1. It is mandatory to furnish scan copies of following valid documents with the tender and the original of which should be produce for verification before the time scheduled for opening of the tender failing which the tender shall be rejected.

(A) Mandatory document to be uploaded:-

- (i) Contractor license
- (ii) PAN Card
- (iii) GST registration
- (iv) Affidavit to the effect that the Contractor is not related to any official/ councilor of Badabil Municipality. If the fact subsequently proofed to be false, the Contract is liable to be rejected.
- (v) Experience on execution of similar nature of work in Government organization/ Govt. PSU only.
- (vi) The tenderer must submit the documents of required Tools and Plants for execution of the works. If the tenderer shall carry the machineries on hire charges basis, he must submit the affidavit/agreement of the owner of machineries in support otherwise the department reserve the right to reject his tender.

(B) Document to be submitted after issue of work order:-

- (i) Labour license
 - (ii) EPF Registration
2. The bidder who has not deposited the APS money after intimation for earlier tender of this Office will be rejected.
 3. No letter should accompany the tender.
 4. The work is to be completed in all respect within schedule time. Tenderer whose tender is accepted must submit a programme of work immediately after issue of the work order for the approval of Engineer-in-charge.
 5. The tenderers shall carefully study the specifications applicable to a contract and all the documents will form a part of the agreement to be entered into by the accepted tenderer and detailed specifications and other relevant specifications in estimate, which are available. Complaint at a future date that specifications have not been seen cannot be entertained.
 6. Every tenderer is expected before quoting his rate to inspect the proposed site, quarries and satisfy himself about the rates, royalty & other taxes and quality and availability of the materials. In every case, materials must comply with the relevant specifications. Complaint at a future date that rates and availability of materials have been misjudged cannot be entertained.
 7. No payment will be made for layout, bench mark level, pillars, profiles and benching and leveling the ground required, which has to be carried out by the contractor at his own cost. The rate to be quoted should be for finished items of works inclusive of carriage of all materials and all incidental items of work.
 8. After the work is finished all surplus materials should be removed from the site of work, preliminary works such as mixing platform etc. should be dismantled and all materials removed from the sites and premises left neat and this should be inclusive in the rates.
 9. It should be understood clearly that no claim whatsoever will be entertained in regards to extra item of the work or extra quantity of the items besides estimated amount. A written order must be obtained from the responsible officer of Municipality before the extra items of works or extra item quantity of any item of work is taken up and rate settled for extra item of work and necessary supplement agreement for the same is drawn up where ever necessary.
 10. GST, rent, royalties, cess and other charges of materials, octroi and all other taxes including sales tax, ferry tolls, conveyance charges and other cost on account of land and buildings including temporary building required by the tenderer for collection of materials storage, housing of staff or other purpose of the work are to be borne by the contractors at his own cost. No rent will be payable to Govt. for temporary occupation of land owned by Govt. at the site of the work for bonafide use of the land for work.
 11. Royalty and other taxes as applicable will be recovered from each bill as notified by Govt. from time to time.

12. Labour camps or huts necessary to a suitable scale including conveyance and sanitary arrangements therein to the satisfaction of the local health authorities.
13. Suitable water supply including pipe water supply where available for the staff labour as well as for the works should be provided by the contractor at his own cost.
14. Fees and dues levied by Municipal, electric or water supply authorities will be borne by the contractor.
