 'Financial Bids' of the 'Technically Responsive Bidders' only will be opened on the stipulated date and time in the presence of the bidders or their authorized representatives who wish to remain present.
- ii. The Responsive Bidders' Names, Bid Prices, Item-Wise Rates, Total Amount of Each Item, in case of Item Rate Tenders/Bids, and Percentage Above or Less in case of Percentage Rate Tenders/Bids, will be announced.
- iii. Procurement Officer-Opener shall sign on each page of the Down-Loaded BoQ and the Comparative Statement and furnish certificate to that respect for each Work.
- iv. Bidder(s) can witness principal activities and view the documents/ summary reports for any Work by logging to the Portal with his/her/their DSC from anywhere.

21. NEGOTIATION ON THE BIDS:

After opening of the Financial Bids, the OIT may ask the 1st and 2nd Lowest Bidders of each Work to produce the Originals of the Documents as mentioned in the DTCN. Both the bidders should respond promptly and instantly (within maximum allowable time to be intimated by the OIT) to avoid penalty and action. For examination, evaluation, and comparison of bids, the Officer Inviting the Bids (OIT) may, at his discretion, ask the 1st Lowest Bidder for clarification on his/her/their rates including reduction of rate/cost on negotiation and breakdown of unit rates.

22. NOTIFICATION OF AWARD AND SIGNING OF AGREEMENT:

a. The Officer Inviting the Tender (Municipal Commissioner, Berhampur Municipal Corporation) (OIT) shall intimate the successful bidder of each Work about acceptance of his/her/their bid/tender prior to expiry of the validity period of the Tender/Bid. Intimation may be given through Fax/e-mail/Telephone (if possible) in addition to the conventional system of sending Letter of Intent through Regd. Post or physically by the Messenger of this office (Optional and Limited to Berhampur Municipal Corporation Territory Jurisdiction). This Letter of Intent is a very important document and will contained many aspects of the Work/. Such a written statement of intimation is called 'Letter of Acceptance' or 'Letter of Intent' of each Work. In this letter, the Tender Accepting Authority will state the sum that the Officer Inviting the Tender (OIT) will pay the Contractor in consideration of the Execution and Completion of the Work by the Contractor/Successful Bidder. The letter will also contain the amount of Additional Performance Security (APS) to be deposited (if required). The issue of Letter of Acceptance/ Letter of Intent shall be treated as 'Closure of the Bidding Process and Commencement of the Contract' for the respective Work.

b. The Contractor/Successful Bidder for each Work, after furnishing the required ISD, Additional Performance Security (APS) (if required) in prescribed form, submission of balance documents and compliance of all the observations made in the Letter of Intent and after drawl of the Agreement, then, "Letter to Proceed" or "Work Order" shall be issued by the Engineer-in-Charge with copy thereof to the Procurement Officer-Publisher. The Procurement Officer-Publisher shall Up-Load the scanned copy of the Work Order into the Portal and declares the 'Bidding Process as Complete'.

DTCN SECTION - VI

CONDITIONS OF CONTRACT & AGREEMENT FORM **(APPLICABLE FOR BERHAMPUR MUNICIPAL CORPORATION)**

1. INSTRUCTION TO THE BIDDERS :

Each successful bidder will have to enter into an agreement with this office. The Standard Contract/Agreement Form prescribed by the Govt. and presently being adopted by the Line Engineering Departments for '**Percentage Rate Contract / Agreement**' (P₁ Agreement Form) has been changed / modified marginally to suit the organizational structure and Administrative Requirements of this office according to 'The Orissa Municipal Corporation Act, 2003', 'The Orissa Municipal Corporation Rules, 2004' and subsequent executive instructions received from H & U.D. Department, Govt. of Orissa till date on, "Invitation of Tenders, Signing of Agreements and Award of Works, etc." A sample format of the Contract/ Agreement Form (applicable for this office) has been appended to the DTCN in this section for thorough perusal of each intending bidder. The terms and conditions mentioned in this **Section-VI** may not be synchronous with the contents of **DTCN Sections - I to IV and VII to**

IX. If any difference is noticed / observed / found over any aspect / point / clause, then the information / instruction / terms and conditions mentioned in the **DTCN Sections - I to IX**, except **Section – VI**, will have over riding effect on the corresponding aspects and clauses of **DTCN Section – VI (this Section)**. Wherever required and / or found essential, **OPWD Code, Orissa Municipal Corporation Act, 2003 Orissa Municipal Corporation Rules, 2004** and other such **Govt. Statutes** as amended from time to time should be referred for **Guidance, Rules, Procedures and Practices**. Still, if any doubt arises or any clarification is required by any bidder, then the bidder is urged to request for the same in writing within the specified time as mentioned in the NIB and DTCN. (The Last Date and Time for Seeking and Furnishing Clarifications On-Line and Off-Line). In all such cases, decision of Berhampur Municipal Corporation communicated by the Municipal Commissioner shall be final and binding on the bidders and this office.

No objection/ suggestion/claim from anybody/ organization/bidder will be entertained and acceptable by this office regarding contents, terms and conditions of the Agreement Form, now or ever.

2. DRAWL OF MAIN AGREEMENT AND SUPPLEMENTARY AGREEMENT(S), IF ANY:

If found essential, at any stage after issue of Work Order and during progress of any Work, Supplementary Agreement(s) between the successful bidder and this office can be drawn at mutually agreed terms and conditions. This Supplementary Agreement(s) will be treated as an addendum to the Main Agreement and its terms and conditions, in no case, can override the terms and conditions of the DTCN/Bid Documents and the Main Agreement. The first page of each Agreement (Main / Supplementary) will have to be drawn on non-judicial stamp paper of worth Rs. 3/- or more (as per availability) and each extra page/ extended sheet/ continued page of the Agreement shall be a standard A 4 size white paper. However, no standard format of any Supplementary Agreement has been devised by this office and hence not appended to the DTCN. The format and terms and conditions of Supplementary Agreement(s) will vary from Work to Work and can be mutually decided between the successful bidder and this office. Drawl of Supplementary Agreement(s) cannot be forced upon either Parties of the Main Agreement and will neither be drawn nor will be mandatory if both the Parties do not agree to draw the same. But once

drawn, the Supplementary Agreement(s) will attain the statutory powers and authority similar to the Main Agreement. Violation of terms and conditions of the Supplementary Agreement(s) will be dealt in accordance with the conditions laid down / to be laid down in the Main Agreement, Supplementary Agreement(s) and the DTCN/ Bid Documents.

3. CONTRACT/AGREEMENT FORM:

A sample copy of the '**Percentage Rate Agreement Form**', applicable for this office is furnished below. But in any case, the Agreement / Contract, as a whole, is a systematic combination of many documents. It will consist of the documents mentioned in Para 3.5.27 of OPWD Code, Vol. I. It will also contain the complete Bid Documents furnished and submitted by the Successful Bidder. The Agreement Form duly filled in, negotiation letter (s), comparative / evaluation statement (s) and all such other document / financial instruments, as considered necessary by this office for inclusion in the Agreement / Contract, will also form a part of it. All the pages of the Agreement/ Contract should be properly filled up and completed, signed afresh (again, wherever necessary) using indelible ink (blue) by the Bidder (Authorised Signatory in case of Company / Firm / Joint Venture) and by the Municipal Commissioner on the same date in presence of each other in the office of Municipal Commissioner, Berhampur Municipal Corporation. The non-judicial stamp paper of worth Rs.3/- or above shall be purchased by the Bidder (in the name of the Organisation in case of Company / Firm / Joint Venture) on or before the date (as per prescribed limit) of drawl of the Agreement.

BERHAMPUR MUNICIPAL CORPORATION

PERCENTAGE RATE TENDER AND CONTRACT / AGREEMENT FOR WORK

NOTE : Schedule - XLV, Form No. 61 of Govt. of Orissa prescribed for Percentage Rate Agreements/Contracts is herewith changed/modified, marginally in accordance with Para 3.5.6., 3.5.22 & 3.5.27 of OPWD Code, Vol.-I and, Orissa Municipal Corporation Act, 2003, Section: 277, 278, 284, 633 & 693 (3), to suit the Organisational Structure and Administrative Requirements of Berhampur Municipal Corporation.

General Rules and Directions for Guidance of the Contractors

1. The works proposed for execution by contract will be notified in a form of invitation to tender pasted on the Notice Board hung-up in the office and signed by the competent authority. This notice will state the work to be carried out, the items and approximate quantities thereof as well as the date for submitting and opening the tenders and also the amount of earnest money to be deposited and amount of the initial security deposit to be deposited by the successful tenderer and the percentage, if any, to be deducted from bills. Copies of the specifications, designs and drawings and any other documents required in connection with the submission of tenders shall also be kept open for inspection by the contractor in the office inviting the tender during office hours.
2. In the event of tender being submitted by a firm it must be signed separately by each members thereof or in the event of the absence of any partner it must be signed on his behalf by a person holding a power of attorney authorising him to do so.
3. Receipt for payment made on account of work, when executed by a firm must also be signed by the several partners, except where the contractor are described in their tender as a firm in which case the receipt must be signed in the name of the firm by one of the partners or by some other persons having authority to give effectual receipts for the firm.
4. The memorandum of work tendered for and the memorandum of materials to be supplied by the Office Inviting the Tender and their issue rates shall be filled in and completed in the concerned office before the tender form is issued. If a form is issued to an intending tenderer without having been so filled in and completed, he shall request the office to have this done before delivery of his tender.
5. All contractors for the purpose of participation in tender have to deposit 1% of the bid amount as Earnest Money (EMD) on line only at the time of

submission of tender and another 2% of the bid amount at the time of drawl of agreement as Initial Security Deposit (ISD) in the following manner.

- i) Deposit Receipt of Schedule Bank,
- ii) KissanVikashPatra,
- iii) Post Office Saving Bank Account,
- iv) National Savings Certificate,
- v) Post Office Time Deposit Account,

Besides Earnest Money and Initial Security Deposits (EMD and ISD), Contractors of Super, Special, A & B Classes will be required to furnish Security Deposit (SD) by way of deduction from their bills at the rate of 5% of the gross amount of each bill whereas in case of C & D Class Contractors, such deduction will be made at the rate of 3% of the gross amount of each bill. Thus the total Security Deposits (SD) of the Contractors will be 7% for Super, Special A & B Class and 5% for C & D Class Contractors.

Provided that in case of tenders relating to externally aided projects / any other work of special nature, State Government may prescribe extra percentage towards Earnest Money Deposit (EMD) and Initial Security Deposit (ISD).

6. Any person who submits a tender shall fill up the usual printed forms stating at what rate he is willing to undertake each item of work. Incomplete tender and tenders which propose any alteration in the work specified in the said form of the invitation to tender, or which contain any other conditions of any sort, or omit to note the time within which the work can be finished or which are not accompanied by the required earnest money will be liable to rejection. No tender shall include offer for more than one work, but contractors who wish to tender for more than one work, shall submit separate tender for each work. The name of the work to which the tender relates, should be written on the envelop containing the tender.
7. The competent authority or his duly authorised assistant will open the tenders in the presence of any intending contractors who may be present at the time and may note down the rates of tenderers. In the event of tender being rejected the earnest money furnished therewith shall thereupon be returned to the tenderer.
8. The authority competent to accept the tender reserves the right of rejecting all or, any of the tenders without assigning any reason therefore.

In the event of a tender being selected for acceptance, the Authority / Officer, who opened the tenders will, if he is competent to accept the tender, inform the tenderer of the selected tender who shall thereupon sign copies of the specification and the other documents mentioned in Rule 1 and 4 for the purpose of identification and for his acceptance with the tender. The tenderer of the selected tenders shall also deposit the required amount of the security money (ISD) within the prescribed time. If the tenderer fails to deposit the required amount of the security money within the prescribed time, the Authority may reject the tender. If the **Officer Inviting the Tender (OIT)** is not competent to accept the tender himself / herself, he/she will inform the tenderer of the tender which he decides to recommend for acceptance. Such tenderer shall thereupon sign forthwith copies of the specifications and other documents mentioned in Rule 1 and 4. The tender with the specifications and other documents, signed by the tenderer will then be forwarded for acceptance to the competent authority. When a tender is selected for acceptance the tenderer shall deposit the required amount of the security money (ISD) and APS (if required). No tender shall be finally accepted until the required amount of the security money has been deposited.

9. Any balance of the security money outstanding after completion of the contract with the tenderer may be made up by deductions of 5% or 3%, as the case may be of the amount of each payment to be made to him under clause 6 of the Conditions of Contract of the Work.
10. When the tender has been selected for acceptance and the required amount of the security money has been deposited, the **OIT** shall scrutinize all pages of the form, item, rate, tender and contract for the work to see that the form has been properly filled up and signed by the contractor and signature witnessed. He shall then, accept the tender, if he is competent to do so or if he is not so competent, shall send the tender for acceptance to the authority competent to accept it.

CONDITIONS OF CONTRACT

Clause 1: All compensation or other sums of money payable to Berhampur Municipal Corporation by the contractor under the terms of this contract may be deducted from or paid by the sale of a sufficient part of his security deposit or from the interest arising there from, or from any sums which may be due or may become due to the contractor on any account whatsoever and in the event of his security deposit being reduced by reason of any such deduction or sale as aforesaid, the contractor shall within ten days thereafter make good in cash or Government Securities endorsed as aforesaid any sum or sums which may have been deducted from or raised by sale of the security deposit or any part thereof.

Clause 2(a): Compensation for Delay:

The time allowed for carrying out the work as entered in the tender shall be strictly observed by the contractor and shall be reckoned from the date on which the written order to commence the work is given to the contractor. The work shall throughout the stipulated period of the contract, be carried on with all due diligence (time being deemed to be of essence of the contract on the part of the contractor) and the contractor shall pay, as compensation, an amount equal to half percent on the amount of the estimated cost, if the whole work as shown by the tender for everyday that the work remains uncommenced, or unfinished after the proper dates (the work should not be considered finished until such date as this office shall certify as the date on which the work is finished after necessary rectification of defects as pointed out by the Engineer-in-Charge or his authorised Sub-Ordinate(s), are fully complied with by the contractor to the Engineer-in-Charge's satisfaction). And further, to ensure good progress during the execution of the work, the contractor shall be bound, in all cases in which the time allowed for any work exceeds one month, to complete one fourth of the whole of the work before one fourth of the whole time allowed under the contract has elapsed, one half of the

work, before one half of such time has elapsed and three fourth of work before three fourth of such time has elapsed, in the events of the contractor failing to comply with the conditions, he shall be liable to pay as compensation an amount equal to one-third percent on the said estimated cost of the whole work for everyday that the due quantity of work remains incomplete. Provided always that the entire amount of compensation to be paid under the provisions of this clause shall not exceed 10 percent of the estimated cost of the work as shown in the tender.

(b) If there are possibilities of exceeding this compensation amount as mentioned in clause (a) 10% of the estimated cost, or in any case in which under any clause or clauses of this contract, the contractor shall have rendered himself liable to pay compensation amounting to the whole of his security deposit in the hands of Berhampur Municipal Corporation (whether paid in full at a time or deducted by installment) the Engineer-in-Charge / Municipal Commissioner on behalf of Berhampur Municipal Corporation, Orissa shall have the power to adopt any of the following courses, as it may deem best suited to the interest of this office.

i) Rescission of Contract: To rescind the contract (of which rescission notice in writing to the contractor under the hands of the Municipal Commissioner shall be conclusive evidence) 20% of the value of the left over work will be realized from the contractor as penalty.

Contractor Remains Liable to Pay Compensation if Action not Taken Under Clause-1 :

In the event of above course being adopted by Berhampur Municipal Corporation, Orissa, the contractor shall have no claim to compensation for any loss sustained by him by reason of his having purchased or procured any materials, or entered into any engagement, or made any advances on account of or with a view to, the execution of the work or the performance of the contract. And in case the contract shall be rescinded under the provision aforesaid, the contractor shall not be entitled to recover or be paid any sum for any work thereto for actually performed under this contract, unless and until the Engineer-in-Charge/Municipal Commissioner shall have certified in writing the performance of such work and the value payable in respect thereof and the contractor shall only be entitled to be paid the value so certified.

ii) Security deposit of the contractor shall be refunded after one year from the date of completion of the work provided the final bill has been paid and defects, if any, rectified.

Clause 3: Power to Take Possession of or Require Removal or Sell Contractor's Plants:

In any case in which any of the powers, conferred upon by the Engineer-in-Charge/Municipal Commissioner by Clause 2 hereof, shall have become exercisable and the same shall not be exercised, the non-exercise thereof shall not constitute a waiver of any of the conditions hereof and such powers shall notwithstanding be exercisable. In the event of any future case of default by the contractor of which by any clause or clauses hereof, he is declared liable to pay compensation amounting to the whole of his security deposit, and the liability of the contractor for past and future compensation shall remain unaffected. In the event of the Engineer-in-Charge/Municipal Commissioner putting in force the powers vested with him under the preceding clauses may be, if he so desires, take possession of all or any tools, plants, materials and stores, in or upon the works, or the site thereof or belonging to the contractor, or procured by him and intended to be used for the execution of the work or any part thereof, paying or allowing for the same in the account at the contract rates or in case of these not being applicable, at current market rates to be certified by the Engineer-in-Charge/Municipal Commissioner whose certificate thereof shall be final, otherwise the Executive Engineer may send a notice in writing to the contractor or his clerk of the works, foreman or other authorised agent requires him to remove such tools, plants, materials or stores from the premises (within a time to be specified in such notice); and in the event of the contractor failing to comply with any such requisition, the Engineer-in-Charge/Municipal Commissioner may remove them at the contractor's expenses or sell them by auction or private sale on account of the contractor and at his risk in all respects, and the certificate of the Engineer-in-Charge/Municipal Commissioner as to the expense of any such removal and the amount of the proceeds and expenses of any such sale shall be final and conclusive against the contractor.

Clause 4: Extension of Time:

If the contractor shall desire an extension of time for completion of the work, on the ground of his having been unavoidably hindered in its execution or any other ground, he shall apply in writing to the Engineer-in-Charge/Municipal Commissioner within 30 days from the date of occurrence of the hindrance on account of which he/she/they desire(s) such extension as aforesaid and the Engineer-in-Charge/Municipal Commissioner shall, if in his opinion (which shall be final), that the grounds shown is/are reasonable, authorise such extension of time, if any, as may in his opinion, be necessary or proper. The Engineer-in-Charge / Municipal Commissioner shall, at the same time inform the contractor whether he claims compensation, if any, for delay.

Clause 5: Final Certificate :

On completion of the work, the contractor shall be furnished with a certificate by the Engineer-in-Charge/Municipal Commissioner of such completion, but no such certificate be given nor shall the work be considered to be completed until the contractor shall have removed from the area of the premises (to be distinctly marked by the Engineer-in-Charge/Municipal Commissioner in the site plan) on which the work shall be executed, all scaffolding, surplus materials and rubbish, and cleared off the dirt from wood work, doors, windows, walls, floors or other parts of any building in, upon or above which the work is to be executed or of which he may have had possession for the purpose of the execution thereof, nor until the work shall have been measured by the officers of this office in accordance with the rules, whose measurement shall be binding and conclusive against the contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish, and cleaning of dirt on or before the date fixed for the completion of the work, the Engineer-in-Charge/Municipal Commissioner may at the expense of the contractor remove such scaffolding, surplus materials and rubbish and dispose of the same as he thinks fit and clean off such dirt as aforesaid, and the contractor shall forthwith pay the amount of all expenses incurred and shall have no claim in respect of any such scaffolding or surplus materials as aforesaid, except for any sum actually realized by the sale thereof.

Sub-Clause to Clause 5: If in the opinion of the Engineer-in-Charge/Municipal Commissioner which shall be final and binding on the contractor, occupation or utilization of a portion of the work completed in no way interferes with the progress of rest of the work, the same may be occupied or utilized by Berhampur Municipal Corporation under the written order of the Engineer-in-Charge/Municipal Commissioner. This will not impede the right of the Engineer-in-Charge/Municipal Commissioner to get the defects, if any, rectified by the contractor at his/her/their own cost from the date of completion of the whole work, provided that the contractor will not be allowed any other compensation in the shape of extension of stipulated period or any other monetary compensation on account of such occupation or use.

Clause – 6 : Payment on Intermediate Certificate to be Regarded as Advance and Bill to be submitted monthly :

A bill shall be submitted by the contractor each month on or before the date fixed by the Engineer-in-Charge/Municipal Commissioner for all works executed in the previous month and the Engineer-in-Charge/Municipal Commissioner or his subordinates shall take the requisite measurements for the purpose of having the same verified and the claim, as far as admissible, adjusted, if possible, before the

expiry of Ten Days from the presentation of the bill. If the contractor does not submit the bill within the time fixed as aforesaid, the Engineer-in-Charge/Municipal Commissioner or his subordinates shall measure-up the said work in the presence of the contractor whose countersignature to the measurement list will be sufficient warrant, and the Engineer-in-Charge/Municipal Commissioner or his subordinate shall prepare bill(s) from such list which shall be binding on the contractor in all respects.

Provided that if any balance of the 10% security is outstanding from each such payment shall be deducted so much not exceeding 5% as may be necessary to make up the balance of the security. All such intermediate payments to the contractor shall be regarded as payments by way of advance against the final payment only and not as payments for works actually done and completed and shall not preclude the requiring of bad, unsound and imperfect or unskill full work to be removed and taken away and reconstructed or re-erected or be considered as an admission of the due performance of the Contract or any part thereof in any respect, or accrual of any claim nor shall it conclude, determine or effect in any way the powers of Engineer-in-Charge/Municipal Commissioner under these conditions or any of them as to the final settlement or adjustment of the accounts or otherwise, or in any other way vary or affect the contract. Bill for this work shall be prepared at the estimated rates for individual items only and the percentage excess/ less will be added / subtracted from the gross amount of the bill.

Clause – 7 : The final bill shall be prepared by the concerned officers of this office in accordance with the rules in the presence of the contractor within one month of the date fixed for completion of the work.

Clause – 8:Stores Supplied by this Office :

If the specifications or estimate of the work provides for the use of any special description of materials to be supplied from this office store, or if it is required that the contractor shall use certain stores to be provided by this office under the conditions of this contract (such materials and stores, and the price to be charged therefore as hereinafter mentioned being so far as practicable for the convenience of the contractor, but not so as, in any way, to control the meaning or effect of this contract are specified in the schedule or memorandum hereto annexed, the contractor shall be supplied with such materials and stores noted in the annexed schedule as are required from time to time to be used by him for the purpose of the contract only, and the value of the full quantity of materials and stores so supplied at the rates specified in the said schedule may be set off or deducted from any sums then due or thereafter to become due to the contractor under the contract or otherwise, or against or from the security deposit, or the proceeds of sale thereof, if the same is held in Government Securities, the same or a sufficient portion thereof

being in this case sold for the purpose. All materials supplied to the contractor shall remain the absolute property of this office and shall not on any account be removed from the site of the work and shall at all times be open to inspection by the Engineer-in-Charge/Municipal Commissioner. Any such materials unused and in perfectly good condition at the time of the completion or determination of the contract shall be returned to this office store, at the prevailing market rate or at the stock/issue rate, whichever is less, if by a notice in writing under his hand he shall so require, but the contractor shall not be entitled to return any such materials unless with such consent, and shall have no claim for compensation on account of any such materials so supplied to him as aforesaid being unused by him, or for any wastage in or damage to any such materials.

Clause - 8(a) : If a contractor removes any material or stock so supplied to him from the site of the work in contravention of the provision of this clause with a view to dispose off the same dishonestly, he shall, in addition to any other liability, civil or criminal arising out of this contract be liable to pay a penalty equivalent to five times the price of the said materials or stock, according to the stipulated rate. The penalty so imposed shall be recoverable from any sum that may be then, or at any time thereafter may become due to the contractor, or from his security deposit, or the proceeds of sale thereof.

Clause 8(b) : Owing to difficulty in obtaining certain materials in the open market this office may undertake to supply materials specified in the schedule hereto annexed. There may be delay in obtaining materials by this office and the contractor is therefore, required to keep himself in touch with the day to day position regarding the supply of materials from this office and to so adjust the progress of the work that their labour may not remain idle nor may there be any other claim due to or arising from delay in obtaining the materials.

It should be clearly understood that no monetary claim whatsoever shall be entertained by this office on account of delay in supplying materials. However, extension of time for completion of work can be granted on timely application by the contractor vide also Clause-4.

Note:- In this connection, all the Bidders are requested to please refer the DTCN Section - VII, Sl. No.13.

Clause - 9 : Work to be Executed in Accordance with Specifications, Drawings, and Orders, etc. :

The contractor shall execute the whole and every part of the work in the most substantial and workmanlike manner and both as regards materials and otherwise in every respect in strict accordance with the specifications. The contractor shall

also confirm exactly, fully and faithfully to the designs, and drawings and instructions in writing relating to the work signed by the Engineer-in-Charge/Municipal Commissioner and lodged in his office, and to which the contractor shall be entitled to have access at such office, for the purpose of inspection during office hours and the contractor shall, if he so require, be entitled at his own expenses to make or cause to be made copies of the specifications, and of all such designs, drawings and instructions as aforesaid.

Clause – 10 :Do Not Invalidate Contract, Extension of Time in Consequence of Alterations, Rates of the Items of the Work Not in the Estimate or Schedule of Rates of the District/State :

The Engineer-in-Charge/Municipal Commissioner shall have power to make any alterations or additions to the original specifications, drawings, designs and instructions that may appear to him necessary and advisable during the progress of work, and the contractor shall be bound to carry out the work in accordance with any instructions which may be given to him in writing signed by the Engineer-in-Charge/Municipal Commissioner and such alteration shall not invalidate the contract, and any additional work which the contractor may be directed to do in the manner above specified as part of the work shall be carried out by the contractor on the same conditions in all respects on which he agreed to do the main work, and at the same rates as are specified in the tender for the main work. The time for the completion of the work shall be extended in the proportion that the additional work bears to the original contract work and the certificate of the Engineer-in-Charge shall be conclusive as to such proportion. And, if the additional work includes any class of work, for which no rate is specified in this contract, then such class of work shall be carried out at the rates entered in the sanctioned schedule of rates of the locality during the period when the work is being carried on and if such last mentioned class of work is not entered in the schedule of rates of the District / State then the contractor shall within seven days of the date of his receipt of the order to carry out the work, inform the Engineer-in-Charge/Municipal Commissioner of the rate which it is his intention to charge for such class of work, and if the Engineer-in-Charge/Municipal Commissioner does not agree to this rate he shall by notice in writing be at liberty to cancel his order to carry out such class of work and arrange to carry it out in such manner as he may consider advisable.

No deviations from the specification stipulated in the contract or additional items of work shall ordinarily be carried-out by the contractor, nor shall any altered, additional or substituted work be carried out by him, unless the rates of the substituted, altered or additional items have been approved and fixed in writing by the Engineer-in-Charge/Municipal Commissioner.

The contractor shall be bound to submit his claim for any additional work done during any month on or before the 15th day of the following month

accompanied by a copy of the order in writing of the Engineer-in-Charge/Municipal Commissioner. For the additional work and that the contractor shall not be entitled to any payment in respect of such additional work if he fails to submit his claim within the aforesaid period.

Provided always that if the contractor shall commence work or incur any expenditure in regard thereof before the rates shall have been determined as lastly herein before mentioned, then in such case he shall only be entitled to be paid in respect of the work carried out or expenditure incurred by him prior to the date of the determination of the rate as aforesaid according to such rate as shall be fixed by the Engineer-in-Charge/Municipal Commissioner. In the event of a dispute, the decision of this office shall be final.

Clause - 11 :No Compensation for Alteration or Restriction of the Work to be Carried Out :

If at any time after the commencement of the work this office shall for any reason whatsoever not require the whole thereof as specified in the tender to be carried out, the Engineer-in-Charge/Municipal Commissioner shall give notice in writing of the fact to the contractor who shall have no claim to any payment or compensation whatsoever on account of any profit or advantage, which he might have derived from the execution of the work in full but which he did not derive in consequence of the full amount of the work not having been carried out, neither shall he have any claim for compensation by reason of any alterations having been made in the original specifications, drawings, designs and instructions which shall involve any curtailment of the work as originally contemplated.

Clause - 12 :Action and Compensation Payable in Case of Bad Work :

If it shall appear to the Engineer-in-Charge/Municipal Commissioner or his subordinate-in-charge(s) of the work that any work has been executed with unsound, imperfect or unskillful workmanship or with materials of any inferior description, or that any materials or articles provided by him for the execution of the work are unsound or of a quality inferior to that contracted for or otherwise not in accordance with the contract, the contractor, shall on demand in writing from the Engineer-in-Charge/Municipal Commissioner specifying the work, materials or articles complained of notwithstanding that the same may have been inadvertently passed, certified and paid for, forthwith rectify or remove and reconstruct the work so specified in whole or in part, as the case may require or as the case may be, remove the materials or articles so specified and provide other proper and suitable materials or articles at his own proper charge and cost, and in the event of his failing to do so within a period to be specified by the Engineer-in-Charge/Municipal Commissioner in his demand aforesaid, then the contractor shall be liable to pay compensation at the rate of one percent of the amount of the estimate for every day not exceeding ten days, while his failure to do so shall continue and in the case of any such failure the Engineer-in-Charge/Municipal Commissioner may rectify or

remove and re-execute the work or remove and replace with others, the materials or articles complained of as the case may be at the risk and expense in all respect of the contractor.

Clause - 13 :Work to be Open to Inspection, Contractor or Responsible Agent(s) to be Present during Inspection & Supervision :

All work under or in course of execution or executed in pursuance of the contract shall at all times be opened to the inspection and supervision of the Engineer-in-Charge/Municipal Commissioner and his subordinates and the contractor shall at all times during the usual working hours and at all other times at which reasonable notice of the intention of the Engineer-in-Charge/Municipal Commissioner or his subordinates to visit the Work shall have been given to the contractor either himself be present to receive orders and instructions, or have a responsible agent duly accredited in writing present for that purposes. Orders given to the contractor's agent shall be considered to have the same force as if they had been given to the contractor himself.

Clause - 14 :Notice to be Given Before Work is Covered-up :

The contractor shall give not less than five days notice in writing to Engineer-in-Charge/Municipal Commissioner or his subordinate-in-charge(s) of the work before covering-up or otherwise placing beyond the reach of measurement of any work in order that the same may be measured and correct dimensions thereof be taken before the same is so covered-up or placed beyond the reach of measurement, and shall not cover-up or place beyond the reach of measurement, any work without the consent in writing of the Engineer-in-Charge/Municipal Commissioner or his subordinate-in-charge(s) of the work and if any work shall be covered-up or placed beyond the reach of measurement without such notice having been given or consent obtained, the same shall be uncovered at the contractor's expenses, or in default thereof no payment or allowance shall be made for such work or the materials with which the same was executed.

Clause - 15 :Contractor Liable for Damage Done and for Imperfection for 12 Months After Issue of Completion Certificate :

If the contractor or his work people, or servants shall break, deface injure or destroy any part of building in which they may be working or any building, road fence, enclosure, or grass land or cultivated ground contiguous to the premises on which the work or any part of it is being executed or if any damages shall happen to the work while in progress, due to any cause whatsoever or any imperfection became apparent in it within 12 (twelve) months from the date of final certificate of its completion shall have been given by the Engineer-in-Charge/Municipal Commissioner, as aforesaid, the contractor shall make the same good at his own expense or in default, the Engineer-in-Charge/Municipal Commissioner may cause

the same to be made good by other workmen and deduct the expenses (of which the certificate of the Engineer-in-Charge/Municipal Commissioner shall be final) from any sums that may, then or at any time thereafter may become due to the contractor or from his security deposit or the proceeds of sale thereof, or of a sufficient portion thereof and the contractor shall be liable to pay any part of the expenses not so recovered by the Engineer-in-Charge/Municipal Commissioner.

Clause – 16 :Contractor to Supply Tools & Plants, Ladders, Scaffolding, etc., and Liable for Damages Arising from Non-Provision of Lights, Fencing, etc. :

The contractor shall supply, at his/her/their own cost all materials (except such special materials, if any as may in accordance with the contract be supplied from this office store), plants, tools, appliances, implements, ladders, cordage, tackle scaffolding and temporary works requisite or proper for the proper execution of the work whether original, altered or substituted, and whether included in the specifications or other documents forming part of the contract or referred to in these conditions or not or which may be necessary for the purpose of satisfying or complying with the requirements of the Engineer-in-Charge/Municipal Commissioner as to any matter as to which under these conditions he/she/they is/are entitled to be satisfied which he/she/they is/are entitled to require together with carriage therefore to and from the work the Contractor shall also supply without charge the requisite number of persons with the means and materials necessary for the purpose of setting out works, and counting, weighing and assisting in the measurement or examination at any time and from time to time of the work or materials. If the contractor fails to do so, the same may be provided by the Engineer-in-Charge/Municipal Commissioner at the expense of the contractor and the expenses may be deducted from any amount due to the contractor under the contract or from his/her/their security deposit or the proceeds of sale thereof, or of a sufficient portion thereof. The contractor shall also provide all necessary fencing and lights required to protect the public from accident, and shall be bound to bear the expenses of defence of every suit, action or other proceedings at law that may be brought by any person for injury sustained owing to neglect of the above precautions, and to pay any damages and cost which may be awarded in any such suit, action or proceedings, to any such person or which may with the consent of the contractor be paid to compromise any claim by any such person.

Clause – 17(a) : No female labour shall be employed within the limits of a cantonment. The contractor shall not employ for the purpose of this contract any person who is below the age of sixteen years and shall pay to each labourer for the work done by such labourer, wages not less than the wages paid for similar work in the neighbourhood.

The Engineer-in-Charge/Municipal Commissioner shall have the right to enquire into and decide any complaint alleging that the wages paid by the contractor to any labourer for the work done, by such labourer is less than the wages paid for similar work in the neighbourhood. The officer-in-charge of the work shall have the right to decide whether any labourer employed by the contractor is below the age of sixteen years and to refuse to allow any labourer whom he decided to be below the age of sixteen years to be employed by the contractor.

Explanation – Fair wages means wages whether for the time or piece work prescribed by the Works Department, Orissa provided that where higher rates have been prescribed under the Minimum Wages Act, 1948, wages at such higher rates would constitute Fair Wages.

Clause – 17(b) : Works to be Open to Inspection :

The contractor shall, if so required by the Engineer-in-Charge/Municipal Commissioner employ one or more Engineering Graduates or Diploma Holders as apprentices at his/her/their own cost, if the cost of the work as shown in the tender exceeds Rs.2,50,000/-. The apprentices will be selected by the Chief Engineer. The period of employment will commence within one month after the date of work order and would last till the date when 90% of the work is completed. The fair wages / stipend to be paid to the apprentices should not be less than Rs.2,000/- per month in the case of Graduate Engineers and less than Rs.1,800/- per month in case of Diploma Holders. The number of apprentices to be employed should be fixed by the Chief Engineer in a manner so that the total expenditure does not exceed 1% of the tendered cost of the work.

Clause – 17(c) : “Special Class Contractor” shall employ under him one graduate engineer and two diploma holders belonging to the State of Orissa, like wise “A” class contractor shall employ under him one graduate engineer or two diploma holders belonging to the State of Orissa. The employment of graduate engineer and diploma holders under the contractor shall be full time and continuous and they should not be superannuated, retired, dismissed or removed personnel from any State Govt. Service/Public Sector Undertaking/Private Companies/Central Government and firms or be ineligible for appointment to Govt. Service. The contractor shall pay them monthly emoluments which shall not be less than the emoluments of the personnel of equivalent qualification employed under the State Govt. of Orissa.

The Chief Engineer, Roads, Orissa may however assist the contractor with the names of such unemployed Graduate Engineers and/or Diploma Holders if such help is sought for by the contractor. The names of such engineering personnel appointed

by the contractor should be intimated to the tender receiving authority alongwith each tender as to who should be supervising the work on behalf of the Contractor.

Each bill of the "Special Class" or "A" Class Contractor shall be accompanied by an employment roll of the engineering personnel together with a certificate of the Graduate Engineers or Diploma Holders so employed by the contractor to the effect that the work executed as per the bill has been supervised by him.

Clause – 18 :Work Not to be Sub-let, Contract may be Rescinded and Security Deposit Forfeited for Sub-Letting, Bribing or if the Contractor Becomes Insolvent :

The contract shall not be assigned or sublet without the written approval of the Municipal Commissioner. If the contractor shall assign or sublet his / her / their contract or attempt to do so or become insolvent or commence any insolvency, proceedings or make any composition with his / her / their creditor or attempt to do so, or if any bribe, gratuity, gift, loan perquisite reward, or advantage pecuniary or otherwise, shall either directly or indirectly be given, promised, or offered by the contractor, or any of his servants or agents to any public officer or person in the employment of this office in any way relating to this office or employment, or if any such officer or person shall become in any way directly or indirectly interested in the contract, the Engineer-in-Charge / Municipal Commissioner may thereupon by notice in writing rescind the contract and the security deposit of the contractor shall there upon stand forfeited and be absolutely at the disposal of this office and the same consequences shall ensure as if the contract had been rescinded under the Clause – 2 hereof, and in addition, the contractor shall not be entitled to recover or be paid for any work thereto for actually performed under the contract.

Clause – 19 : Sum Payable by Way of Compensation to be Considered as Reasonable Compensation Without Reference to Actual Loss: All sums payable by way of compensation under any of these conditions shall be considered as reasonable compensation to be applied to the use of this office without reference to the actual loss or damage sustained and whether or not any damage shall have been sustained.

Clause – 20: Changes in Constitution of Firm: In the case of a tender by partners, any change in the constitution of the firm shall be forthwith notified by the contractor to the Engineer-in-Charge / Municipal Commissioner for his information.

In case of failure to notify the change in the constitution within fifteen days, the Engineer-in-Charge / Municipal Commissioner may by notice in writing rescind the contract and the security deposit of the contractor shall thereupon stand forfeited and be absolutely at the disposal of this office and the same consequences shall ensure as if the contract had been rescinded under Clause–2 hereof, and in

addition, the contractor shall not be entitled to recover or be paid for any works therefore actually performed under the contract.

Clause – 21: All works to be executed under the contract shall be executed under the direction and subject to the approval, in all respects, of this office and the Inspector of Local Works (ILW), Berhampur Municipal Corporation (C.E., P.H, Urban, Orissa, Bhubaneswar) for the time being who shall be entitled to direct at what point or points and in what manner they are to be commenced and from time to time carried on.

Clause – 22: Deleted as per Works Department Circular No.29449 Dt.24.12.1981

Clause – 23 :Lump Sum(s) in the Estimate: When the estimate on which a tender is made includes lump-sum(s) in respect of parts of work the contractor shall be entitled to payment in respect of the items of work involved or the part of the work in question at the same rates as are payable under this contract for such items, or if the part of the work in question is not, in the opinion of the Engineer-in-Charge / Municipal Commissioner, capable of measurement, the Engineer-in-Charge / Municipal Commissioner may at his discretion pay the lump-sum amount(s) entered in the estimate, and the certificate in writing of the Engineer-in-Charge / Municipal Commissioner shall be final and conclusive against the contractor with regard to any sum or sums payable to the Contractor under the provisions of this clause.

Clause – 24: Action Where No Specifications: In the case any class of work for which there is no such specifications as is mentioned in Rule – I, such work shall be carried out in accordance with the Circle Specifications and in the event of there being no Circle Specifications, then in such case the work shall be carried out in all respects in accordance with the instructions and requirements of the Engineer-in-Charge / Municipal Commissioner.

Clause – 25 : Definition of Work: The Expression, “Work” or “Works” where used in these conditions shall, unless there be something either in the subject or context repugnant to such construction, be construed and taken to mean the works by or by virtue of the contract, contracted to be executed, whether temporary or permanent and whether original, altered, substituted or additional.

Clause – 26 : This office shall be entitled to recover in full from the contractor any amount the this office may be liable to pay under Workman’s compensation Act VIII of 1923 to any workmen employed in course of execution of any part of the work covered by these contract.

Clause – 27 : That for the purpose of jurisdiction in the event of dispute, if any, the contract should be deemed to have been entered into within the State of Orissa and it is agreed that neither Party to the contract or agreement will be competent to

bring a suit in regard to the matters covered in this contract at any place outside the State of Orissa.

Clause – 28 : The department will have the right to inspect the scaffolding and centering made in the work and can reject partly or fully such structure if found defective in their opinion.

Clause – 29 : Sanitary arrangements will be made by the contractor at his / her / their own cost for his labour camp.

Clause – 30 : The Contractor shall bear all taxes including Sales Tax (GST), Income Tax, Royalty, Labour Cess, etc., Fair Weather Charges, Tollage, etc., where necessary.

Clause – 31(a) :

(i) If during the progress of the work, the price of any material (excluding the cost of steel, cement and bitumen) incorporated in the work (not being materials supplied from this office store in accordance with Clause – 8 hereof) increases or decreases as a result of increase or decrease in the average wholesale price index (all commodities), and the contractor there upon necessarily and properly pays in respect of those materials (incorporated in the work), such increased or decreased price, then he shall be entitled to reimburse or liable to refund, quarterly as the case may be, such an amount as shall be equivalent to the plus or minus difference of 75% in between the average wholesale price index (all commodities) which is operational for the quarter under consideration and that operated for the quarter in which the tender was opened, as per the formula indicated below provided that the work has been carried out within the stipulated time or extension thereof, as are not attributed to the Contractor.

Formula to calculate the increase or decrease in the price of the materials.

$$V_m = \frac{0.75 \times P_m}{100} \times \frac{R(i - i_0)}{i_0}$$

V_m = Increase or decrease in the cost of work during the quarter under consideration due to changes in the rates of materials.

R = The value of work done in rupees during the quarter under consideration

i_0 = The average wholesale price index (all commodities) for the quarter in which the tender was opened (as published in RBI Bulletin) from time to time

i = The average wholesale price index (all commodities) for the quarter under consideration.

P_m = Percentage of Materials Component as per Sub-Clause of this Clause of

the item.

(ii) Increase / decrease of cost of steel, cement and bitumen are to be reimbursed/liable to be refunded with prior approval of Government as follows :

Where original contract period is one year and above, increase/decrease of cost of Steel, Cement & Bitumen are to be paid/recovered. Payments in case of increase are to be made with prior approval of Government when the total claim is more than Rs.50,000/- and with prior approval of the Corporation when the claim is up to Rs.50,000/-. Recovery in case of decrease shall be made by this office from the Contractor, immediately. The cost shall be determined as follows.

1. Steel – Rate as Fixed by Steel Authority of India Ltd. (SAIL)
2. Cement – Average Factory Price of Three Manufacturer of Cement Inside the State of Orissa.
3. Bitumen – Rate as Fixed by Indian Oil Corporation (IOC)

(iii) Where original contract period is more than six months & below one year, increase/decrease in cost of Steel, Cement & Bitumen are to be paid/recovered. Payments in case of increase are to be made with prior approval of Government when the total claim is more than Rs.50,000/- and with prior approval of the Corporation when the claim is up to Rs.50,000/- subject to fulfillment of the conditions mentioned below. The cost shall be determined as follows.

1. Steel – Rate as Fixed by Steel Authority of India Ltd. (SAIL)
Cement – Average Factory Price of Three Manufacturer of Cement Inside the State of Orissa.
Bitumen – Rate as Fixed by Indian Oil Corporation (IOC)
2. Cost of the project should be more than Rs.50.00 lakhs. However, the differential cost on such materials may be paid to the Contractors after deducting the hike percentage amount in the tender for those materials from the calculated amount of differential cost.
3. Contractors have to submit the vouchers showing procurement from authorized dealer (s) for the said work within 28 days before utilization of Steel, Cement & Bitumen.
4. Differential cost will be allowed only for the original agreement period but not for the extended period even though it might have been validly extended.
5. Differential cost will be allowed only after successful completion of the work as per the approved work programme.
6. Recovery in case of decrease shall be made by this office from the Contractor, immediately.

Clause-31 (b) Similarly, if during the progress of work, the wages of labour increase or decrease as a result of increase or decrease in the Minimum Wages of Labour Prescribed by the State Government, and the Contractor thereupon necessarily and properly pays in respect of labour engaged on execution of the work such increased or decreased wages, then he shall be entitled to reimbursement or liable to refund, quarterly as the case may be, such an amount as shall be equivalent to the plus or minus difference in between the Minimum Wages of Labour which is operating for the quarter under consideration and that operated for the quarter in which the tender was opened as per the formula indicated below, provided that the work has been carried out within the stipulated time or extension thereof as are not attributable to the Contractor.

Formula to calculate the increase or decrease in the cost of labour :-

$$V_L = \frac{0.75 \times P_L \times R (i-i_0)}{100 \quad i_0}$$

- V_L = Increase or decrease in the cost of work during the quarter under consideration due to changes in the rates of labour.
- R = The value of work done in rupees during the quarter under consideration
- i_0 = Minimum Wages of Labour as prevailed during the quarter in which the tender was opened.
- i = Minimum Wages of Labour prevailed during the quarter under consideration.
- P_L = Percentage of Labour Component as per Sub-Clause of this Clause

Price adjustment and reimbursement of claim for escalation on labour under Clause 31(b) will be applicable only if there is any increase or decrease in the minimum wages as fixed by the State Govt. from time to time.

Clause - 31(c) Similarly, if during the progress of work, the price of petrol, oil and lubricants (Diesel being the representative item for price adjustment) increase or decrease as a result of the price fixed thereof by the Govt. of India and the contractor there upon necessarily and properly pays such increased or decreased price towards petrol, oil and lubricants used on execution of the work, then he shall be entitled to reimbursement or liable to refund, quarterly, as the case may be, such an amount as shall be equivalent to the plus or minus difference between the price of POL which is operating for the quarter under consideration and that operated for the quarter in which the tender was opened as per the formula indicated below provided that the work has been carried out within the stipulated time or extension, thereof as are not attributable to the Contractor.

Formula to calculate the increase or decrease in the price of the POL.

$$K_1 = \frac{0.75}{100} \times K_2 \times R \times \frac{(D_2 - D_1)}{D_1}$$

K_1 = Increase or decrease in the cost of work during the quarter under consideration due to changes in the price of POL.

R = The value of work done in rupees during the quarter under consideration.

D_1 = The average price per liter of diesel which was fixed by the Govt. of India during the quarter in which the tender was opened.

D_2 = The average price per liter of diesel which is fixed during the quarter under consideration.

K_2 = Percentage of POL Component as per sub-clause of this clause.

Clause - 31(d) The following shall be the percentage of materials, labour and POL component for reimbursement / refund on variation in price of materials, labour and POL as per sub-clause (a) (b) and (c) of this clause.

Category of Works	Contractor's Supply			Departmental Supply of Materials
	% of Materials	% of Labour	% of POL	
Irrigation Works				
(a) Structural Works	20%	30%	5%	45%
(b) Earth Works				
(c) Canal Works	20%	60%	5%	15%
(d) Embankment Works, etc.				
R & B Works				
(a) Bridge Works	20%	30%	5%	45%
(b) Road Works	45%	40%	5%	10%
(c) Building Works	30%	30%	5%	35%

* Where brick is supplied by the department it should be 20% instead of 30%.

Clause - 31(e): Reimbursement / refund on variation in price of materials, labour and POL as per sub-clause (a), (b) and (c) of this clause shall be applicable only in respect of contract of stipulated completion period more than six months provided that the work has been carried out within the stipulated time or extension thereof as are not attributable to the Contractor. However, where the original contractual period is less than or equal to six months but subsequently it has been validly extended escalation clause shall be applicable only for the balance portion of work

to be executed beyond six months provided the delay is not attributable to the contractor.

“In terms of the aforesaid escalation clause, where the period for completion of the work as stipulated in the agreement is less than or equal to six months, no escalation is admissible. However, the contractor has to arrange PRR/Vibrator/Concrete Mixer/Tar Boiler, etc., whatsoever required for the work and delay in execution and completion of the work on the plea of departmental non-supply of any materials/ machineries/ tools and plants will not be acceptable by this office.
- b)** No material will ordinarily be supplied by this office. On the other hand, the cost of empty cement bags and empty bitumen drums (as applicable) will be deducted from the contractor's bill(s) found payable to him/her/them. Paint and other such materials, available in minor quantities in this office Store may be issued to the intending contractor (in order to exhaust the Store), at this office stock/issue rate(s) of the respective material(s). However, this condition is not binding on the contractor. Any intending bidder, desirous to know more or want to obtain more information on this aspect, can seek **On-Line**

clarifications or get it physically or through post from this office and in all such case, the time limit shall be as mentioned in the DTCN **(the last date and time for seeking and furnishing clarifications both On-Line and Off-Line).**

14. RECTIFICATION OF DEFECTS AND GUARANTEE PERIOD:

Defect liability period is 12 (twelve) months from the date of preliminary acceptance, by this Office, of the whole Work as **“Completed”**. During this period, the Contractor shall replace the defective materials, if any, or rectify the construction defect(s), if any, at his own cost within stipulated time period(s) as per direction of Engineer-in-Charge/Municipal Commissioner.

On receipt of notice and/or instruction from the Engineer-in-Charge/Municipal Commissioner, the Contractor will have to rectify the defect(s) within the stipulated period (s) at his/her/their own cost. If the defect(s) is/are not rectified within the stipulated period, the Engineer-in-Charge/Municipal Commissioner shall assess the cost, get the defect(s) rectified and recover the cost (s) from the contractor by adopting any procedure considered suitable for this Office.

15. RELEASE OF SECURITY DEPOSITS AFTER DEDUCTION OF RECOVERIES, IF ANY:

The Performance Security Deposits (PSD) or the Security Deposits (SD), deducted and withheld from the bill(s) other than interim security deposits / withheld amounts (if any), will be considered for release after one year (1 year) **(Guarantee Period / Defect Liability Period)** from the date of completion of the work (as recorded in the Final Bill) provided Final Bill has been paid and defects, if any, observed and intimated to the contractor during the **Guarantee Period / Defect Liability Period** have been successfully

rectified within the stipulated periods as per direction of Engineer-in-Charge / Municipal Commissioner. The total EMD & ISD amount of 2% of the agreement value deposited before signing the agreement will be considered for release after L.F. Audit checking subject to no recovery detected by the L.F. Audit. If any excess or undue payment is found to have been made to the contractor as detected by This Office/Other Designated Authority(s) or Agency(s) / A.G. Audit / L.F. Audit, the same shall be recovered from the Contractor by adopting any procedure found suitable for this office. For all such purposes, completion of L.F. Audit shall be treated as the **‘Last Checking Process’**. Other actions as per recommendations / observations of each designated checking / verifying authority (S) and / or Recoveries, if suggested, shall be taken and made by this office immediately after each such stage of checking / verification. The contractor shall have no option but to abide by this condition at all stages / steps till the Checking Processes are Completed. Each bidder

should not that completion of L.F. Audit process may take 6 years minimum from the date of completion of the Work (Completion Date as recorded in the Final Bill). Normally, recoveries / deductions, as applicable and found essential, within one year (during Defect Liability Period / Guarantee Period) from the date of completion of the work, will be effected first from the available PSD or SD amounts of the contractor retained / withheld by this office from each bill of the contractor for the work. After such deductions / recoveries are completed within the said period of 1 (One) year, the balance amount of the PSD / SD, if available, will be considered for release immediately in conformity with the condition at Sl. No./ Clause 14 above. In case, the available amount of PSD / SD, after complies of the condition at Sl. No./ Clause 14 above (if any), is not sufficient to meet the suggested recoveries as mentioned above, then the balance amount shall be recovered from the 2% amount (EMD and ISD put together) retained and available with this office. After causing such recoveries, balance amount (if found payable) will be released subsequently. In case, the retained 2% amount is not sufficient to make up the suggested balance recovery amount, then action as appropriate will be taken by this office to recover the same from the contractor from any amount found payable to him / her / them by this office or by resorting to other procedures as deemed fit.

16. CESS :

One percent (1%) of gross amount of each bill (running or final) of the Contractor (Successful Bidder) will be recovered towards Cess for the Welfare of the Building & Other Construction Workers (Regulation and Employment and Conditions of Service) Act, 1996, as enforced vide Govt. of Orissa, Labour & Employment Department Resolution No. LL-I-(iii)-25/07- 12653, dt. 15.12.2008. The said amounts, after deduction, shall be remitted / deposited by this office in favour of Orissa Building and Other Construction Workers Welfare Board, Orissa.

17. INTEREST & SUBSIDIARY CLAIMS:

Under no circumstances, interest money of any amount will be payable to any Bidder, whether Successful or Unsuccessful for any reason whatsoever. Similarly, claim(s) of any kind and/or of any magnitude for reasons of consequential and/or subsidiaries in nature(s) will not be entertained/accepted by this office.

18. CONTRACTOR DYING, BECOMING INSOLVENT, INSANE OR IMPRISONED:

(a) IN CASE OF SUCCESSFUL BIDDERS:

In the event of death, insanity, insolvency and imprisonment of the contractor or the contractor, being a partnership firm, becomes dissolved or, being a corporation, goes into liquidation, the contract may be terminated by notice in writing posted at the site of work

and advertised in one issue of the local newspaper and all acceptable works shall be paid for after recovering all the amounts payable by the contractor to this office there from at appropriate percentage rate to/from the person or persons entitled to receive and give dishonor-age for the transaction/process.

(b) **IN CASE OF NON-SUCCESSFUL BIDDERS:**

In case of Non-Successful Bidders undergone through any of the above events, the rules and procedures prescribed by Govt. of Orissa will be final and binding on all concerned.

19. REMOVAL OF CONTRACTOR'S MEN:

The contractor shall, immediately and instantly, on the written instruction of the Engineer-in-Charge/Municipal Commissioner, remove from the work site, any person(s) employed/engaged by the Contractor for the reasons to be intimated by this office to the Contractor. Such person(s) shall not be employed again in the work without written permission of the Engineer-in-Charge/Municipal Commissioner.

20. RESOLUTION OF DISPUTES AND LEGAL JURISDICTION:

Claims and disputes should be avoided as far as possible in conformity with the Terms and Conditions of the DTCN. If the nature of any claim or dispute in connection with the Work and the Contractor is found to be beyond the purview/domain/contents of the DTCN and/or cannot be solved mutually then the matter shall be referred to the Corporation Body of this Office either through any of its Standing Committee, legally empowered to deal with such matters, or directly for a thorough discussion and deliberation over the claim / dispute (s). The Corporation Body, if feels genuine and proper in accordance with the relevant rules and regulations, may come-up with a Resolution (s) over the claim / dispute (s) referred to it. In normal cases, decision of the Corporation Body to be communicated to the concerned bidder by the Municipal Commissioner in shape of a Resolution (s) shall be binding upon / acceptable by the bidder. If none of the above options are either exercised or exercisable, then;

- i) These claims are to be settled by a Civil Court of Competent Jurisdiction by way of Civil Suit.
- ii) The pendency of Civil Suit proceedings shall not dis-entitle Berhampur Municipal Corporation, to terminate the Contract and to make alternative arrangement for completion of the work unless otherwise prevented by any Court from exercising any such power or adopting any such alternative by this Office.

- iii) For the purpose of legal jurisdiction in the event of dispute(s), if any, Competent Court(s) located within the State of Orissa shall be treated as the legal boundary/ jurisdiction unless otherwise directed by the Apex Court of India.

21. BONUS FOR EARLY COMPLETION:

In case the contractor completes the work ahead of the Scheduled Completion Time, a bonus @ 1% (One Percent) of the tender value per month computed on day basis, shall be payable to the contractor subject to a maximum limit of 2% (Two Percent) of the tendered value. The amount of bonus, if payable, shall be paid alongwith final bill after completion of the work.

The Bonus/ Incentive should be paid in respect of any individual project for new construction/ substantial or additional improvement works of the following minimum value for which the Bonus/ Incentive is applicable :

<u>Name of Work</u>	<u>Minimum Value</u>

2. Road Work	Rs. 300.00 Lakhs
3. Irrigation Works	Rs.1000.00 Lakhs

Incentive will be paid with approval of next higher authority of tender accepting authority on completion of original work before original time schedule.

NOTE : The Work, for which Tenders/Bids have been invited in this Notice, will not be covered under the above Incentive Clause/Condition/Provision because the Work involves Integrated Construction Works and hence Separate Work Orders will not be Issued for the Constituent Components of the Work such as ; Building, Water Supply, Road, Drainage, Sewerage, etc.

22. FORCE MAJEURE :

Neither the Contractor nor the Engineer-in-Charge/Municipal Commissioner shall be considered in default in delayed performance of its obligation if such performance is prevented or delayed because of the events such as; hostility(s), revolution, civil commotion, epidemic, accident, fire, cyclone, flood, earthquake or because of any law and order proclamation, regulations or ordinance of the Government thereof or because of any act of God or for any cause beyond reasonable control of the party affected. Should one or both the parties be prevented from fulfilling their contractual obligations a state of force majeure lasting continuously for a period of 6 months, the two parties shall consult each

other regarding the future of the Contract and work together for mutual settlement of the Contract.

23. VARIATION IN QUANTITIES AND RATES:

- a) Execution of the quantities will not be allowed to be varied by more than 5% on higher side without prior approval of competent authority in respect of the items for which the accepted tender rate(s) is / are more than 25% excess over the corresponding estimated rate(s).
- b) In the event of any item (s) of the Work for which the contractor has quoted rate(s) which is / are grossly below the corresponding estimated rate(s) or (CSR) for that item (s), the difference between the amounts corresponding to the estimated rate (s) or (CSR) and this grossly less quoted rate (s) for the stipulated quantity (s) of the work to be executed by the contractor shall be kept withheld from the payment due to the contractor until such time as the execution of said item (s) of the work is / are completed in all respects by the contractor to full satisfaction of the Engineer-in-Charge / Municipal Commissioner.

NOTE: The above Condition No.23 is not applicable for Percentage Rate / Lump-Sum / Turn-Key Contracts.

24. UNILATERAL STOPPAGE OF WORK:

Unilateral Stoppage of the Work by the Contractor without prior written permission from the Engineer-in-Charge/Municipal Commissioner will be considered as Breach of Contract and in such a case(s), Berhampur Municipal Corporation reserves the right to take such actions as it may deem fit.

25. CONTRACTORS ARE PUBLIC SERVANTS:

In accordance with the Orissa Municipal Corporation Act, 2003, Section 633, every Person/Contractor, with whom the Municipal Commissioner or any Officer of Berhampur Municipal Corporation duly authorized by the Municipal Commissioner, has entered into any Contract/Agreement on behalf of the Corporation, in the performance of his duty or anything which he is empowered or required to do by virtue or in consequence of provisions of this Act or any bye-laws, rule or order made thereunder, shall deemed to be Public Servants within the meaning of Section 21 of Indian Penal Code (IPC), 1860 (45 of 1860).

26. BLACK LISTING OF ANY CONTRACTOR :

Any Contractor may be Black Listed as per amendment made to Appendix - XXXIV of OPWD Code Vol. - II on 'Rules for Black Listing of Contractors' vide Letter No.3365 Dt.01.03.2007 of

Still, if any doubt arises or any clarification is required by anybody over any such aspect of this DTCN, then the same will be promptly provided upon written request either Off-Line or On-Line till the last date and time mentioned in the DTCN (for seeking and furnishing clarifications).

2. SCOPE OF THE WORK :

The bidders desirous to get /obtain the detailed estimate of the work are requested to contact this office physically and apply for the same to the Municipal Commissioner, Berhampur Municipal Corporation. They will be provided with copies of the estimates and other documents related to the work and this tender, as available in this office, on payment of requisite cost for Printing, Xeroxing, etc. No correspondence, dispute, claim, etc., in any manner on this aspect will be entertained by this office, specially, with respect to time, contents and the charges for issue of copies of the documents. Such an option will be available to all concerned till the Last Date and Time for Seeking and Furnishing Clarification as mentioned in the NIB and DTCN.

3. SPECIFICATIONS TO BE FOLLOWED:

Standard specifications prescribed for Civil and Public Health Engineering Works shall be followed. However, in all cases, decision of this office (direction of the Engineer-in-Charge / Municipal Commissioner) will prevail / have over riding effect. The Bidders are requested to note that, the 'Description of Items of the Work' mentioned in the 'Schedule of Quantities' attached to the 'Financial Bid' are indicative only but not exhaustive. Detailed description of the items are available in this office. These details can be provided in similar manner and under similar terms and conditions mentioned in Sl. No.2 above.

4. SITE CLEARANCE:

The work site, either in whole or as per requirement, for the purpose of alignment and demarcation, shall be cleared and levelled by the Contractor. The Contractor has to supply necessary labour, materials, tools and plants for fixing benchmark pillars/ alignment pillars/ alignment pegs, levelling and profiling the site and maintaining the same till completion of the work. This office will help and guide the Contractor for lay-out works and no payment for this purpose will be admissible. Similarly, after the work is finished or completed, the surplus materials and debris are to be removed by the Contractor and preliminary works such as vats, mixing platforms, level pillars, temporary sheds and Go-downs, etc., are to be dismantled and/or removed from the site. The construction / work site should be cleared and dressed properly as per direction of Engineer-in-Charge/Municipal Commissioner. After the work is completed in all respects as per the contract including the above site clearance works, the Contractor shall vacate the site with his/her/their man power, materials, tools and plants within one month from the date of completion of the work after making good the damages, if any caused to the work within that one month interval between completion of the work and leaving and vacating the site.

5. IDLE LABOUR :

The Contractor should keep himself in touch with the Engineer-in-Charge/Municipal Commissioner for smooth execution of the work and arrange adequate labor depending on the quality, quantity, sequence, time of execution and working space available at the site. No claim, whatsoever, for detention/ idle labour will be entertained by this Office.

6. STATUTORY OBLIGATIONS OF THE CONTRACTOR:

- (a) The Contractor shall have to arrange water for drinking, sanitation and construction purposes at the site, power supply (Electricity or Like) required for the Work at his/ her/ their own cost. This Office does not assume any responsibility in this regard.
- (b) Gangway, scaffolding or any such arrangements required for the work are to be provided by the contractor at his/her/their own cost as per direction of the Engineer-in-Charge/Municipal Commissioner. This Office will have the right to inspect such arrangements made for the work and may reject partly or fully the structures found defective in opinion of the Engineer-in-Charge./Municipal Commissioner. In spite of that, the Contractor shall always remain solely responsible for safety of life and property of all concerned including this office, of the Contractor, of the Adjoining Areas for any direct

adverse effects possible due to defective working infrastructure set-up arranged / provided by the Contractor at the site.

7. DEVIATION IN QUANTITIES AND/OR ITEMS OF THE WORK:

This Office reserves the right to make such increase or decrease in quantity(s) or item(s) of the Work mentioned in the Schedule of Quantities (BOQ) attached to the DTCN, as may be considered necessary for satisfactory completion of the Work and such increase or decrease shall in no way invalidate/ vitiate the **Approved Percentage Rate/Approved Item Rate(s)** (as applicable). The contractor shall not be entitled for any compensation on this account except grant of extension of time, where considered necessary.

8. TESTING OF THE MATERIALS, CONCRETE, ETC:

During execution of Work, the contractor shall do everything in time required for testing of the materials, components, items (as applicable), as per requirements and as per direction of Engineer-in-Charge/Municipal Commissioner. No payment and/or claim on this account will be admissible by this office. In this connection, the Contractor shall submit sample(s) of the materials (Quantity to be decided by this Office) proposed to be used for the work before procurement for testing, acceptance/approval as may be required by this Office. The materials and work (in whole or in part) will be inspected by the Engineer-in-Charge / Municipal Commissioner or any other person duly authorized by him from time to time. It is the duty of the contractor to dismantle / remove all the rejected materials / portions of the work from the site within 48 hours of such rejection at his own risk and cost. The contractor will have to undertake a few tests and will have to produce test certificates of the raw materials and finished products at his own cost and within the specified time periods as per direction of Engineer-in-Charge. The organisations/ offices/ agencies through which testing works are to be carried out shall be as per the direction of Engineer-in-Charge.

9. DEWATERING:

The materials at the sites shall be stacked or placed in such a manner so as not to cause any danger or inconvenience to any life or property. The Contractor shall provide necessary barricading and lighting arrangements (from dusk to dawn) to protect the public from any possible accident and shall be bound to bear all expenses of defence or any suit action or other proceedings at law that may be brought by any person(s) for owing to negligence on part of the Contractor in respect of the above precautionary measures and to pay any compensation which may be ordered in any such suit action.

The contractor shall take every precaution so as not to cause any harm/ damage to any life and property of anybody / organization. The Contractor will be solely responsible for any such event and will be liable to pay compensation and do everything required as per relevant Rules and Provisions made by the concerned Wing(s) of the State and Central Govt. in this regard. This Office will not take any responsibility on this account.

11. SITE ORDER BOOK:

A Site Order Book shall be issued to the Contractor by the Engineer-in-Charge/Municipal Commissioner. The Contractor shall keep this Book always at the site and any special order or instruction to be issued to the Contractor shall be recorded in this Book by the Engineer-in-Charge/Municipal Commissioner. The Contractor shall sign all orders and instructions as token of acknowledgements of the orders. The Site Order Book shall be the property of this Office and will remain, during the stipulated/extended work completion period, with the Contractor. The safe custody of the Site Order Book during this period shall be the responsibility of the Contractor. After completion of the work, or at any stage before that as per instructions/orders of Engineer-in-Charge/Municipal Commissioner, the Book shall be submitted by the contractor in Office until further instruction/order. In normal cases, after

completion of the work to full satisfaction of the Engineer-in-Charge/Municipal Commissioner, the Site Order Book shall be declared as **Complete and Closed** with dated signature of the Contractor and the Engineer-in-Charge/Municipal Commissioner. This **Completed/Closed Site Order Book shall be a part of the Final Bill of the Work .**

12. ATTENTION TO URGENT WORKS:

If any urgent work in the opinion of Engineer-in-Charge/Municipal Commissioner becomes necessary to be executed and the contractor is/are unable and unwilling to carry it out at once / immediately, the Engineer-in-Charge/Municipal Commissioner may, by his own or through other agency(s), carry it out, as he may consider necessary. All expenses incurred in this process(s) shall be recoverable from the Contractor or be adjusted against any sum payable to the Contractor.

13. RESCISSION OF CONTRACT:

Subject to other provisions contained in this DTCN, the Municipal Commissioner of this office may, without prejudice to any other right(s) or remedy(s) available to him against the contractor in respect of any delay, inferior workmanship, any claims for damages and/or any other provisions of this contract or otherwise, and whether the date of completion has or has not elapsed, rescind the contract in any of the following cases:

If the contractor, having been notified by the Engineer-in-Charge / Municipal Commissioner in writing to rectify, reconstruct or replace any defective work or that the work is being performed in an inefficient or otherwise improper or un-workmen like manner, or the starting / progress / completion of the work is being inordinately delayed, shall omit to comply with the requirements of such notice (s) for a period of seven days thereafter.
