# OTHER TERMS AND CONDITIONS

1. No letter should accompany the tender.
2. The work is to be completed in all respect within schedule time. Tenderer whose tender is accepted must submit a programmed of work immediately after issue of the work order for the approval of Engineer-in-charge.
3. The tenderers shall carefully study the specifications applicable to a contract and all the documents will form a part of the agreement to be entered into by the accepted tenderer and detailed specifications and other relevant specifications in estimate, which are available. Complaint at a future date that specifications have not been seen cannot be entertained.
4. Every tenderer is expected before quoting his rate to inspect the proposed site, quarries and satisfy himself about the rates, royalty & other taxes with quality and availability of the materials. In every case, materials must comply with the relevant specifications. Complaint at a future date that rates and availability of materials have been misjudged cannot be entertained.
5. No payment will be made for layout, bench mark level, pillars, profiles and benching and leveling the ground required, which has to be carried out by the contractor at his own cost. The rate to be quoted should be for finished items of works inclusive of carriage of all materials and all incidental items of work.
6. After the work is finished , all surplus materials should be removed from the site of work, preliminary works such as mixing platform etc. should be dismantled and all materials removed from the sites and premises left neat and no extra payment will be made in this regard.
7. It should be understood clearly that no claim whatsoever will be entertained in regards to extra item of the work or extra quantity of the items besides estimated amount. A written order must be obtained from the responsible officer of Municipality before the extra items of works or extra item quantity of any item of work is taken up and rate settled for extra item of work and necessary supplement agreement for the same is drawn up where ever necessary.
8. GST, rent, royalties, cess and other charges of materials, octroi and all other taxes including sales tax, ferry tolls, conveyance charges and other cost on account of land and buildings including temporary building required by the tenderer for collection of materials storage, housing of staff or other purpose of the work are to be borne by the contractors at his own cost. No rent will be payable to Govt. for temporary occupation of land owned by Govt. at the site of the work for bonafide use of the land for work.
9. Royalty and other taxes as applicable will be recovered from each bill as notified by Govt. from time to time.
10. Labour camps or huts necessary to a suitable scale including conveyance , Drinking water facility and sanitary arrangements therein to the satisfaction of the local health authorities.
11. Suitable water supply including pipe water supply etc. are to made available for the staff labour as well as for the works should be provided by the contractor at his own cost.
12. Fees and dues levied by Municipal, electric or water supply authorities will be borne by the contractor.
13. Suitable equipment and wearing apparatus for the labour engaged in risky operations should be provided by the Contractor at his own cost .
14. Suitable fencing, barriers, signals and electric signals may be provided where necessary at work and approaches in order to protect the public and employees from accident.

15. The contractor will be responsible for all sort of compensation including cost of any suit for injury to persons or property due to neglect of any precautions also sum which may become payable due to operation of the workmen compensation act.
16. The contractor has to arrange adequate lighting arrangements for the works wherever necessary at his own cost.
17. The Deptt. will have the right to inspect for the work and can reject partly or fully such works if found defective in their opinion. The tenderer has all responsibility to make the work convenient so as to meet the specification made in the estimate.
18. Bitumen/Concrete should be machine mixed unless and other wise ordered in writing by the Executive Officer. The contractor should arrange his own Tool and plants like mixer, pumps,Vibrators etc for this purpose at his own cost.
19. The contractor will be responsible for loss or damaged of any departmental materials during transit in the execution of work due to reasons what so ever and the cost of such materials will be recovered from the bills at stock issue rates or market rates whichever is higher.
20. It must be clearly understood that under no circumstances any interest is chargeable for the dues or additional dues if any payable for the work executed of final bill pending disposal due to any reason thereof.
21. No extra payment will be made for removing, spreading, and consolidating salvaged materials.
22. In the event of any particular items of the work which the contractor has quoted rate, which are grossly below the corresponding estimated rates or (CSR) for the particular item , the difference between the amount according to the estimated cost or ( CSR ) rate and the grossly under quoted rate for quantity of work to be executed by the contractor shall be kept withheld from the payment of the contractor until the work completed in all respect to the full satisfaction of the Engineer-in-charge.
23. The department have the right to inspect all the scaffolding, centering, shuttering work and can reject partly or fully if found defective their opinion.

24. Standard co-efficient for linear measurement will be adopted while calculating consumption of materials and no claim whatsoever regarding difference of materials will be entertained. The rates quoted shall be inclusive of any eventually of difference for co-efficient for linear measurement.

25. No advance will be paid to the contractor during the course of execution of the work. If the department felt necessary, the running bill will be paid to the contractor after deduction of 10% of the work executed by him as on date . Further, the contractor failed to complete the work in time penalty must be imposed against the contractor @ 1% of the estimated cost per month or as per rule.
26. All materials to be used for mortar/mixture should be measured is standard measurement unit.
27. Specimen of concrete to be used for structural work should be taken is cube mould as per IS specification and in case of road works samples will be collected from the finished work by cutting core for testing. The testing of the cubes/cores and other materials should be done in Govt. laboratory or laboratories approved by Govt. The cost for testing and collecting of samples for the purpose should be payable by the contractor and the test report should be furnished to the Executive Officer.
28. All tender received will remain valid for period of 90 days from the date of receipt of tender.

29. Payment will be made subject to availability of funds.
30. As per the Works Department Letter No.5310 / Dtd.2.5.2009 and Letter No.5140 / Dtd.28.04.2009, Labour Cess @ 1% (one percentage) of the total cost of construction will be deducted from the bill of the contractor. Hence Contractors are requested to quote their rate accordingly.
31. The Defect liability period is 3 ( Three years ) in case of the work is under MSVY scheme to ensure qualitative workmanship and the security will be released after completion of maintenance period . In Addition that 10 % Security deposit including (2% towards initial Security Deposit ( EMD+ISD ) + 3 % Security Deposit + 5 % withheld to be deducted from running or Final bills . In case the Executing Agency fails to maintain the work properly during the above mentioned period , the ULB shall incur expenditure and maintain the work at the cost and risk of the Executing Agency and the entire expenditure shall be incurred by the ULB shall be recovered from the 10 % security deposit available with the ULB apart from blacklisting of the contractor .
32. The authority reserves the right to reject any or all the bids without assigning any reason thereof.
