e- Procurement

Bid Identification No- SEUKID-02/2026-27 Dated 06.06.2026

The Superintending Engineer, U. K. Irrigation Division, Borigumma, Dist: Koraput, on behalf of Hon'ble Governor of Odisha invites on-line **percentage basis bid** through e-procurement for the works as mentioned below. The bid should be submitted by the eligible class of contractors as mentioned below registered with State Governments & contractors of equivalent grade / class registered with Central Government / MES / Railways through On-line in the Govt. website www.tendersodisha.gov.in (to be eventually drawn in F2 form). The bidders should have necessary portal enrolment (with own digital signature certificate). The registered bidders outside of Odisha State can also participate in this on-line tender process after necessary portal enrolment but shall have subsequently undergo registration with appropriate authority of the Odisha State govt. before signing of the agreement. The bidders registered outside the State are required to submit an under taking in the form of an affidavit, that they are not registered under the GST Act 2017 in the State of Odisha as they have not started any business in the State and they have no liabilities under the Act. But successful bidder has to produce GSTIN Registration before signing of agreement.

2. **Procurement Details:** Period of availability of tender On-line/ date of time of bidding on-line/ date of opening of tender paper: Details as follows

Sl. No.	Procurement officer	Bid Identification No.	Availability of tender On -line for bidding.		Date & place of opening of Bid online.
			From	To	
1	2	3	4	5	6
1	Superintending Engineer, Upper Kolab Irrigation Division, Borigumma, Koraput	e-procurement SEUKID-02/2026-27	11.06.2026 (11:00 hrs)	22.06.2026 (17:00 hrs)	23.06.2026 (11:00 hours) O/o Superintending Engineer, Upper Kolab Irrigation Division, Borigumma, Koraput

3. Bid document consisting of qualification, information and eligibility criteria of bidders, plans, specification and schedule of quantities of the work is available in web site www.tendersodisha.gov.in and the set of terms and conditions of contract and other necessary documents can be seen in the web-site till last date of sale and receipt of tender papers. Interested tenderer may obtain further information at the web site www.tendersodisha.gov.in.

4. Bid validity period of the Tender is for a period of **90 days** from the last date of submission of Bid.

5. No Engineer of Gazetted rank or other Gazetted officer employed in Engineering or Administrative duties in an Engineering Department of the State Government is allowed to work as a contractor for a period of two years after his retirement from Government service, without Government permission.

6. Mode of submission of tender: Tender should be submitted on-line in www.tendersodisha.gov.in.

a) The bidder has to deposit Cost of Tender Paper and Earnest Money Deposit on submission of bids through online only by a process as per works Department office Memorandum vide letter no 17254 Dated 05.12.2017 as mentioned under DTCN which will be carried out through a single banking transaction by the bidder for multiple payments.

b) Designated Banks (SBI / ICICI Bank / HDFC Bank) payment gateway is being integrated with e-Procurement portal of Government of Odisha (<https://tendersodisha.gov.in>).

c) The Designated Banks participating in Electronic Receipt, Accounting and Reporting of Cost of Tender Paper and Earnest Money Deposit on submission of bids will nominate a Focal Point Branch called e-FPB, who is authorized to collect and collate all e-Receipts. Each such branch will act as the Receiving branch and Focal Point Branch notwithstanding the fact that the bidder might have debited his account in any of the bank's branches while making payment.

d) A bidder shall make electronic payment using his/her internet banking enabled account with designated Banks or their aggregator banks. A bidder having account in other Banks can make payment using NEFT/RTGS facility of designated Banks.

e) Bid submission: Only after receipt of intimation at the e-Procurement portal regarding successful transaction by bidder the system will activate the 'Freeze Bid Submission' button to conclude the bid submission process System generated acknowledgement receipt for successful bid submission: System will generate an acknowledgement receipt for successful bid submission. The bidder should make a note of '**Bid ID**' generated in the acknowledgement receipt for tracking their bid status.

7. For a particular work a bidder can submit only one tender paper. Submission of more than one tender paper by a bidder for a particular work will be liable for rejection of all such tender.

8. If more than one bid is quoted at the same rate (decimal up to two numbers will be taken for all practical purposes), whether at the estimated cost put to tender or Excess/less than the estimated cost put to tender, the tender accepting Authority will finalize the tender through a **transparent lottery system**, where all the concerned bidders/their authorized representatives, the concerned SE/EE of the concerned Division and Divisional Accounts Officer (DAO) will remain present. After the lottery system the eligible bidders are requested to collect their intimation letters in this regard from the Division Office during working hours positively and no claim in future regarding non receipt of intimation letters will be entertained.

9. In pursuance to the Govt. of Odisha Works Dept. Office Memorandum No. 173 dt: 03.01.2026, Additional Performance Security shall be obtained from the bidder when the bid amount is less than the estimated cost put to tender. In such an event, only the successful bidder who has quoted less bid price / rates than the estimated cost put to tender shall have to furnish the APS in the rates as noted below.

Sl no	Range of the project cost put to Bid	Additional performance Security shall be applied on the bid price to be deposited by the successful Bidder.
1	Price is below 0% but not below 10%	No additional Performance Security
2	Price is below 10% but not below 20%	Additional performance guarantee/security percentage shall be incremented by 0.1% for every percentage of bid price below 10% of the project cost put to bid starting at 11% with the additional bid performance guarantee being 0.1%.
3	Price is 20% or more below	Additional performance guarantee/security percentage shall be incremented by 0.2% for every percentage of bid price below 20% of the project cost put to bid in addition to 1% of the bid price.

Additional Performance Security shall be obtained from the bidder in shape of National Savings Certificate (N.S.C)/ Post Office Savings Bank Account / Post Office Time Deposit Account / Kisan Vikas Patra / Bank Guarantee/ Term Deposit Receipt duly pledged in favour of the Superintending Engineer, U.K. Irrigation Division Borigumma from any Nationalized Scheduled Bank in India counter guaranteed by its local Branch at Bhubaneswar/ e-Bank Guarantee **within seven days of issue of letter of acceptance** (LoA) by the Divisional Officer (By e-mail) to the successful bidder otherwise his/her bid shall be cancelled. Further proceeding for blacklisting shall be initiated against bidder Vide the Works Department, Govt of Odisha Letter No 14459 Dated 20.09.2018.

10. The acknowledge of online deposit of EMD, Tender paper cost, C.R.C. (Contractor Registration certificate), PAN. Card, GSTIN & Affidavit, along with other required documents etc. should be up loaded through web site following the DTCN instructions failing which the bid will be rejected.

11. Bidders registered as "Engineer Contractors" desirous to avail exemption of E.M.D. for participating in bid shall have to upload an affidavit for not having availed this facility in **three works during the financial year 2026-27** In such case, the successful Engineer Contractor has to produce the original Registration Certificate for recording the fact of availing exemption of E.M.D. for award of the work.

12. Bidders registered as **SC (Scheduled Caste)** and **ST (Scheduled Tribe)** contractors are eligible for specific concessions and price preferences under the Rule 18 of Odisha General Financial Rules (OGFR), Vol.-I and Para 3.5.14 of the OPWD Code.

13. If the successful bidder withdraws the Bid during the validity period of Bid / if he fails to submit ISD as specified in instructions to bidder or if he doesn't turn up for agreement after finalization of the tender, he shall be **debarred from participation in the bidding for three years** & action will be taken to black list the contractor.

14. The bidders have to furnish the original documents to the **Superintending Engineer, Upper Kolab Irrigation Division, Borigumma, Koraput** as and when required for verification. The successful bidder has to submit the original affidavit and EMD to the **Superintending Engineer, Upper Kolab Irrigation Division, Borigumma, Koraput** before drawl of agreement. The bidder should mention his present Postal Address, e-mail id and Mobile Number in the Affidavit submitted with the tender.

15. The successful bidder is required to register his establishment under section-7 of the building & other construction workers (R.E.& C.S.) act 1996 & is liable to pay cess there of as per labour and employment Department Lr no 3757 Date 25/04/2009. 1% (One Percent) of gross bill of the bidder will be deducted towards labour cess over and above the usual deduction.

16. **The bidder must get registered under ODISHA G.S.T Act 2017.** He shall liable to follow the rules of Odisha GST Act 2017 strictly. GST as applicable (Presently TDS- 2%) on the gross amount of the bill will be deducted from the contractor's bill while making payment, where agreement value exceeds rupees two lakh fifty thousand only. The contractor should submit commercial invoice at the time of preparation of the work bill to the concerned Junior Engineer with a copy to the Divisional Office for enabling the Division to make necessary payment, failing which no GST payment can be made.

17. Amendment to Para 3.5.13 and Rule 29 of Appendix-IX of OPWD Code Vol.-I: - The single tender received in the first call shall be cancelled without opening of the bid and fresh tender will be invited, as per office memorandum No.16 dated 01.01.2015 of Works Department, Govt. of Odisha.

18. The modalities prescribed in this Office Memorandum for downloading of tender paper, submission and rejection of bid, acceptance of Bids will be applicable for electronic submission of bids through e-procurement portal. Existing provisions regulating cost of Tender Paper in OPWD Code and OGFR would stand modified to the extent prescribed in this Office Memorandum no.17254 dated: 05.12.2017.

19. Authority will not be held responsible for system failure, malfunction of internet or traffic jam. Bidders are advised to submit their bids well in advance within the stipulated period.

20. The contractor shall have to furnish a certificate along with the tender to the effect that he / she is not related to any officer of Water Resources Department in the rank of Asst. Engineer and above connected with the estimate, tender and execution of the work and any officer in the rank of Under Secretary or above.

21. The general instruction to the contractors as per Govt. of Odisha, DOWR Lr. No.20415 dated: 14.09.2015 is applicable for all bidders.

22. The bidders shall have to upload an affidavit in support of authenticity of documents/ credential accompanied with the bid failing which the bid will be rejected. Authority reserves the right to reject any or all the tenders without assigning any reasons thereof.

23. As per OPWD code clause 12.4 (Appendix-IX (A)) the contractors participated in the above tender mandated to register themselves in Contractor Data Base Management System (CDMS) available at www.cdmsodisha.gov.in.

24. All the existing provisions of OPWD code with amendment from time to time will be applicable in deciding the tender.

25. Authority reserves the right to reject any or all the tenders without assigning any reasons thereof.

26. Other details can be seen in the bidding documents, which is available in web-site www.tendersodisha.gov.in .

It will be sole responsibility of the bidder to provide / use the required machineries. No interruption in whatsoever may be the cause shall be entertained by the Department and no hindrance for the reasons of short availability of Machineries shall be tenable.
(iii) DELETED
(iv) The bidder intending to hire / lease equipments / machineries are required to furnish proof of ownership from the company / person providing equipments / machineries on hire / lease deed should cover the entire period

of work. In the event of non-submission of above specified documents in proper shape, the bid document will be summarily rejected.

15. A bidder or any of its constituent partners of whose contract for any work has been rescinded or who has abandoned any work in the last three years having the contracted work as in complete prior to the date of the bid, shall be disqualified. The information to this effect and the authentication of bid documents should be furnished in Annexure- 'E' & 'F' in absence of which the bid will be summarily rejected.

16. All charges towards quality control test will be borne by the bidder.

17. All bids received will remain valid for 3 (Three) months from the last date of receipt of bids and validity of bids can also be extended if agreed to by the bids and the Department.

18. Bidder, whose bid is accepted must submit a programme of work immediately after issue of work order for approval of Engineer-in-charge.

19. The date of commencement of the work shall be as notified in work order.

20. The Plans, specifications and scope for the work can be seen from the Govt. website during the online bidding period.

21. The bidder shall carefully study the tentative drawing and specification applicable to the contract and documents which will form as part of the agreement to be entered into by the accepted bidders. The detailed standard specifications for Odisha and other relevant specification and drawings are available for sale. Complaints at a future date stating that the plans and specifications have not been seen by the bidders will not be entertained.

22. Every bidder is expected before quoting his rates to inspect the site of the proposed work. He should also inspect the quarries and locality of the work and satisfy himself about the quality and availability of materials including the medical aids, labour and food stuff etc. In every case the materials must comply with the relevant specifications. The bidder will be deemed to have satisfied himself that the rates quoted by him in the bid will be adequate to complete the work according to the specifications and conditions attached to and that he has taken in to account all conditions, difficulties that may be encountered during its progress and to have quoted labour rates and materials, entry tax and other duties, including GSTIN, lead, lifts, delifts, loading and unloading and freight for materials and all other charges necessary for the completion of the work to the entire satisfaction of the Engineer-in-charge of the work and his authorized subordinates. Complaints at future date that the availability of materials, labour or any other factor have been misjudged cannot be entertained. It should be understood clearly that no claim whatsoever will be entertained thereafter on the plea of non availability of proper quantity and quality of materials including food stuff or for any other.

23. Every bidder should quote a definite percentage rate for the work which will be included in the contract. Tenders containing indefinite terms such as estimated rates or schedules of rates or "item rates" will not be considered. During submission of bids through the e-Procurement Portal, an intelligent Bill of Quantity in Microsoft Excel format shall be made available to the bidder. The bidder shall fill in the percentage rates in figures and should not leave the cell blank. The total amount of the tenders shall be calculated by the system and shall be visible to the bidder.

24. Sample of stone, metal, chips and sand etc. to be used are to be collected and deposited quoting the name of quarry under dated initial of the bidder and A.E in charge in the office of the **Superintending Engineer, Quality Control Division** before procurement for testing and acceptance. The conveyance charges will be borne by the contractor.

25. The quoted percentage rates should be for finished items of work unless otherwise mentioned in the tender schedule.

26. The percentage rates should be written both in words and figures in decimal coinage and the units in words in case of discrepancy in rates between words and figures the rates written in words will prevail. The tender should show the grand total of the whole tender.

27. During submission of bids through the e-Procurement Portal, the bidder should submit the scanned copy of the documents in the designated locations of the bid. Submission of document shall be affected by using DSC of appropriate class and thus shall be in encrypted form.

28. The bid may not, at the discretion of the competent authority, be considered unless accompanied by scanned attested true copies of PAN card. The original certificates are also to be produced at the time of opening of the tender. Copies of PAN Card & GSTIN Clearance certificate given with other tender previously or with other tender on the same day will not be taken in to consideration.

29. The bids containing extraneous condition not covered by the tender call notice are liable for rejection and quotations should be strictly in accordance with the tender call notice, any change in the wording will not be accepted. All the prescribed forms must be filled up in the proper order. Incomplete tender shall be summarily rejected.

30. During submission of bids through the e - procurement Portal, it is allowed to modify the bid. The bidder shall have to log on to the system and resubmit the documents as asked for by the system including the price bid. In doing so, the bids already submitted by the bidder will be removed automatically from the system and the latest bid only will be admitted. But the bidder should avoid modification of bid at the last moment to avoid system failure or malfunction of internet or traffic jam. If the bidder fails to submit his modified bids within the designated time of receipt, the bids already in the system shall be taken for evaluation. During submission of bids through the e-Procurement Portal, withdrawal of bid is allowed. The bidder has to click on the "withdraw" button and record the necessary justification for the same in the space provided. In addition to this, he has to write a letter addressed to

the officer inviting the bid and up load the scanned document to portal in respective bid. The system shall not allow any withdrawal after expiry of the closure time of the bid.

31. Items of work not covered by the bid shall be paid at the current schedule of rates of the state and those not covered by the said schedule rates will be paid, on actual analysis approved by the competent authorities.

32. On no account the contract work should be sublet to any body without the prior approval of the competent authority of the Department. In such an event the contract may be rescinded with penalty as will be deemed proper as per decision of the competent authority.

33. Letters etc. raising and lowering the rates or dealing with any point in connection with the tender will not be considered.

34. 3	Price is 20% or more below	Additional performance guarantee/security percentage shall be incremented by 0.2% for every percentage of bid price below 20% of the project cost put to bid in addition to 1% of the bid price.

Additional Performance Security shall be obtained from the bidder in shape of National Savings Certificate (N.S.C)/ Post Office Savings Bank Account / Post Office Time Deposit Account / Kisan Vikas Patra / Bank Guarantee/ Term Deposit Receipt duly pledged in favour of the Superintending Engineer, U.K. Irrigation Division Borigumma from any Nationalized Scheduled Bank in India counter guaranteed by its local Branch at Bhubaneswar/ e-Bank Guarantee within seven days of issue of letter of acceptance (LoA) by the Divisional Officer (By e-mail) to the successful bidder otherwise his/her bid shall be cancelled. Further proceeding for blacklisting shall be initiated against bidder Vide the Works Department, Govt of Odisha Letter No 14459 Dated 20.09.2018.

SECTION – 2 INFORMATION AND INSTRUCTION TO TENDERERS (IIT)

1. Preparation of Bid Documents.

The intending bidder shall submit the bid duly filled in and signed in on-line through Govt. web-site. The forms attached with the documents are to be filled in completely. All the information called for should be furnished.

2. Method of submission of Bid Documents.

2.1 The bid documents duly filled in and signed by the intending bidder should be submitted in on-line through prescribed website only.

2.2 – Deleted-

2.3 If the intending bidder is an individual, the documents shall be signed by the individual above his full type written name and current address.

2.4 If the intending bidder is a proprietary firm, it shall be signed by the proprietor above his full name and with his current address.

2.5 If the intending bidder is a firm in partnership, it shall be signed by a partner holding the power of attorney for the firm in partnership in which case a certified copy of power of attorney shall accompany in the bid documents.

2.6 If the intending bidder is a limited company or Corporation, it shall be signed by a duly authorized person holding the power of attorney in which case certified copy of power of attorney shall accompany.

2.7 All witness and sureties shall be of person of status and probity and their full names, occupation and address shall be stated below their signatures.

2.8 The agency will install display board mentioning information about the work at worksite after drawal of the agreement at his own cost.

3. Opening of Bid Documents:

The bids will be opened on **23.06.2026 at 11.00 AM** in the office of the Superintending Engineer, U.K. Irrigation Division, Borigumma. in the presence of bidders or their authorized representative, who wish to be present.

4. Qualifying Criteria:

The bidder should produce documentary evidence regarding availability of the following machineries and equipments in working condition required for execution of the work. The bidders are required to furnish evidence of ownership of principal machineries/ equipments asked for in the bid documents. In case the bidder executing several works, he is required to furnish a time schedule for movement of equipment / machinery from one work site to other and when work is to be executed. The bidder shall furnish ownership documents for those machineries which he is planning to deploy for the tendered work, if these are not engaged, or he has to produce certificate from the **Superintending Engineer** under whom these are deployed at the time of tendering as to the period by which these machineries are likely to be released from the present contract. Certificate from the **Superintending Engineer** shall not be more than 90 days old on the last date of receipt of tender (Format of Certificate annexed).

In case the contractor proposes to engage machineries and equipments as asked for in the tender document owned or hired but deployed outside the State, he/she is required to furnish additional 2% EMD / Bid Security. The entire bid security including the additional bid security shall stand forfeited in case the contractor fails to mobilize the machineries within stipulated time as per the tender document. The contractor intending to hire / lease equipments / machineries are required to furnish proof of ownership from the company / person providing equipment / machineries on hire / lease along with contract /agreements / lease deed and duration of such contract.

Sl. No.	Name of the equipment	Capacity	Number required
---------	-----------------------	----------	-----------------

The tenderers without containing the above machineries, as stipulated, will not be considered for the work and his/her tender will be rejected.

The successful bidder should deploy all the machineries required for the work on receipt of the acceptance letter. On verification and satisfaction of the concerned **Superintending Engineer** the agreement will be done.

5. Final decision-making authority:

The competent authority reserves the right to accept or reject or disqualify any of the tender or pre qualification without assigning any reasons and its decision shall be final.

6. Further clarification:

The **Superintending Engineer, U.K. Irrigation Division, Borigumma.** may be contacted during office hours on any working days for any further clarification.

7. Sample of all material:

The bidder shall supply sample of all materials fully before procurement for the work for testing and acceptance at his own cost as may be required by the concerned **Superintending Engineer.**

8. From the commencement of the works to the completion of the same, they are to be under the contractor's charge. The contractor is to be held responsible to make good all injuries, damages and repairs occasioned or rendered necessary to the same by fire or other causes and they hold the Govt. of Odisha harmless for any claims for injuries to person or structural damage to property happening from any neglect, default, want of proper care or misconduct on the part of the contractor or any one in his employment during the execution of the work. Also no claim shall be entertained for loss due to earth quake, flood, cyclone, epidemic, riot or any other calamity, whether natural or incidental. Damages so caused will have to be made good by the contractor at his own cost.

9. Where it will be found necessary by the Department, the Officer-in-Charge of the work shall issue an order book to the contractor to be kept at the site of the work with pages serially numbered. Orders regarding the work whenever necessary are to be entered in this book by the PWD Officers-in-Charge with their dated signatures and duly noted by the contractor or his authorized agents with their dated signatures. Orders entered in this book and noted by the contractor's agent shall be considered to have been duly given to the contractor for following the instructions of the Department. The order book shall be the property of the Deptt. and shall not be removed from the site of work without written permission of the Engineer -in-Charge.

1. Guidelines/Procedure to be followed in e-procurement.

This procedural requirement of e-procurement shall be made part of the Detailed Tender Call Notice or Instruction to bidders for all works/ tenders hoisted in the portal.

I The e-Procurement portal of the Government of Orissa is "<https://tendersorissa.gov.in>".

II Use of valid Digital Signature Certificate of appropriate class (Class II or Class III) issued from a registered Certifying Authority (CA) as stipulated by Controller of Certifying Authorities (CCA), Government of India such as n-Code, Sify, TCS, MTNL, e-Mudhra etc; is mandatory for all users.

IV. The e-procurement shall be operated compliant to relevant provisions of OGFR / OPWD Code / Accounts Code / Government statutes including any amendments brought from time to time to suit to the requirement of the best national practice.

V. Registration in the e-procurement portal is without levy of any charges but Government reserves the right to levy any charges for such value added services in future.

VI. Contractors not registered with Government of Orissa can participate in the e- procurement after necessary enrollment in the portal but have to subsequently register themselves with the appropriate registering authority of the State Government before award of the work as per prevalent registration norms of the State.

VII. For the role management "Department" is the Administrative Department. Organisation or wing is the Chief Engineer or highest tender accepting authority or equivalent officer under the Administrative Department, Circle is the Addl.Chief Engineer or equivalent officer, Division is the Superintending Engineer or equivalent officer and Sub-Division is the Assistant Executive Engineer or equivalent officer.

VIII. The e-procurement software assigns role for operation of the module for specific function. The terminologies used in the Portal and their respective functions in the software are as follows.

- a. Application Administrator. (NIC and State Procurement Cell)
 - i. Master Management.
 - ii. Nodal Officer Creation.
 - iii. Report Generation.
 - iv. Transfer and blocking of Officers.
- b. Nodal Officer (At organization level not below the Superintending Engineer or equivalent rank)
 - i. Creation of Users.
 - ii. Role Assignment.
 - iii. Transfer and blocking of Officers.
- c. Procurement Officer – Publisher (Officer having tender inviting power at any level).
 - i. Publishing of Tender.
 - ii. Publishing of Corrigendum / Addendum / Cancellation of Tender.
 - iii. Bid clarification.
 - iv. Uploading of Pre-Bid Minutes.
 - v. Report generation.
- d. Procurement Officer – Administrator. (Generally Sub-ordinate Officer to Officer inviting the tender).
 - i. Creation of tender.
 - ii. Creation of Corrigendum / Addendum / Cancellation of tender.
 - iii. Report generation.
- e. Procurement Officer – Opener (Generally Sub-ordinate Officer to Officer inviting the tender).
 - i. Opening of Bid.
- f. Procurement Officer – Evaluator (Generally Sub-ordinate Officer to Officer inviting the tender).
 - i. Evaluating Bid.
- g. Procurement Officer – Auditor (Procurement Officer – Publisher and / or Accounts Officer / Finance Officer).

- i. To take up auditing.
- IX. NOTICE INVITING BIDS (NIB) OR INVITATION FOR BID (IFB):
The tender documents published by the Tender Inviting Officer (Procurement Officer Publisher) in the website “<https://tendersorissa.gov.in>” will appear in the “Latest Active Tenders.” The Bidders / Guest Users can download the Bid documents only after the due date & time of sale. The publication of the tender will be for specific period of time till the last date of submission of bids as mentioned in the Notice Inviting Bid after which the same will be removed from the list of “Latest Active tenders”.
- X. ISSUE OF ADDENDA / CORRIGENDA / CANCELLATION NOTICE:
a. The Procurement Officer Publisher (Officer inviting tender) shall publish any addendum / corrigendum / cancellation of tender in the website “<https://tendersorissa.gov.in>” notice board and through paper publication and such notice shall form part of the bidding documents.
b. The System shall generate a mail to those bidders who have already uploaded their tenders and those bidders if they wish, can modify their tender.
- XI. PARTICIPATION IN BID.
a. PORTAL REGISTRATION: The Contractor/Bidder intending to participate in the bid is required to register in the Portal using his/her active personal/official e-mail ID as his/her Login ID and attach his/her valid Digital Signature Certificate (DSC) to his/her unique Login ID, He/She will enter relevant information as asked for about the firm/Contractor. This is a onetime activity for registering in Portal.
i. Bidders participating through Joint Venture shall declare the authorised signatory through Memorandum of Understanding duly registered and enroll in the portal in the name and style of the Joint Venture Company. It is mandatory that the DSC issued in the name of the authorized signatory is used in the portal.
ii. Any third party/company/person under a service contract for operation of e-procurement system in the State or his/their subsidiaries or their parent companies shall be ineligible to participate in the procurement processes that are undertaken through the e-procurement system irrespective of who operates the system.
b. LOGGING TO THE PORTAL: The Contractor/Bidder is required to type his/her Log in ID and password. The system will again ask to select the DSC and confirm it with the password of DSC as a second stage authentication. For each login, a user’s DSC will be validated against its date of validity and also against the Certificate Revocation List (CRL) of respective CA stored in system database. The system checks the unique Login ID, password & DSC combination and authenticates the login process for use of portal.
c. DOWNLOADING OF BID: The bidder can download the tender of his choice and save it in his system to undertake necessary preparatory work off-line and upload the completed tender at his convenience before the closing date and time of submission.
d. CLARIFICATION ON BID: The bidder may ask question online in the e-procurement portal using his/her DSC; provided the questions are raised within the period of seeking clarification as mentioned in tender call notice/Bid. The Officer inviting the bid / Procurement Officer-Publisher will clarify queries related to the tender.
e. PREPARATION OF BID:
i. The bids may consist of general arrangements drawings or typical or any other drawings relevant to the work for which bid has been invited. Bidder may down load these drawings and take out the print for detail study and preparation of his bid. Any other drawings and documents pertaining to the works available with the officer inviting the bid will be opened for inspection by the bidders.
ii. The Bidder shall go through the Bid carefully and list the documents those are asked for submission. He shall prepare all documents including cost of Bid Document, Bid Security, Declaration form, price bid etc; and store in the system.
f. PAYMENT OF EMD/BID SECURITY AND COST OF BID DOCUMENTS:
i. The bidder shall furnish, as part of his Bid, a bid security for the amount mentioned under NIT/Contract Data. The bidder shall scan all the written/printed pages of the bid security and up load the same in portable document format (PDF) to the system in designated place of the technical BID. Furnishing scanned copy of such documents is mandatory otherwise his/her bid shall be declared as non-responsive and liable for rejection.
ii. The E.M.D. or Bid Security payable along with the bid is 1% of the estimated contract value (ECV) or as mentioned in the bid document. The validity period of the E.M.D. or Bid Security shall be mentioned in the bid document. Any bid not accompanied by an acceptable Bid Security and not secured as indicated in the bid document shall be rejected as non-responsive. The bid security shall be retained till such time the successful bidder furnishes Initial Security Deposit (I.S.D.) or Performance security acceptable to the Officer inviting the Bid. Failure of the successful Bidder to comply with the requirements shall constitute sufficient grounds for cancellation of the award and forfeiture of the Bid Security. The Bid security in the form of FD / BG shall be from a Nationalized Bank **valid for a period**

of 45 days beyond the validity of the bid. Bid security in other form is acceptable if the bid documents provides for it.

iii. The Fixed Deposit / Bank Guarantee or any other form as mentioned in detailed tender call notice in respect of Earnest Money Deposit / Bid Security and the Bank Draft in respect of cost of Bid are to be scanned and up loaded in portable document format (PDF) along with the bid.

iv. The bidder shall provide the cost of bid and the Bid security in a sealed cover superscripting the name of the work for which the instruments are intended and the Officer inviting the Bid. He/She is not required to write his/her name on the cover. The original FD/BG/BD shall be physically produced before the Officer inviting the Bid or the concerned Division/Circle/Chief Engineer before the specified period mentioned in the bid, which in no case shall be less than three days excluding the last date of submission and opening of bids (Technical cover opening in case of Double cover system). The bidder is also allowed to submit the original FD/BG/BD by Registered post/Speed post or any other delivery system before the last date & time of opening of tender.

v. The Officers authorized by the Procurement Officer-Publisher (Officer Inviting Tender) shall transmit the sealed envelopes carefully to the Procurement Officer-Publisher prior to opening of the Bid. The Procurement Officer-Publisher shall provide signed receipt with date and time for having received the number of sealed envelopes.

vi. The Procurement Officer-Publisher (Officer Inviting the Tender) or other concerned officers authorized to receive the original Bid security and Bid cost on behalf of the Procurement Officer-Publisher shall not be responsible for any postal delay and/or non-receipt of the original copy of the bid security on or before specified date & time. Non submission of bid security within the designated period shall debar the bidder from participating in the on-line bidding system and his portal registration shall be blocked. His name shall also be informed to the registering authority for cancellation of his registration as Contractor.

vii. Contractor exempted from payment of E.M.D. will be able to participate in the tender directly by uploading documentary evidences towards his eligibility for such exemption.

viii. Government of Orissa has been actively considering integrating of e-payment gateway in to the portal for payment of Cost of Bid and Bid Security/Earnest Money Deposit. The process of using e-payment gateway shall be issued separately after it is established

XII. SUBMISSION OF BID:

- a. The bidder shall carefully go through the tender and prepare the required documents. The Bid shall have a Technical Bid & a Financial Bid. The Technical Bid generally consists of cost of Bid documents, E.M.D/Bid Security, GSTIN., P.A.N/TIN Registration Certificate, Affidavits, Profit Loss statement, Joint Venture agreement, List of similar nature works, work in hand, list of machineries and any other information required by OIT. The Financial Bid shall consist of the Bill of Quantities (BOQ) and any other price related information/undertaking including rebates.
- b. The Protected Bill of Quantities (BOQ) uploaded by the Procurement Officer-Publisher for the Bid is the authentic BOQ. Any alteration, deletion, or manipulation in BOQ shall lead to cancellation of Bid.
- c. The Bidder shall up load the scanned copy/copies of document in support of eligibility criteria and qualification information in prescribed format in Portable Document Format (PDF) to the portal in the designated locations of Technical Bid.
- d. The bidder shall write his name in the space provided in the specified location in the Protected Bill of Quantities (BOQ) published by the Officer Inviting Tender. The bidder shall type rates in figure only in the rate column of respective item(s) without leaving any blank cell in the rate column in case of Item rate tender & type percentage excess or less up to one decimal place only in case of percentage rate tender.
- e. The bidder shall log on to the portal with his/her DSC and move to the desired tender for uploading the documents in appropriate place one by one simultaneously checking the documents.
 - i. Bids cannot be submitted after due date and time. The bids once submitted cannot be viewed, retrieved or corrected. The Bidder should ensure correctness of the bid prior to uploading and take print out of the system generated summary of submission to confirm successful uploading of bid. The bids cannot be opened even by the OIT or the Procurement Officer-Publisher/Opener before the due date and time of opening.
 - ii. Each process in the e-procurement is time stamped and the system can detect the time of log in of each user including the Bidder.
 - iii. The Bidder should ensure clarity/legibility of the document uploaded by him to the portal.
 - iv. The system shall require all the mandatory forms and fields filled up by the contractor during the process of submission of the bid/tender.
 - v. The bidder should check the system generated confirmation statement on the status of the submission.
 - vi. The Bidder should upload sufficiently ahead of the bid closure time to avoid traffic rush and failure in the network.

vii. The Tender Inviting Officer is not responsible for any failure, malfunction or breakdown of the electronic system used during the e-procurement process.

viii. The Bidder is required to upload documents related to his eligibility criteria and qualification information and Bill of Quantities duly filled in. It is not necessary for the part of the Bidder to upload the drawings and other Bid documents (after signing) while uploading his bid. It is assumed that the bidder has referred all the drawings and documents uploaded by the Officer Inviting the Bid.

ix. Seeking any revision of rates or backing out of the bid claiming for not having referred to any or all documents provided in the Bid by the Officer Inviting the Bid will be construed as plea to disrupt the bidding process and in such cases the bid security shall be forfeited.

x. The bidder will not be able to submit his bid after expiry of the date and time of submission of Bid (server time). The date & time of bid submission shall remain unaltered even if the specified date for the submission of bids declared as a holiday for the Officer Inviting the Bid.

f. **SIGNING OF BID:** The 'online bidder' shall digitally sign on all statements, documents, certificates uploaded by him, owning responsibility for their correctness/authenticity as per IT ACT 2000. If any of the information furnished by the bidder is found to be false/fabricated/bogus, his E.M.D./Bid Security shall stand forfeited and the bidder is liable to be blacklisted.

XIII. SECURITY OF BID SUBMISSION:

- a. All bid uploaded by the Bidder to the portal will be encrypted.
- b. The encrypted Bid can only be decrypted/opened by the authorized openers on or after the due date and time.

XIV. RESUBMISSION AND WITHDRAWAL OF BIDS:

- a. Resubmission of bid by the bidders for any number of times before the final date and time of submission is allowed.
- b. Resubmission of bid shall require uploading of all documents including price bid afresh.
- c. If the bidder fails to submit his modified bid(s) within the pre-defined time of receipt, the system shall consider only the last bid submitted.
- d. The bidder should avoid submission of bid at the last moment to avoid system failure or malfunction of internet or traffic jam or power failure etc.
- e. The Bidder can withdraw his bid before the closure date and time of receipt of the bid by uploading scanned copy of a letter addressing to the Procurement Officer-Publisher (Officer Inviting Tender) citing reasons for withdrawal. The system shall not allow any withdrawal after expiry of the closure time of the bid.

XV. OPENING OF THE BID:

- a. Bid opening date and time is specified during tender creation or can be extended through corrigendum. Bids cannot be opened before the specified date & time.
- b. All bid openers have to log on to the portal to decrypt the bid submitted by the bidders.
- c. The bidders & guest users can view the summary of opening of bids from any system. Contractors are not required to be present during the bid opening at the opening location if they so desire.
- d. In the event of the specified date of bid opening being declared a holiday for the Officer inviting the Bid, the bids will be opened at the appointed time on the next working day.
- e. In case bids are invited for more than one package, the order for opening of the "Bid" shall be that in which they appear in the "Invitation for Bid".
- f. **During bid opening, the covers containing original financial instruments towards Cost of bid and Bid Security in the form specified in the DTCN/ITB valid for the period stated in the Bid, received after last date of receipt of bid and before opening of the bids shall be opened and declared.** The Procurement Officer-Opener shall continue opening of other documents if he is satisfied about the appropriateness of the cost of Bid and the Bid Security.
- g. Combined bid security for more than one work is not acceptable.
- h. The electronically submitted bids may be permitted to be opened by the predefined Bid opening officer from their new location if they are transferred after the issue of Notice Inviting Bid and before bid opening. Further action on bid documents shall be taken by the new incumbent of the post.
- i. **The Opening Officer will systematically check the scanned demand draft towards cost of the bid document and the scanned document of Bid security with that of the original submitted, if found in order they will continue opening of all other documents in the system providing under Technical Bid.**

XVI. EVALUATION OF BIDS:

- a. All the opened bids shall be downloaded and printed for taking up evaluation. The Procurement Officer-Openers shall sign on each page of the documents downloaded and furnish a certificate that the documents as available in the portal for the tender have been down loaded.

- b. The Procurement Officer-Evaluators shall take up evaluation of bids with respect to the qualification information and other information furnished subject to confirmation of the bid security by the issuing institutions.
- c. After receipt of confirmation of the bid security, the bidder may be asked in writing to clarify on the documents provided in the Technical Bid, if necessary, with respect to any doubts or illegible documents. The Officer Inviting Tender may ask for any other document of historical nature during Technical evaluation of the tender. Provided in all such cases, furnishing of any document in no way alters the Bidder's price bid. Non-submission of legible documents may render the bid non-responsive.
- d. The bidders will respond in not more than 7 days of issue of the clarification letter, failing which the bid of the bidder will be evaluated on its own merit.
- e. Technical evaluation of all bids shall be carried out as per information furnished by Bidders. But evaluation of bids does not exonerate bidders from checking their original documents at later date. If the bidder is found to have misled the evaluation through wrong information, action as per relevant clause of DTCN/ITB shall be taken against the bidder/contractor.
- f. The Procurement Officer-Evaluators will evaluate bids and finalize list of responsive bidders.
- g. The financial bids of the technically responsive bidders shall be opened on the due date of opening. The Procurement Officer-Openers shall log on to the system in sequence and open the financial bids.
 - i. The Financial Bid will be opened on the notified date & time in the presence of bidders or their authorized representative who wish to be present.
 - ii. At the time of opening of 'Financial Bid', bidders whose technical bids were found responsive will be opened.
 - iii. The responsive bidders' name, bid prices, item wise rates, total amount of each item in case of *Item Rate Tender* and percentage above or less in case of *Percentage Rate Tenders* will be announced.
 - iv. Procurement Officer-Openers shall sign on each page of the downloaded BOQ and the Comparative Statement and furnish a certificate to that respect.
 - v. Bidder can witness principal activities and view the documents/summary reports for that particular work by logging on to the portal with his DSC from anywhere.

XVII. NEGOTIATION OF BIDS:

- a. For examination, evaluation and comparison of bids, the officer inviting the bid may, at his discretion, ask the lowest bidder for clarification of his rates including reduction of rate on negotiation and breakdown of unit rates

XVIII. NOTIFICATION OF AWARD AND SIGNING OF AGREEMENT:

a. The Employer/Engineer-in-Charge shall notify acceptance of the work prior to expiry of the validity period by cable, telex or facsimile or e-mail confirmed by registered letter. This Letter of Acceptance will state the sum that the Engineer-in-Charge will pay the contractor in consideration of the execution & completion of the works by the contractor as prescribed by the contract & the amount of Performance Security and Additional Performance Security required to be furnished. The issue of the letter of acceptance shall be treated as closure of the Bid process and commencement of the contract.

b. The Contractor after furnishing the required acceptable performance security & additional performance security. "Letter to Proceed" or "Work Order" shall be issued by the Engineer-in-Charge with copy thereof to the Procurement Officer-Publisher. The Procurement Officer-Publisher shall up load the summary and declare the process as complete.

ANNEXURE – A
FORMAT FOR PERFORMANCE RECORD OF CONTRACTORS

1. Name of the Contractor :
2. Registration No. and Date :
3. Class of Contractor :
4. Licensing Authority :
5. License valid up to :
6. Details of works executed :

SI no.	Jobs under execution	Agreement amount	Date of commencement	Stipulated date of completion	Whether work is progress as per programme.	Reasons for delay, if any.
1	2	3	4	5	6	7

7. Whether the Contractor has requisite machineries & personnel deployed (details of machinery and personnel deployed):
8. Whether the quality of construction is satisfactory:
9. Whether he has capability to make good the loss in time:
10. Whether the Contractor has abandoned any work in the past three years, if yes, the details thereof.
11. Whether the Contractor has entered in to any litigation in the past if yes, the details thereof.

Name of the Certifying Officer
With official seal

ANNEXURE – B

Details of the works on hand and performance for last three years as on the date of submission of pre-qualification documents in the following proforma.

(Separate form for each work)

1. Name of work _____
2. Place and Country _____
3. Total tendered cost of work _____
4. Brief description of works including principal features and quantities of main items. _____
5. Details of works in hand
 - i. Percentage of physical completion and amount billed for the work completed.
 - ii. Cost of work remaining to be executed.
 - iii. Stipulated date of completion.
 - iv. Anticipated date of completion.
6. Explain for non-completion of work within stipulated time limit if so.
7. Were there any penalties /fines / stop notice / compensation /liquidated damages imposed?
Yes or No.
If yes, give amount and explanations
8. Were there any fines, claims or stop notice filed by the employer?
(Yes or No.) If yes, give amount and expl

ANNEXURE – C

Details of plants and equipments owned by the tenderer
Which may be used for construction work

(Proof of ownership to be attached)

1. Name of Equipment _____
2. Number of units _____
1. Kind and make _____
2. Capacity _____
3. Normal life specified by the manufacturer _____
4. Number of actual working hour put in by the machine _____
5. Present location _____
6. Remarks

ANNEXURE –D

Give details of how additional plant and equipment which may be required for the work would be obtained.
(Separate form for each type of equipment)

Particulars of (a) To procure in (b) To hire in India (c) Owned

Machinery India

1. Name of Equipment
2. Number of units
3. Kind and make
4. Country
5. Capacity
6. Approximate cost in rupees
7. Remarks

SECTION – 3

GENERAL RULES & DIRECTIONS
ODISHA PUBLIC WORKS DEPARTMENT

Schedule XLV – Form No. 61

(FORM F-2)

PERCENTAGE RATE TENDER AND CONTRACT FOR WORKS
GENERAL RULES & DIRECTIONS FOR THE GUIDANCE OF CONTRACTORS

1. The work proposed for execution will be notified in a form of e-Procurement Notice through the Govt. web-site <http://tendersodisha.gov.in>

This notice will state the work to be carried out, the items and approximate quantities thereof as well as the date of submitting and opening tenders also the amount of earnest money to be deposited and the amount of the security deposit to be deposited by the successful tenderer and the percentage if any to be deducted from bills. Copies of the specifications, designs, drawings and any other documents required in connection with the submission of tender signed for the purpose of identification by the **Sub-Divisional Officer / Divisional Officer** shall also be kept open for inspection by the contractor at the office of the **Sub-Divisional Officer / Divisional Officer** during office hours.

2. In the event of the tender being submitted by a firm it must be signed separately by each member thereof, or in the event of the absence of any partner, it must be signed on his behalf by a person holding a power of attorney authorizing him to do so.

3. Receipts for payment made on accounts of works, when executed by a firm must also be signed by the several partners, except where the contractors are described in their tender as a firm in which case the receipts must be signed in the name of the firm by one of the partners, or by some other person having authority to give effectual receipts for the firm.

4. The memorandum of work tendered for and the memorandum of materials to be supplied by the Public Works Department and their issue rates shall be filled in and completed in the office of the **Sub-Divisional Officer / Superintending Engineer** before the tender from is issued. If a form is issued to an intending tenderer without having been so filled in and completed, he shall request the office to have this done before he completes and delivers his tender.

5. The amount of earnest money to be deposited will be **1% of the** estimated cost.

6. Any person who submits a tender shall fill up the usual printed form stating at what percentage he is willing to undertake the work. Incomplete tender and percentage rate he willing to undertake the work specified in the said form of invitation to tender or which contains any other conditions of any sort, or omit to note the time within which the work can be finished or which are not accompanied by the required earnest money will be liable to rejection. No single tender shall include more than one work. But contractors who wish to tender for two or more works shall submit a separate tender for each work. Tender shall bear the name of the work to which they refer should be written outside the envelope.

7. The Engineer or his duly authorized assistant will open the tenders in the presence of any intending contractors who may be present at the time and will enter the amounts of the several tenders in a comparative statement in a suitable form.

8. The Authority inviting the tender shall have the right of rejecting all or any of the tenders.

9. In the event of a tender being selected for acceptance the Engineer who opened the tenders will, if he is competent to accept the tender, inform the tenderer of the selected tender who shall there upon sign copies of the specification and other documents with the tender. The tenderer of the selected tender shall also deposit the required amount of the security money within the prescribed time. If the tenderer fails to deposit the required amount of the security money within the prescribed time the Engineer may reject the tender.

If the Engineer is not competent to accept the tender himself, he will inform the tenderer of the tender which he decides to recommended for acceptance. Such tender shall thereupon sign forthwith copies of the specification and other documents mentioned in rules 1 and 4 and shall deposit the required amount of the security money within the prescribed time. The tender with the specification and other documents signed by the tenderer will then be forwarded for acceptance to the Engineer who is competent to accept the same. If the said Engineer rejects the tender the security money deposited shall be refunded to the tenderer.

10. When a tender is selected for acceptance, the tenderer shall deposit the required amount of the security money. No tender shall be finally accepted until the required amount of the security money has been deposited.

11. The amount of security money to be deposited by the tenderer whose tender is selected for acceptance shall be 2 percent of the estimated value of the work and towards this amount the earnest money already deposited by him shall be credited. At least half of this security inclusive of the earnest money shall be deposited the tenderer within such time as may be notified to him in writing by the officer opening the tender, failing which tender shall be liable to rejection. Any balance of the security money outstanding after completion of the contract with the tenderer may be made up by deduction of 5% of the amount of each payment to be made to his under clause 7 of the condition of contract for work done under the contract. Taxes as per provisions of Government shall be deducted from the bills of tenderer.

12. When tender has been selected for acceptance and the required amount of the security money has been deposited the Engineer shall scrutinize all pages of the form of item, Rate Tendered and Contract for works to see that the form has been properly filled up and signed by the contractor and the signature witnessed. He shall then, if he is competent to accept the tender, sign the acceptance of the tenders or if he is not so competent to, shall send the form for signature of the acceptance of the officer competent to accept it.

13. All tenderers are required to submit a list of works, which are in hand at the time of submitting their tenders. The list of works are required to be submitted in the proforma by the **Superintending Engineer** under whom he has executed the work in order to judge their past performance (**vide Works Department Circular No.15443 dt.01.08.2005.**)

14. The earnest money deposited is liable to be forfeited to Govt. if the tenderer backs out from the offer before acceptance of the tender by the competent authority.

15. T.D.S (Tax Deducted at Source) towards VAT will be deducted at the rate prescribed in the Odisha Value Added Tax (Amendment) ordinance 2005 & as amended from time to time.

16. A separate and specific Bank Account may be opened to keep the security deposits deducted from the running bills in any Nationalized Bank only in the name of concerned **Superintending Engineer / FA & CAO**, but not in personal name.

The security deposit so deposited should be withdrawn from the same account after completion of the defects liability period of the concerned work and after the work is found defect free in all respect

TENDER FOR WORKS.

I/We here by tender for the execution for the Governor of Odisha of the work specified in the underwritten memorandum at the rates specified there in within a period of **Two** calendar months from the date of written order to commence and in accordance in all respects with the specifications, designs, drawings and other documents referred to in rule 1 here of and subject to the annexed conditions of contract and with such materials as are provided for by, and in all other respects in accordance with such conditions so far as applicable.

MEMORANDUM.

SECTION – 4

CONDITIONS OF CONTRACT.

Clause-1: All compensation or other sums of money payable by the contractor to Government under the terms of this contract may be deducted from or paid by, the sale of a sufficient part of his security deposit or from the interest arising there from, or from any sums which may be due or may become due to the contractor by Government on any account whatsoever and in the event of his security deposit being reduced by reason of any such deduction or sale as aforesaid, the contractor shall within ten days thereafter make good in cash or Government securities endorsed as aforesaid any sum or sums which may have been deducted from or raised by, sale or the security deposit or any part thereof.

Compensation for delay.

Clause 2(a): The time allowed for carrying out the work as entered in the tender shall be strictly observed by the contractor and shall be reckoned from the date on which the written order to commence work is given to the contractor. The work shall throughout the stipulated period of the contract, be carried on with all due diligence (time being deemed to be of essence of the contract on the part of the contractor) and the contractor shall pay, as compensation, an amount equal to 1/2 percent on the amount of the estimated cost, if the whole work as shown by the tender for everyday that the work remains uncommenced, or unfinished after the proper dates (The work should not be considered finished until such date as the Superintending Engineer Borigumma(K) shall certify as the date on which the work is finished after necessary rectification of defects as pointed out by the Superintending Engineer Borigumma(K) or his authorised agents, are fully complied with by the contractor to the Superintending Engineer's satisfaction). And further, to ensure good progress during the execution of the work the contractor shall be bound, in all cases in which the time allowed for any work exceeds one month, to complete one-fourth of the whole of the work before one fourth of the whole time allowed under the contract has elapsed, one half of the work, before one half of such time has elapsed, and three fourth of work before three fourths of such time has elapsed, in the events of the contractor failing to comply with the conditions, he shall be liable to pay as compensation an amount equal to one-third percent on the said estimated cost of the whole work for everyday that the due quantity of work remains incomplete. Provided always that the entire amount of compensation to be paid under the provisions of this clause shall not exceed 10 percent of the estimated cost of the work as shown in the tender.

(b) If there are possibilities of exceeding this compensation amount as mentioned in clause (a) 10% of the estimated cost, or in any case in which under any clause or clauses of this contract the contractor shall have rendered himself liable to pay compensation amounting to the whole of his security deposit in the hands of Government (whether paid in full at a time or deducted by installments) the **Superintending Engineer**, on behalf of the Governor of Odisha, shall have power to adopt any of the following courses, as he may deem best suited to the interest of the Government.

Action when whole security deposit is forfeited.

i) To rescind the contract (of which rescission notice in writing to the contractor under the hands of the **Superintending Engineer**, shall be conclusive evidence) 20% of the value of left over work will be realized from the contractor as penalty.

ii) Security deposit of the contractor shall be refunded only one year after the date of completion of the work provided the final bill has been paid and defects, if any rectified.

Clause - 3: In any case in which any of the powers conferred upon the Superintending **Engineer**, by clause 2 thereof, shall have become exercisable and the same shall not be exercised, the non exercise thereof shall not constitute a waiver of any of the conditions here of and such powers shall notwithstanding be exercisable in the event of any future case of default by the contractor of which by any clause or clauses hereof he is declared liable to pay compensation amounting to the whole of his security deposit, and the liability of the contractor for past and future compensation shall remain unaffected, in the event of the **Superintending Engineer** putting in force the powers vested on him under the preceding clause may be, if he so desires, take possession of all or any tools, plants, materials and stores, in or upon the works, or the site thereof or belonging to the Contractor, or procured by him and intended to be used for the execution of the work or any part thereof, paying or allowing for the same in the account at the contract rates, or in case of these not being applicable, at current market rates to be certified by the **Superintending Engineer** whose certificate thereof shall be final, otherwise the **Superintending Engineer** may be noticed in writing to the contractor or his clerk of the works, foreman or other authorized agent required him to remove such tools, plants, materials, or stores from the premises (within a time to be specified in such notice) and in the event of the contractor failing to comply with any such requisition, the **Superintending Engineer** may remove them at the contractor's expense or sell them by auction or private sale on account of the contractor and at his risk in all respects, and the certificate of the **Superintending Engineer** as to the expense of any such removal and the amount of the proceeds and expense of any such sale shall be final and conclusive

Contractor remains liable to repay compensation if action not taken under clause –5.

Power to take possession of or require removal of or sell contractor's plants.

against the contractor.

Clause - 4 : If the contractor shall desire an extension of the time for completion of the work, on the ground of his having been unavoidably hindered in its execution or any other ground, he shall apply in writing to the Superintending Engineer, within 30 days of the date of the hindrance on account of which he desires such extension as aforesaid and, the Superintending Engineer, shall, if in his opinion (which shall be final) reasonable grounds be shown therefore, authorise such extension of time, if any, as may in his opinion be necessary or proper. The **Superintending Engineer** shall at the same time inform the contractor whether he claims compensation for delay. In case where the sanction of higher authority to grant extension of time is necessary, the **Superintending Engineer** will send his recommendation to higher authority. If the order of the competent authority is not received within 60 days from the date of receipt of recommendation of the Superintending Engineer, the **Addl. Chief Engineer** shall grant extension of time under intimation to the concerned authorities so that the contract shall remain in force, but while communicating this extension of time he must inform the contractor that extension is granted without prejudice to Government's right to levy compensation under relevant clause of the Agreement.

Extension time

Clause - 5 - On completion of the work, the contractor shall be furnished with a certificate by the **Superintending Engineer** (hereinafter called the Engineer-in-charge) of such completion, but no such certificate be given nor shall the work be considered to be completed until the contractor shall have removed from the area of the premises (to be distinctly marked by the **Superintending Engineer** in the site plan) on which the work shall be executed all scaffolding surplus materials and rubbish, and cleared off the dirt from all wood-work, doors, windows, walls, floors or other parts of any building in upon or about which the work is to be executed, or of which he may have had possession for the purpose of the execution thereof, nor until the work shall have been measured by the Officer of the Department of Water Resources in accordance with the rules of the department whose measurements shall be binding and conclusive against the contractor, if the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding surplus materials and rubbish and cleaning off dirt on or before the date fixed for the completion of the work, the Engineer-in-charge may at the expense of the contractor remove such scaffoldings surplus materials and rubbish and dispose of the same as he thinks fit and clean off such dirt as aforesaid and the contractor shall forthwith pay the amount of all expenses incurred and shall have no claim in respect of any such scaffolding or surplus materials; as aforesaid except for any sum actually realized by the sale thereof.

Final certificate

Sub-Clause to Clause - 5: If in the opinion of the Engineer-in-charge which shall be final and binding on the contractor occupation or utilization of a portion of the work completed is no way interferes with the progress of the rest of the work the same may be occupied or utilised by on behalf of the Government under the written order of the Engineer-in-Charge. This will not impede the right of the Engineer-in-charge to get the defects if any rectified by the contractor at his (Contractors) own cost within one year from the date of completion of the whole work provided that the contractor will not be allowed any concession either in the shape of extension of stipulated period or any other monetary compensation on account of such occupation or use.

Clause - 6: A bill shall be submitted by the contractor each month on or before the date fixed by the Engineer-in-charge for all works executed in the previous month and the Engineer-in-Charge or his subordinate shall take the requisite measurement for the purpose of having the same verified and the claim as far as admissible, adjusted, if possible, before the expiry of ten days from the presentation of the bill. If the contractor does not submit the bill within the time fixed as aforesaid, the Engineer-in-charge or his subordinate shall measure up the said work in the presence of the contractor whose countersignature to the measurement list will be sufficient warrant, and the Engineer-in-charge or his subordinate shall prepare a bill from such list which shall be binding on the contractor in all respects. Provided that, if any balance of the 10% security is outstanding from each such payment shall be deducted so much, not exceeding 5% as may be necessary to make up the balance of the security. All such intermediate payments to the contractor shall be regarded as payments by way of advance against the final payment only and not as payments for work actually done and completed and shall not preclude the requiring of bad, unsound and imperfect or unskillful work to be removed and taken away and reconstructed or re-erected , or be considered as an admission of the due performance to the contract or any part thereof in any respect, or the accrual of any claim nor shall it conclude, determine, or effect in any way the powers of the Engineer-in-charge under these conditions or any of them as to the final settlement or adjustment of the accounts or otherwise , or in any other way vary or effect the contract.

Payment on intermediate certificate be regarded as advances and bill to be submitted monthly

Clause - 7 The final bill shall be prepared by the officers of the Department of Water Resources in accordance with the rules of the Department in the presence of the contractor within one month of the date fixed for completion of the work

Clause - 8: If the specification or estimate of the work provides for the use of any special description of materials to be supplied from the Engineer-in-Charge's store, or if it is required that the contractor shall use certain stores to be provided by the Engineer-in-Charge under the conditions of this contract (such materials and stores and the prices to be charged therefore as hereinafter mentioned being so far as practicable for the convenience of the contractor, but not so as in any way to control the meaning or effect of this contract are specified in the schedule or memorandum hereto annexed) the contractor shall be supplied with such materials and stores noted in the annexed schedule as are required from time to time to be used by him for the purposes of the contract only, and the value of the full quantity of materials and stores so supplied at the rates specified in the said schedule may be set off or deducted from any sums then, due or thereafter to become due to the contractor under the contract or otherwise, or against or from the security deposit, or the proceeds of sale thereof if the same is held in Government securities, the same or a sufficient portion thereof being in this case sold for the purpose. All materials supplied to the contractor shall remain the absolute property of Government and shall not on any account be removed from the site of the work and shall at all times be open to inspection by the Engineer-in-Charge. Any such materials unused and in perfectly good condition at the time of the completion or determination of the contract shall be returned to the Engineer-in-Charge's store, at the prevailing market rate or at the issue rate whichever is less if by a notice in writing under his hand he shall so require, but the contractor shall not be entitled to return any such materials unless with such consent, and shall have no claim for compensation on account of any such materials so supplied to him as aforesaid being unused by him, or for any wastage in or damage to any such materials.

Stores supplied by Government.

Clause - 8(a): "If a contractor removes any materials or stock so supplied to him from the site of the work in contravention of the provision of this clause with a view to dispose of the same dishonestly, he shall, in addition to any other liability, civil or criminal arising out of this contract be liable to pay a penalty equivalent to five times the price of the said materials or stock, according to the stipulated rate. The penalty so imposed shall be recoverable from any sum that be then or at any time thereafter may become due to the contractor, or from his security deposit, or the proceeds of sale thereof".

Clause - 8(b): Owing to difficulty in obtaining certain materials in the open market the Government have undertaken to supply materials specified in the schedule hereto annexed. There may be delay in obtaining materials by the Department and the contractor is therefore required to keep himself in touch with the day to day position regarding the supply of materials from the Engineer-in-Charge and to so adjust the progress of the work that their labour may not remain idle nor may there be any other claim due to or arising from delay in obtaining the materials. It should be clearly understood that no monetary claim whatsoever shall be entertained by the Government on account of delay in supplying materials. However, extension of time for completion of work can be granted on timely application by the contractor vide also Clause-4.

Clause - 9: The contractor shall execute the whole and every part of the work in the most substantial and workmanlike manner, and both as regards materials and otherwise in every respect in strict accordance with the specifications. The contractor shall also confirm exactly, fully and faithfully to the designs, drawings and instructions in writing relating to the work signed by the Engineer-in-Charge and lodged in his office, and to which the contractor shall be entitled to have access at such office, for the purpose of inspection during office hour and the contractor shall, if he so requires, be entitled at his own expenses to make or cause to be made copies of the specification, and of all such designs, drawings and instructions as aforesaid.

Works to be executed in accordance with specification, drawing and orders etc.

Clause -10: The Engineer-in-Charge shall have power to make any alterations in or additions to the original specifications, drawings, designs and instructions that may appear to him necessary and advisable during the progress of work and the contractor shall be bound to carry out the work in accordance with any instructions which may be given to him in writing signed by the Engineer-in-Charge and such alteration shall not invalidate the contract and any additional work which the contractor may be directed to do in the manner above specified as part of the work shall be carried out by the contractor on the same conditions in all respects on which he agreed to do the main work, and at the same rates as are specified in the tender for the main work. The time for the completion of the work shall be extended in the proportion that the additional work differs to the original contract work and the certificate of the Engineer-in-Charge shall be conclusive as to, such proportion. And if the additional work includes any class of work, for which no rate is specified in this contract, then such class of work shall be carried out at the rates entered in the sanctioned schedule of rates of the locality during the period when the work is being carried on and if such last mentioned class of work is not entered in the schedule of rates of the district, then the contractor shall within seven days of the date of his receipt of the order to carry out the work inform the Engineer-in-

Do not invalidate contracts.

Extension of time in consequence

Charge of the rate which it is his intention to charge for such class of work, and if the Engineer-in-Charge does not agree to this rate he shall by notice in writing be at liberty to cancel his order to carry out such class of work and arrange to carry it out in such manner as he may consider advisable.

of alteration.

No deviations from the specification stipulated in the contract nor additional items of work shall ordinarily be carried out by the contractor, nor shall any altered, additional or substituted work be carried out by him, unless the rates of the substituted, altered or additional items have been approved and fixed in writing by the Engineer-in-Charge. The contractor shall be bound to submit his claim for any additional work done during any month on or before the 15th day of the following month accompanied by a copy of the order in writing of the Engineer-in Charge for the additional work and that the contractor shall not be entitled to any payment in respect of such additional work if he fails to submit his claim within the aforesaid period.

Rates of work not in estimate or schedule of rates of the District.

Provided always that if the contractor shall commence work or incur any expenditure in regard thereof before the rates shall have been determined as lastly herein before mentioned, in such case he shall only be entitled to be paid in respect of the work carried out or expenditure incurred by him prior to the date of the determination of the rates as aforesaid according to such rates as shall be fixed by the Engineer-in-Charge. In the event of a dispute, the decision of the Superintending Engineer of the Circle will be final.

Clause - 11: If at any time after the commencement of the work the Governor of Odisha shall for any reason whatsoever not required the whole thereof as specified in the tender to be carried out the Engineer-in-Charge shall give notice in writing of the fact to the contractor who shall have no claim to any payment or compensation whatsoever on account of any profit or advantage which he might have derived from the execution of the work in full but which he did not derive in consequence of the full amount of the work not having been carried out neither shall he have any claim for compensation by reason of any alterations having been made in the original specification, drawings, designs and instruction which shall involve any curtailment of the work as originally contemplated.

No compensation for alteration in or restriction of work to be carried out.

Clause -12: If it shall appear to the Engineer-in-charge or his sub-ordinate-in-charge of the work, that any work has been executed with unsound, imperfect or unskillful workmanship or with materials of any inferior description, or that any materials or articles provided by him for the execution of the work are unsound or of a quality inferior to that contracted for or otherwise not in accordance with the contract, the contractor, shall on demand in writing from the Engineer-in-Charge specifying the work, materials or articles complained of notwithstanding that the same may have been inadvertently passed certified and paid for, forthwith rectify or remove and reconstruct the work so specified in whole or in part, as the case may require or as the case may be, remove the materials or articles so specified and provide other proper and suitable materials or articles at his own proper charge and cost, and in the event of his failing to do so within a period to be specified by the Engineer-in-charge in his demand aforesaid, then the contractor shall be liable to pay compensation at the rate of one percent on the amount of the estimate for every day not exceeding ten days, while his failure to do so shall continue and in the case of any such failure the Engineer - in -charge may rectify or remove, and re-execute the work or remove and replace with others, the materials or articles complained of as the case may be at the risk and expense in all respects of the contractor.

Action and compensation payable in case of bad work.

Clause - 13: All works under or in course of execution or executed in pursuance of the contract shall at all times be opened to the inspection and supervision of the Engineer - in-charge and his subordinates and the contractor shall at all times during the usual working hours, and at all other times at which reasonable notice of the intention of the Engineer -in-charge or his subordinates to visit the works shall have been given to the contractor either himself be present to receive orders and instruction, or have a responsible agent duly accredited in writing present for that purposes. Orders given to the contractor's agent shall be considered to have the same force as if they had been given to the contractor himself.

Work to be open for inspection.

Contractor or responsible agents to be present.

Clause -14: The contractor shall give not less than five days notice in writing to Engineer-in-charge or his subordinate -in charge of the work before covering up or otherwise placing beyond the reach of measurement of any work in order that the same may be measured and correct dimensions thereof be taken before the same is so covered up or placed beyond the reach of measurement and shall not cover up or place beyond the reach of measurement, any work without the consent in writing of the Engineer in charge or his subordinate - in charge of the work and if any work shall be covered up or placed beyond the reach of measurement without such notice having been given or consent obtained the same shall be uncovered at the contractor's expense, or in default thereof no payment or allowance shall be made for such work or the materials with which the same was executed.

Notice to be given before work is covered up.

Clause -15: If the contractor or his work people, or servants shall break, deface injure or destroy any part of a building in which they may be working or any building, road, fence,

Contractor is liable for

enclosure or grass land or cultivated ground continuous to the premises on which the work or any part of it is being executed or if any damage shall happen to the work while in progress due to any cause what so ever or any imperfection became apparent in it within one year from the date of final certificate of its completion shall have been given by the Engineer-in-Charge, as aforesaid the contractor shall make the same good at his own expenses or in default the Engineer-in-Charge may cause the same to be made good by other workmen and deduct the expenses (of which the certificate of the Engineer-in-Charge shall be final) from any sums that may be then, or at any time thereafter may become due to the contractor, or from his security deposit or the proceeds of sale thereof, or of a sufficient portion thereof and the contractor shall be liable to pay any part of the expenses not so recovered by the Engineer-in-charge.

damages to the work and for imperfection within one year of final certificate.

Clause -16: The contractor shall supply at his own cost all materials (except such special materials, if any as may in accordance with the contract be supplied from the Engineer -in – charge's store), Plant, tools, appliances, Implements, ladders, cordage, tackle scaffolding and temporary works requisite or open for the proper execution of the work whether original, altered or substituted, and whether included in the specification or other documents forming part of the contract referred to in these conditions or not to which may be necessary for the purpose of satisfying or complying with the requirement of the Engineer-in Charge as to any matter as to which under this conditions he is entitled to be satisfied which he is entitled to require together with carriage therefore to and from the work. The contractor shall also supply without charge the requisite number of persons with the means and materials necessary for the purpose of setting out works and counting, weighing and assisting in the measurement of examination at any time and from time to time of the work or the materials. Failing him so doing the same may be provided by the Engineer-in-Charge at the expense of the contractor and the expenses may be adjusted from any money due to the contractor under the contract or from his security deposit or the proceeds of sale thereof or of a sufficient portion thereof. The contractor shall also provide all necessary fencing and lights required to protect the public from accident and shall be bound to bear the expenses of defense of every suit, action or other proceedings at law that may be brought any person for injury sustained owing to neglect of the above precautions, and to pay damages and cost which may be awarded in any such suit, action or proceedings to any such person or which may with the consent of the contractor be paid to compromise any claim by any such person

Contractor to supply plants, ladders, scaffolding etc; and is also liable for damages arising from non-provision of lights, fencing etc.

Clause -17(a): No female labourer shall be employed within the limits of a cantonment. The contractor shall not employ for the purpose of this contract any person who is below the age of twelve years, and shall pay to each labourer for the work done by such labourer, wages not less than the wages paid for similar work in the neighborhood. The **Superintending Engineer** shall have the right to enquire into and decide any complaint alleging that the wages paid by the contractor to any labourer for the work done by such labourer is less than the wages paid for similar work in the neighborhood. The **Superintending Engineer** shall have the right to enquire into and decide any complaint alleging that the wages paid by the contractor to any labour for the work done by such labour is less than the wages paid for similar work in the neighborhood. The officer-in-charge of the work shall have the right to decide whether any labourer employed by the contractor is below the age of twelve years and to refuse to allow any labourer whom he decides to be below the age of twelve years to be employed by the contractor.

Clause -17(b): The contractor shall, if so required by the Engineer-in-charge, employ one or more Engineering Graduates or Diploma Holders as apprentices at his own cost if the cost of work as shown in the tender exceeds Rs. 2,50,000/-. The apprentices will be selected by the Chief Engineer. The period of employment will commence within one month after the date of work order and would last till the date when 90 % of the work is completed. The stipend to be paid to the apprentices should not be less than Rs. 2000/- per month in case of Graduate Engineer and not less than Rs. 1800/- per month in case of Diploma Holder. The number of apprentices to be employed should be fixed by the Chief Engineer in a manner so that the total expenditure does not exceed 1 % of the tendered cost of the work.

Clause -17(c): Super/Special class contractor shall employ under him one Graduate Engineer and two Diploma Holders belonging to the state of Orissa. Likewise "A" class contractor shall employ under him one Graduate Engineer or two Diploma Holders belonging to the State of Orissa. Such class of contractors executing civil works, electrical works etc., shall employ under them the technical staff as specified above belonging to the respective disciplines for supervision of their works. The employment of Graduate Engineers and Diploma Holders under the contract shall be full time and continuous and they should not be superannuated, retired, dismissed or removed personnel from any state govt. or central govt. service / public sector undertakings / private companies and firms or be ineligible for appointment to govt. service. The contractor shall pay them monthly emoluments which shall not be less than the emoluments of the personnel of equivalent qualification employed under the State Govt. of

Orissa. The Chief Engineer (Roads), Orissa may however assist the contractor with names of such unemployed Graduate Engineers or Diploma Holders if such help is sought for by the contractor. The names of such engineering personnel appointed by the contractor should be intimated to the tender receiving authority along with the tender as to who would be supervising the work. Each bill of the special class or "A" class contractor shall be accompanied by an employment roll of the engineering personnel together with a certificate of the Graduate Engineers or Diploma Holders so employed by the contractor to the effect that the work executed as per the bill has been supervised by him / them.

Clause - 18: The contract shall not be assigned or sublet without the written approval of the Superintending Engineer and if the contractor shall assign or sublet his contract or attempt to do so or become insolvent or commence any insolvency, proceedings or make any composition with his creditor or attempt to do so or if any bribe, gratuity, gift, loan, perquisite reward, or advantage, pecuniary or otherwise, shall either directly or indirectly be given, promised, or offered by the contractor, or any of his servants or agents to any public officer or persons in the employment of Government in any way relating to his office or employment, or if any such officer or person shall become in any way directly or indirectly interested in the contract, the Superintending Engineer may there upon by notice in writing rescind the contract and the security deposit of the contractor shall there upon stand forfeited and be absolutely at the disposal of Government and the same consequences shall ensure as if he contract had been rescinded under the clause 2 hereof, and in addition the contractor, shall not be entitled to recover or be paid for any work thereto for actually performed under the contract.

Work not to be sublet.

Contract may be rescinded and security deposit forfeited for subletting, bribing or if contractor becomes insolvent.

Clause – 19: All sums payable by way of compensation under any of these conditions shall be considered as reasonable compensation to be applied to the use of Government without reference to the actual loss or damage sustained and whether or not any damage shall have been sustained.

Sum payable by way of compensation to be considered as reasonable compensation without reference to actual loss.

Clause – 20: In the case of a tender by partners, any change in the constitution of the firm shall be forth with notified by the contractor to the Engineer-in-charge for his information.

Changes in constitution of firm

In the case of failure to notify the change in the constitution within fifteen days the Engineer-in-charge may by notice in writing rescind the contracts and the security deposit of the contractor shall thereupon stand forfeited and be absolutely at the disposal of Government and the same consequences shall ensure as if the contract had been rescinded under clause-2 hereof, and in addition the contractor shall not be entitled to recover or be paid for any work therefore actually performed under the contract.

Clause – 21: All works to be executed under the contract shall be executed under the direction and subject to the approval in all respects of the Superintending Engineer of the Circle for the time being who shall be entitled to direct at what point or points and in what manner they are to be commenced and from time to time carried on.

Clause - 22 : DELETED.

Clause - 23 : When the estimate on which a tender is made includes lump sums in respect of parts of the work the contractor shall be entitled for payment In respect of the Items of work involved or the part of the work in question at the same rates as are payable under this contract for such items, or if the part of the work in question is not, in the opinion of the Engineer-in-charge capable of measurement, the Engineer-in-charge may at his discretion pay the lump sum amounts entered in the estimate, and the certificate in writing of the Engineer-in-charge shall be final and conclusive against the contractor with regard to any sum or sums payable to him under the provisions of this clause.

Lump sums in estimate.

Clause – 24: In the case of any class of work for which there is no such specification as is mentioned in the rule I, such work shall be carried out in accordance with Circle specification and in the event of there being no circle specification, then in such case the work shall be carried out in all respect in accordance with the instructions and requirements of the Engineer-in-charge.

Action where no specification.

Clause - 25: The expression "work" or "works" where used in these conditions shall, unless there be something either in the subject or context repugnant to such construction, be construed, and taken to mean the works by or by virtue of the contract contracted to be executed, whether temporary or permanent, and whether original, altered, substituted or additional.

Definition of work.

Clause – 26: Government shall be entitled to recover in full from the contractor any amount that the Government may be liable to pay under Workman's compensation Act VIII of 1923 to any workman employed in course of execution of any part of the work covered by this contract.

Clause – 27: That for the purpose of jurisdiction in the event of dispute if any, the contract should be deemed to have been entered into within the state of Odisha and it is agreed that neither party to the contract or of agreement will be competent to bring a suit in regard to the matters covered by this contract at any place outside the state of Odisha.

Clause – 28: The department will have the right to inspect the scaffolding and centering made for the work and can reject partly or fully such structure if found defective in their opinion.

Clause – 29: Sanitary arrangements will be made by the contractor at his own cost for his labour camp.

Clause – 30: The contractor shall bear all taxes including G.S.T; Income tax, royalty, fair-weather charges and tollage etc., where necessary.

FAIR WAGE CLAUSE

Clause – 33 (a):- The contractor shall not employ for the purpose of this contract any person who is below the age of twelve years and shall pay to each labourer for work by such labourers fair wages.

EXPLANATION – Fair wages means, wages, whether for time or piece work prescribed by the state P.W.D. provided that where higher rates have been prescribed under the minimum Wages Act, 1948, wages at such higher rates would constitute Fair Wages.

The **Superintending Engineer** shall have the right to enquire into and decide any complaint alleging that the wages paid by the contractor to any labourer for the work done by such labourer is less than the wages as per sub paragraph 1 above.

(b) The Contractor shall, notwithstanding the provision of any contract to contrary, cause to be paid a fair wage to labourers indirectly engaged on the work including any labour engaged by his sub-contractors in connection with the said work as if the labourers had been immediately employed by him.

(c) In respect of all labour directly or indirectly employed in the work for the performance of the contractor's part of this agreement, the contractor shall comply with or cause, to be complied with all regulation made by the Government in regard to payment of wages, wage period, deductions from wages, recovery of wages not paid and deductions unauthorized made, maintenance of wage register, wage cards, publications of scale of wages and other terms of employment, inspection and submission of periodical returns and all other matters of a like nature.

(d) The **Superintending Engineer / Sub Divisional Officer** concerned shall have the right to deduct from the money due to the contractor any sum required or estimated to be required for making good the loss suffered by a worker or workers by reason of non – fulfillment of the conditions of the contract for the benefit of the workers, non – payment of wages or of deductions made from his or their wages, which are not justified by their terms of the contract or non-observance of the regulations. Money so deducted should be transferred to be workers concerned.

(e) Vis-à-vis, the Government of Odisha, the contractor shall be primarily liable for all payments to be made under and for the observance of the regulations aforesaid without prejudice to his right to claim indemnity from his sub-contractor.

(f) The regulations aforesaid shall be deemed to be a part of this contract and any breach thereof shall be breach of this contract.

(g) Under the provision of the Minimum Wages Act, 1948 and the Minimum Wages (Central Rules, 1950) the contractor is bound to allow or cause to be allowed to the labourers directly or indirectly employed in the work one day rest for six days continuous work and pay wages at the same rates as for duty. In the event of default, the **Superintending Engineer / Sub Divisional Officer** concerned shall have the right to deduct the sum not paid on account of wages for weekly holiday to any labourer and pay the same to the persons entitled thereto from any money due to the contractor.

(h) The contractor shall at his own expenses provide or arrange for the provision of foot wear for any labourer doing cement mixing work and black topping of roads (the contractor has undertaken to execute under this contract) to the satisfaction of the Engineer-in-charge and on his failure to do so, Government shall be entitled to provide the same and recover the cost from the contractor.

(i) The contractor shall submit by the 4th & 19th of every month to the Engineer – in – charge, a true statement showing in respect of the second half of the preceding month and the first half of the current month respectively, (1) the number of labourers employed by him on the work (2) their working hour (3) the wages paid to them (4) the accident that occurred during the said fortnight showing the circumstances under which they happened and the extent of damage and injury caused by them and (5) the number of female workers who have been allowed maternity benefit according to clause (k) and (6) and the amount paid to them failing which the contractor shall be liable to pay to government a sum not exceeding Rs 50.00 for each default or materially in correct statement. The decision of the **Superintending Engineer** shall be final in deducting from any bill due to contractor amount levied as fine.

(j) In respect of all labour, directly or indirectly employed in the works for performance of the contractor's part of this agreement, the contractor shall comply or cause to be complied with all the rules framed by Government from time to time for the protection of health and sanitary arrangements for workers employed by the Odisha Public Works Department and its contractors. This will apply to work places having 50 or more workers.

(k) Maternity benefit rules for female workers employed by contractor:

Leaves and pay during leaves shall be regulated as follows.

1. Leave :- (i) In case of Delivery :- Maternity leave not exceeding 8 weeks, 4 weeks up to and including the day of delivery and 4 weeks following that day.

(ii) In case of miscarriage: - Up to 3 weeks from the date of miscarriage.

2. Pay :- (i) In case of Delivery :- Leave pay during maternity leave will be at the rate of the women's average daily earnings calculated on the total wages earned on the days when full time work was done during the period of three months immediately preceding the date on which she gives notice that she expects to be confined.

(ii) In case of Miscarriage :- Leave pay at the rate of average daily earning calculated on the total wages earned on the days when full time work done during a period of 3 months immediately preceding the date of such miscarriage.

2. Conditions for the Grant of Maternity Leave: - No maternity leave benefit shall be admissible to a woman unless she has been employed for a total period not less than 6 months immediately preceding date on which she proceeds on leave.

MODEL RULES FOR HEALTH & SANITARY ARRANGEMENTS FOR WORKERS BY ODISHA PW D OR ITS CONTRACTORS

1. Application: - These rules shall apply to all construction works in charge of Odisha Public Works Department which are expected to continue for a year or more.
2. Definitions: - (i) Work place means a place at which an average of fifty or more workers is employed in connection with construction work.
(ii) Large work place means a place at which an average of 500 or more workers is employed in connection with construction work.
3. First Aid :- (a) At every work place there shall be maintained in a readily accessible place first aid appliances including an adequate supply of sterilizer dressings and sterilized cotton wool. The appliance shall be kept in good order and in large work places; they shall be readily available during working hours.
(b) At large work places where hospital facilities are not available within easy distance of the work, First Aid Posts shall be established and be run by a trained compounder.
(c) Where large work places are remote from regular hospitals, an Indoor ward shall be provided with one bed for every 250 employees.
(d) Where large work places are situated in cities, towns or in their suburbs and no beds are considered necessary owing to the proximity of the city or town hospitals, an ambulance shall be provided to facilitate removal of urgent cases to these hospitals. At other work places, some conveyance facilities, such as a car shall be kept readily available to take injured persons or persons suddenly fallen seriously ill to the nearest hospitals.
4. Drinking Water: - (a) In every work place, there shall be provided and maintained at suitable places easily accessible to labour a sufficient supply of water fit for drinking.
(b) Where drinking water is obtained from an intermittent public water supply, each work place shall be provided with storage where such drinking water shall be stored.
(c) Every Water supply storage shall be at a distance of not less than 15M, (50 feet) from any latrine, drain or other sources of pollution. Where water has to be drawn from an existing well which is within such proximity of latrine, drain or any other source of pollution, the well shall be properly chlorinated before water is drawn from it for drinking. All such wells shall be entirely closed in and be provided with a trap door which shall be dust and water proof.
(d) A reliable pump shall be fitted to each covered well the trap doors shall be kept locked and opened only for cleaning or inspection which shall be done at least once a month.
(e) The temperature of drinking water supplied to workers shall not exceed 90°F.
5. Washing and bathing places :- (i) Adequate washing and bathing places shall be provided separately for men and women
(ii) Such places shall be kept in clean and drained condition.
6. Scale of accommodation in Latrines and Urinals: - There shall be provided within the premises of every work place latrines and urinals in an accessible place and the accommodation separately for each of them shall not be less than the following
(a) Where the number of persons employed : No. of seats 1
does not exceed 50.
(b) Where the number of persons employed : No. of seats 3
exceeds 50 but does not exceed 100
(c) For every additional 100 : No of seats 3 per 100
(In particular cases the **Superintending Engineer** shall have the power to verify the scale where necessary.)
7. Latrines and Urinals for Women: - If women are employed, separate latrines and urinals separate from that for men and marked in the vernacular in conspicuous letter "For Women Only" shall be provided on the scale laid in these rules.
Those for men shall be similarly marked "For Men Only". A poster showing the figure of a man or woman shall also be exhibited at the entrance of latrines for each sex. There shall be adequate supply of water close to the urinals and latrines.
8. Latrines and Urinals :- Except in work places provided with water flushed latrines and urinals connected with water born sewerage system, all latrines shall be provided with receptacles on dry earthen system which shall be cleaned at least four times daily and at least twice during working hours and kept in a strictly sanitary condition. The receptacles shall be tarred inside and out side at least once a year.
9. Construction of latrines: - The inside wall shall be constructed of masonry or stone materials and shall be cement washed inside and outside at least once a year. The dates of cement washing shall be noted in register maintained for this purpose and kept available for inspection.
10. Disposal of Excreta: - Unless otherwise arranged for by the local sanitary authorities, arrangement for proper disposal of excreta by incineration at the work place shall be made by means of suitable incinerator approved by Asst. Director of Public Health or Municipal Medical Officer or Health Officer as the case may be, in whose jurisdiction the work place is situated. Alternatively excreta may be disposed off by putting a layer of night soil at the bottom of pucca tank prepared for the purpose and covering it with a layer of waste or refuse and then covering it up with 6 inch layer of earth for a fortnight when it will turn into manure.

11. Provision of shelters during rest :- At every work place, there shall be provided free of cost two suitable shades one for meals and the other for rest for use of labourers. The height of the shelter shall not be less than 3.30 M (11 feet) from the floor level to the lowest part of roof.
12. Crèches :- (a) At every work place at which more than 50 women workers are employed, there shall be provided one hut for the use of children under the age of 6 years, belonging to such women and shall be used for infants games and play and their bed room. The hut shall not be constructed on a lower standard than the following.
 - i. Thatched roofs
 - ii. Mud floors and walls
 - iii. Planks spread over the mud floor and covered with matting

The hut shall be provided with suitable and sufficient opening for light and ventilation. There shall be adequate provision for sweepers to keep the place clean. There shall be two dhais in attendance. Sanitary utensils shall be provided to the satisfaction of the Health Officer of the area concerned. The use of the hut shall be restricted to children, their attendant and mothers of children.

 - (b) Where the number of women workers is not more than 50, the contractor shall provide one hut and one dhai to look after the children of women workers.
 - (c) The size of crèche shall vary according to the number of women workers.
 - (d) The crèche shall be properly maintained and necessary equipment like toys etc. shall be provided.
13. Canteen: - A cooked food canteen on a moderate scale shall be provided for the benefit of workers whenever it is considered expedient.

ODISHA P.W.D. / ELECTRICITY DEPARTMENT CONTRACTOR'S LABOUR REGULATIONS

1. Short title: These regulations may be called "The Odisha Public Works Department / Electricity Department contractors Regulations."
2. Definitions: In these Regulations unless otherwise expressed or indicated the following words and expression shall have the meaning hereby assigned to them respectively, that is to say.
 1. "Labour" means workers employed by a contractor of the Odisha Public Work Department / Electrical Department directly / indirectly through a sub – contractor or other person, or by an agent on his behalf.
 2. "Fair Wages" means wages whether for time or piece work prescribed by the State Public Works Department provided that where higher rates have been prescribed under the Minimum Wages Act 1948, wages at such higher rates should constitute fair wages.
 3. "Contractor" shall include every person whether a sub-contractor or headman or agent employing labour on the work taken on contract.
 4. "Wages" shall have the same meaning as defined in the Payment of Wages Act and include time and piece rate wages, if any.
3. Display of notice regarding wages, etc.:-
The contractor shall:-
 - (a) Before he commences his work on contract, display and correctly maintain and continue to display and correctly maintain, in a clean and legible condition, in conspicuous place on the work, notices in English and in the local Indian language spoken by the majority of the workers, giving the rate of wages prescribed by the State Public Works Department/ Electricity Department for the district in which the work is done.
 - (b) Send a copy such notices to the Engineer – in – charge of the work.
4. Payment of wages:-
 1. Wages due to every worker shall be paid to him direct.
 2. All wages shall have to be paid in current coin or currency or in both.
5. Fixation of wage period:-
 - (1) The contractor shall fix the wage period in respect of which the wages be payable.
 - (2) No wage period shall exceed one month.
 - (3) Wages of every workman employed on the contract shall be paid before the expiry of ten days after the last day of the wage period in respect of which the wages are payable.
 - (4) When the employment of any worker is terminated by or on behalf of the contractor, the wages earned by him shall be paid before the expiry of the day succeeding the one on which his employment is terminated.
 - (5) All payments of wages shall be made on working day.
6. Wage book and wage cards etc.
 - (1) The contractor shall maintain a Wage book of each worker in such form as may be convenient, but the same shall include the following particulars. :
 - (a) Rate of daily or monthly wages.
 - (b) Nature of work on which employed.
 - (c) Total number of days worked during each wages period.
 - (d) Total amount payable for the work during each wage period.
 - (e) All deductions made from the wages with an indication in each case of the ground for which the deduction is made.
 - (f) Wage actually paid for each wage period.
 - (2) The contractor shall also maintain a wage card for each worker employed on the work.
 - (3) The **Superintending Engineer** may grant an exemption from the maintenance of wage bond, wage cards to a contractor who in his opinion may not directly or indirectly employ more than 100 persons on the work.
7. Fines and deductions which may be made from wages:-
 - (1) The wage of a worker shall be paid to him without any deduction of any kind except the following.
 - (a) Fines

- (b) Deduction for absence from duty, i.e. from the place or places where by the terms of his employment he is required to work. The amount of deductions shall be in proportion to the period for which he was absent.
- (c) Deduction for damage or loss of goods expressly entrusted to the employed person for custody, or for loss of money for which he is required to account where such damage or loss is directly attributable to his neglect or default.
- (d) Any other deductions which the Government may from time to time allow.
- (2) No fines shall be imposed on a worker and no deduction for damage or loss shall be made from his wages until the worker has been given an opportunity for showing cause against such fines or deduction.
- (3) The total amount of fines which may be imposed in anyone wage period on a worker shall not exceed an amount equal to five paise in a rupee of the wages payable to him in respect of that wage period.
- (4) No fine imposed on any worker shall be recovered from him by installments or after the expiry of 60 days from the date on which it was imposed.
8. Register of fines, etc:-
- (1) The contractor shall maintain a register of fines and of all deductions for damage or loss. Such register shall mention the reason for which fine was imposed or deduction for damage or loss was made.
- (2) The contractor shall maintain a list in English and in the local Indian language clearly defining acts and omissions for which penalty or fine can be imposed. It shall display such list and maintain it in a clean and eligible condition in conspicuous places of the work.
9. Preservation of register:-
- The wage registers, the wage cards and the register of fines, deductions required to be maintained under these regulations shall be preserved for 12 months after date of the last entry made in them.
10. Power of Labour Welfare Officers to make investigation/ inquiry:-
- The Labour Welfare Officer or any other persons authorised by the Government of Odisha on their behalf shall have power to make enquiries with a view to ascertaining and enforcing due and proper observance of the fair wage clauses and the provisions of the regulations. He shall investigate into any complaint regarding default made by the contractor/Sub-contractor in regard to such provisions.
11. Report of Labour Welfare Officer:-
- The Labour Welfare Officer or other authorised as aforesaid shall submit a report of the result of his investigation or enquiry to the **Superintending Engineer** concerned indicating the extent, if any, to which the default has been committed with a note that necessary deduction from the contractor's bill be made and the wages and the other dues be paid to the labourers concerned.
12. Appeal against the decision of Labour Welfare Officer:
- Any person aggrieved by the decision and recommendation of the Labour Welfare Officer or other person so authorised may appeal against such decision to the Labour Commissioner within 30 days from the date of decision forwarding simultaneously a copy of his appeal to the **Superintending Engineer** concerned but subject to such appeal, the decision of the officer shall be final and binding upon the contractor.
13. Inspection of Registers:-
- The contractor shall allow inspection of the wage book and wage cards to any of his workers or to his agent at a convenient time and place after due notice is received, or to the Labour Commissioner or any other person authorised by the Government of Odisha on his behalf.
14. Submission of return:-
- The contractor shall submit periodical returns as may be specified from time to time.
15. Amendment:-
- Government of Odisha may from time to time, add to or amend these regulations. On any question as to the application, interpretation on effect of these regulations, the decision of the Labour Commissioner or any other person authorised by the Govt. of Odisha on that behalf shall be final.

Clause -34: The royalty of materials will be recovered from the work bill in case of failure of production of proper receipt from quarry Holder or Revenue Department after proper verification from concerned Tahasildar.

Clause -35: Amount specified may vary and the work will be taken up as per availability of funds. No claim what-so-ever in this regard will be entertained.

Clause-36: (a) The earth work quantity will be assessed from cross sections taken at suitable intervals as decided by the **Superintending Engineer**. Initial levels will be taken with reference to bench marks, which should be kept at site till finalisation of the contract. The initial cross section papers should be signed by both the parties before starting earth work. The final cross sections of the embankment in filling reaches when finished to designed section will be taken for each portion of embankments and plotted over the initial level sections to ascertain the final quantity to be arrived by deducting necessary settlement allowance. The measurement for earth work should be at 30 M or at closer grid.

(b) Stone to be excavated shall be measured in solid normally, but if the site condition do not permit solid measurement as assessed by the Engineer-in-Charge due to a mixture of various rock in the particular location, stack measurement will be taken at the direction of the Engineer-in-charge from the stacks to be measured. Deduction shall be made for voids at 40 % minimum for closely packed stacks subject to increase in percentage according to the nature of compactness in stacking. No consideration will be given to any adverse condition by the contractor in his tender.

(c) Rubble stones, boulders, rough stones, soling stones are measured by volume of closely packed stacks. 1/6th volume for voids shall normally be deducted from closely packed stacks. Percentage of void shall be determined an actual observation and deducted.

(d) 12 ½ voids shall be deducted from metal and moorum stacks. The box of size 1.5m X 1.5m X 0.5 m to be measured as 1.5m X 1.5m X 0.44 = 1 cum. Similar measurement to be adopted for gravel stacks also and voids deducted. The rates are excluding voids.

Clause-37: Curing of all cement works will be done by the contractor as per instruction of the Engineer-in-charge at his own cost.

Clause-38: Dewatering of any magnitude either of excavation of foundation to finished section and laying concrete or masonry work or any structure when and wherever necessary during complete execution period will have to be done by the contractor at his own cost. This is treated to be inclusive of his tendered rate.

Clause-39: (a) The contractor should keep himself in constant touch with the Engineer-in-charge for smooth execution of work and arrange for adequate labourer depending on the work load and working place available. No claim for idle labour on any account will be entertained.

(b) The contractor is fully responsible for safe guard of the Govt. property entrusted to him.

Clause-40: No extension of time shall be allowed to the contractor, however it may be considered in case of exigencies like natural calamities only. The extension of time may be allowed if authority feels necessary. But no claim for monetary compensation will be entertained under any circumstances.

Clause-41: After completion of the work the contractor shall arrange at his own cost all requisite equipments and labour for testing the work and bear the entire cost of such test.

Clause-42: All correspondence with the tenderer will be made through post in the address given in the tender. The tenderer must mention in the tender, his correct postal address where letters can be delivered to him. The department will not hold responsible for non receipt of any letter by the tenderer either for wrong address given by him or for his absence from the given address.

Clause-43: Any jungle clearance needed for borrowing earth beyond the toe of the embankment beyond the excavation limits is the responsibility of the contractor and no extra payment will be made.

Clause-44: Earth work beyond the theoretical designed will not be paid for.

Clause-45: Construction of coffer dams or islands or the works of open excavation or dressing required for construction of structure and approach drain should be included in the rates.

Clause-46: The contractor should take all precautions to protect the structures from flood damages at his own cost during the period of execution. Damages if any caused by the probable flood during monsoon till completion and handing over of entire work will be made by the contractor at his won cost.

Clause-47: By submitting a tender for any work the tenderer will be deemed to have satisfied himself by actual inspection of the site/quarry and locality of the work about the quality and availability of the required quantity of materials including medical aids, labour and food stuff etc; and that the rates quoted by him in the tender will be adequate to complete the work according to the specification and conditions attached to and that he has taken into account all conditions, difficulties that may be encountered during its progress and to have quoted labour rates and materials, octrai and other duties, leads, lifts loading and unloading and freight for materials and all other charges necessary for the completion of the work to the entire satisfaction of the Engineer-in-Charge of the work and his authorized sub-ordinates. After acceptance of the contractor's rates Govt. will not pay any extra charges for any reason in case the contractor is found later on to have misjudged in conditions as regards availability of materials, labour or any other factors. It should be understood clearly that no claim whatsoever will be entertained afterwards on the plea of non- availability of proper quantity of materials including food stuff or any other cause.

Clause-48: It shall be distinctly understood that it is entirely the responsibility of the contractor to make such arrangement as may be required from time to time to protect the men, machinery, materials and the work under progress and work for which the measurements were recorded and a payment made.

Clause-49: The embankment slopes and banks will be maintained by the contractor till the final payment is made and any rain cuts, side settlements that would occur should be made good by him at his own cost without any claim.

Clause-50: (a) There will not be any compensation or extension of time granted for the reason of adequate cash flow.

(b) Works could be suspended depending on availability of funds and no compensation will be admissible on this accord except sanction of extra time.

(c) No compensation / claim for delay in sanction of deviation / extra items and payment there of will be admissible to contractor.

Clause-51: The contractor shall be responsible for compensation to any of his workman under Workmen's Compensation Act.

Clause-52: In case of down loaded tenders received with any addition, alternation & deletion, the approved tender document available with the Superintending Engineer Borigumma(K) is binding.

Clause-53:- As per para No. 4 of the Resolution No. 12653 dated. 15.12.2008 of Govt. of Odisha Labour & Employment Deptt. the levy and collection of Cess @ 1% on the cost of construction should be paid by the Agency.

The terms and conditions of the agreements have been read/ explained to me and certify that clearly understand them.

ADDENDUM TO CONDITION OF CONTRACT.

1. NOTIFICATION OF AWARD AND SIGNING OF AGREEMENT

1.1. The bidder / tenderer whose bid has been accepted will be notified of the award by the Engineer-in-Charge prior to expiration of the validity period by cable, telex or facsimile confirmed by registered letter. This letter (herein after and in the conditions of contract called the "Letter of acceptance") will state the sum that the Engineer-in-Charge will pay the contractor in consideration of the execution, completion and maintenance of the works by the contractor as prescribed by the contract (herein after and in the contract called the "contract price").

1.2. The notification of award will constitute the formation of the contract, subject only to the furnishing of a performance security (I.S.D.) and additional performance security in accordance with the provisions of the agreement.

1.3. The agreement will incorporate all agreements between the officer inviting the bid / Engineer-in-Charge and the successful bidder. Within 15 (fifteen) days following the notification of award along with the letter of acceptance, the successful bidder will sign the agreement and deliver it to the Engineer-in-Charge. Following documents shall form part of the agreement.

i The notice inviting bid, all the documents including additional conditions, specifications and drawings, if any, forming the bid as issued at the time of invitation of bid and acceptance thereof together with any correspondence leading there to and required amount of performance security including additional performance security.

ii Standard P.W.D. form F2.

2. TIME CONTROL.

2.1 Progress of work and re-scheduling programme.

2.1.1. The **Superintending Engineer / Engineer in charge** shall issue the letter of acceptance to the successful contractor. The issue of the letter of acceptance shall be treated as closure of the Bid process and commencement of the contract.

2.1.2. Within 15 days of issue of the letter of acceptance, the contractor shall submit to the Engineer-in-charge for approval and programme commensurate to clause no 2 showing the general methods, arrangements, and timing for all the activities in the works along with monthly cash flow forecast.

2.1.3. To ensure good progress during the execution of the work the contractors shall be bound in all cases in which the time allowed for any work exceeds one month to complete, 1/4th of the whole of the work before 1/4th of the whole time allowed under the contract has elapsed, 1/2 of the whole of the work before 1/2 of the whole time allowed under the contract has elapsed, 3/4th of the whole of the work before 3/4th of the whole time allowed under the contract has elapsed.

2.1.4 If at any time it should appear to the Engineer-in-charge that the actual progress of the work does not conform to the programme to which consent has been given, the contractor shall produce, at the request of the Engineer-in-charge a revised programme showing the modifications to such programme necessary to ensure completion of the work within the time for completion. If the contractor does not submit an updated programme within this period, the Engineer-in-charge may withhold the amount of 1% of the contract value from the next payment certificate and continue to withhold this amount until the next payment after the date on which the over due programme has been submitted.

2.1.5 An update of the programme shall be a programme showing the actual progress achieved on each activity and the effect of the progress achieved on the timing of the remaining work including any changes to the sequence of the activities.

2.1.6 The Engineer-in-charge's approval of the programme shall not alter the contractor's obligations. The contractor may revise the programme and submit it to the Engineer-in-charge again at any time. A revised programme is to show the effect of variations and compensation events.

2.2. Extension of the Completion date.

2.2.1 The time allowed for execution of the work as specified in contract data shall be the essence of the contract. The execution of the works shall commence from the 15th day or such time period as mentioned in letter of award after the date on which the Engineer-in-charge issue written orders to commence the work or from the date of handing over of the site whichever is later. If the contractor commits default in commencing the execution of the work as aforesaid, Government shall without prejudice to any other right or remedy available in law, be at liberty to forfeit the earnest money and performance guarantee/security deposit absolutely.

2.2.2 As soon as possible after the contract is concluded the contractor shall submit a time and progress chart for each milestone and get it approved by the Department. The chart shall be prepared in direct relation to the time stated in the contract documents for completion of items of the work, it shall indicate the forecast of the dates of commencement and completion of various trades of section of the work and may be amended as necessary by agreement between the Engineer-in-charge and the Contractor within the limitation of time imposed in the contract documents, and further to ensure good progress during the execution of the work the contractor shall in all cases in

which the time allowed for any work, exceeds one month (save for special jobs for which a separate programme has been agreed upon) complete the work as per milestone given in contract data.

2.2.3 In case of delay occurred due to any of the reasons mentioned below, the contractor shall immediately give notice therefore in writing to the Engineer-in-charge but shall nevertheless use constantly his best endeavors to prevent or make good the delay and shall do all that may be reasonably required to the satisfaction of the Engineer-in-charge to proceed with the works.

i. Force majeure or

ii. Abnormally bad weather or

iii) Serious loss or damage by fire or

iv) Civil commotion, local commotion of workmen, strike or lockout, officers any of the heads employed on the work or

v) Delay on the part of other contractors or tradesmen engaged by Engineer-in-charge, in executing work not forming part of the contract.

vi) In case of variation is issued which makes it impossible for completion to be achieved by the intended completion date without the contractor taking steps to accelerate the remaining work and which would cause the contractor to incur additional cost or

vii) Any other cause, which, in the absolute discretion of the authority mentioned, in contract data is beyond the contractor's control.

2.2.4 Request for re-schedule and extension of time to be eligible for consideration shall be made by the contractor in writing within fourteen days of the happening of the event causing delay. The contractor may also, if practicable, indicate in such a request the period for which extension is desired.

2.2.5 In any such case a fair and reasonable extension of time for completion of work may be given. Such extension shall be communicated to the contractor by the Engineer-in-charge in writing. Within 3 months of the date of receipt of such request, Non application by the contractor for extension of time shall not be a bar for giving a fair and reasonable extension by the Engineer-in-charge and this shall be binding on the contractor.

2.3. Compensation for delay.

2.3.1 If the contractor fails to maintain the required progress in terms of clause 2 or to complete the work and clear the site on or before the contract or extended date of completion he shall without prejudice to any other right or remedy available under the law to the Government on account of such breach pay as agreed compensation the amount calculated at the rates stipulated below as the Superintending Engineer (whose decision in writing shall be final and binding) may decide on the amount of tendered value of the work for every completed day /month (as applicable) that the progress remains below that specified in clause 2 or that the work remains incomplete. This will also apply to items or group of items for which a separate period of completion has been specified compensation @ 1. 5% per month for delay of work, delay to be computed on per day basis. Provided always that the total amount of compensation for delay to be paid under this condition shall not exceed 10% of the tendered value of work or to the tendered value of the item or group of items of work for which a separate period of completion is originally given. The amount of compensation may be adjusted or set off against any sum payable to

the contractor under this or any other contract with the Government. In case the contractor does not achieve a particular milestone mentioned in contract data, or the rescheduled milestone(s) in terms of clause 2.5 the amount shown against that milestone shall be withheld, to be adjusted against the compensation levied at the final grant of extension of time. Withholding of this amount on failure to achieve a milestone, shall be automatic without any notice to the contractor. However, if the contractor catches up with the progress of work on the subsequent milestone(s) the withheld amount shall be released. In case the contractor fails to make up for the delay in subsequent milestone(s) amount mentioned against each milestone missed subsequently also shall be withheld. However no interest, whatsoever, shall be payable on such withheld amount.

2.4 Bonus for early completion: ---Deleted---

2.5 Management of Meetings.

2.5.1 Either the Engineer or the contractor may require the other to attend a management meeting. The business of a management meeting shall be review the plans for remaining work and to deal with matters raised in accordance with the early warning procedure.

2.5.2 The Engineer shall record the business of management meetings and is to provide copies of his record to those attending the meeting and to the employer. The responsibility of the parties for actions to be taken is to be decided by the Engineer either at the management meeting or after the management meeting and stated in writing to all who attended the meeting.

RELEVANT PROVISION IN THIS CONTRACT STANDS MODIFIED ACCORDINGLY.

SECTION – 5

5.3. The earnest money deposited by the unsuccessful tenderers will be refunded as per relevant rules in force.

5.4. Special Class contractors shall employ under him one Graduate Engineer and two Diploma holders belonging to the State of Odisha. Likewise an 'A' Class contractor shall employ under him one Graduate Engineer or two Diploma holders belonging to state of Odisha. The employment of such graduate Engineer and Diploma holders under the Contractor shall be for full time and continuous and they shall not be superannuated, retired, dismissed or removed personnel from any State Government/Central Government Service / Public Sector Undertakings /Private companies and firm or be ineligible for appointment to Govt. service. The contractor shall pay them monthly emoluments, which shall not be less than the emoluments of the personnel of equivalent qualification employed under the State Govt. of Odisha.

The Chief Engineer Roads, Odisha may however assist the contractor with names of such unemployed Graduate Engineers and Diploma holders if the contractor seeks for such help. The name of such Engineering personnel appointed by the contractor who would be supervising the works should be intimated to the tender receiving authority along with each tender. Each bill of the contractor shall be accompanied by an employment roll of engineering personnel together with certificate of the Graduate Engineer or Diploma holder employed by the contractor to the effect that the work executed as per the bill has been supervised by him.

5.5. No part of the contract shall be sublet without written permission of the Engineer-in-charge or any transfer be made by power of attorney authorizing others to receive payment on behalf of the contractor.

5.6 No tenderer is permitted to furnish their tender in his own manuscript paper.

6. OBSERVATIONS OF LAWS AND LOCAL REGULATIONS, ACCIDENTS AND SAFETY MEASURES:

The Contractor shall observe all State and Local rules and regulations so far as they are relevant in controlling the operations involved carrying out the work and indemnify the Govt and employees of the Govt. against all suite, losses, demands, actions, judgments and cost of every kind resulting from the commissions and omissions of the contractor and his employees in violation of the said rules and regulations.

6.1 Department for payment of the compensation under Workmen's Compensation Act VIII of 1923 on account of the workmen being employed by him and the full amount of compensation awarded by any competent court of law to the workmen will be recovered from the contractor and will be paid to the workmen as per direction of the court.

6.2 The contractor shall have to abide by the Labour Laws and Rules in vogue and shall provide at his own cost housing, water supply, sanitation, medical aid and other facilities to the labours engaged in the work as required under Labour Laws and Regulations. The Contractor shall not employ labour of minor age group.

6.3 The contractor shall have to abide by the safety code introduced by the Govt. of India, Ministry of Works, Housing and Supply in their standing order No.44150 dated 25.11.57.

6.4 Blasting where required shall be taken up only when proper precaution have been taken for the protection of lives and property in accordance with I.S. 4081 – 1967: Safety code for blasting and related drilling operations. Only persons licensed for and thoroughly conversant with the working methods and precaution to be observed in using explosives shall carry out blasting. To avoid the danger of injury from flying debris, all personnel in a blasting area shall retreat to an adequate cover. While carrying out excavation adequate precautions in accordance with I.S. 3764 – 1966: Safety code for excavation works shall be taken for the safety of workers. The contractor shall have to abide by the blasting rules & regulations.

6.5 In case of any damage to Govt. or public property or to the property owned to any persons or firms or bodies due to negligence or any such action of the contractor resulting in damage or stoppage or work there by, the contractor shall be liable to be penalized to the extent of the assessed value of the damage or the out turn lost.

7. CHANGE OF ADDRESS OF CONTRACTOR:

The Contractor shall inform the Engineer and the Department any change of his postal address from time to time from the one given in the tender paper and authorize any person with due intimation to the Engineer-in-charge and the Department to receive instruction or communication from the Department on his behalf, failing which the said undelivered instructions and communications published in the notice board of the Engineer-in-charge shall be treated to be intimation to the Contractor and the same shall be binding on him. All the correspondence should be made in English.

8. ARCHAEOLOGICAL FINDINGS:

The contractor shall deliver to the Engineer-in-charge all articles of archaeological importance as and when those are found in course of execution.

9. CONTEMPORARY CONTRACTORS:

The contractor shall take into consideration the needs and requirements of the other contractors if any, working in the vicinity during the tenure of his contract and shall neither take nor cause to be taken any steps or actions that may cause disruption / disturbance to their work, labour or arrangements etc. Any action by the contractor that the Engineer-in-charge in his unquestioned direction may consider as infringement of the above would be considered as a breach of contract and he may take such action against the contractor as deemed fit.

10 TAXES:

a. The rates quoted by the Contractor shall be deemed to include GST and other taxes including royalties of all materials that the contractor will have to purchase for performances of this contract.

b. During the course of contract period conditions as may be required under the provision of Odisha GST Act and Rules should be binded with the contract.

c.. In case any amendment to the existing provisions is made during the tenure of the contracts, the same will be applicable to this contract.

d. Income Tax: Two percent (%) + surcharge of the gross amount of each ongoing account as applicable will be recovered from the contractor towards Income Tax (Provisional or as advised by Income Tax Department).

e. Labour Cess – 1%.

11. INTEREST:

Under no circumstances interest is payable for dues of the Contractor if any lying unpaid or payable for the work.

12. PLANS AND DRAWINGS:

The work has to be carried out in accordance with the Odisha Detailed Standard Specification and relevant I.S. Specification pertaining to the tendered items of work and specifications and special conditions appended here to. Drawings will be supplied to the contractor to execute the work in general conformity therewith. These drawings will be supplemented by such additional, general and detail drawings or directions as may be considered necessary or desirable as the work progress. No claim will be entertained due to change of drawing. Where details shown on those drawings differ from the requirement of the specifications, the requirement of the specifications shall govern and the contractor shall not work without proper drawings, direction and instructions. He shall check all drawings carefully and bring to the notice of the Engineer-in-charge any error and omissions and discovered, where upon the Engineer-in-charge shall prepare revised additional drawings and specifications as may be required. All such additional general and detailed drawings will be binding on the Contractor under the same terms and conditions as provided in clauses of F2 agreement. The decision of the Engineer-in-charge with regards to specification is final, for which no compensation or claim will be entertained.

13. CONSTRUCTION PROGRAMME:

A.i) The contractor shall have to submit the construction programme i.e. the plan and programme of execution for completion of the work at the time of agreement to the Engineer-in-charge. The Engineer-in charge shall have to approve the said construction programme by fixing a pragmatic mile stone with reference to the provisions laid down under clause 2(a) of the condition of the contract, for timely completion of the work and accordingly the work is required to be executed.

ii) If the revised construction programme is required on account of non-completion of work for which Extension of Time is required or for disruption of the execution in the stipulated period, the contractor shall have to submit the same to the Engineer-in-charge along with the Extension of Time application, if extension of time is prayed for or immediately after disruption of the execution mentioning the clear reasons as the case may be, for revision of work programme. The

decision of the Engineer-in-charge is final and binding on the contractor. The contractor shall arrange for additional shifts whenever necessary to suit the revised construction programme. No extra payment on this account is admissible.

B. The contractor has to make adequate lighting arrangements for night works wherever necessary in fulfillment of the construction programme at his own cost and no extra payment on this account is admissible.

14. AVAILABILITY OF LABOUR:

Labour required for the work may not be available to the full extent in the locality. The contractor may have to import labour from outside. He shall arrange and regulate the labour strength according to necessity. The Department shall not entertain the claim for any idle labour whether or not at the fault of the contractor or due to any other reasons whatsoever. The contractor's item rate in the tendered are deemed to have adequate coverage on account of import and employment of required labours and providing facilities and amenities to them.

15. SUSPENSION OF WORK:

The Engineer-in-charge may from time to time by written orders without in any way deviating the contract, direct the contractor to suspend the work or any part there of at such time and the contractor shall not after receiving such written order proceed with the work or items there of ordered to be suspended until he shall have received a written notice from the Engineer-in-charge to proceed with the work again. Should the work be ordered to be suspended directly in the interest of safety of the work due to acts of God or major war or indirectly as a result of the contractor not complying with any of the provisions of the contract in respect of the quality of the materials, workmanship, programmed of execution he shall not be entitled to claim any compensation for any loss he may be put to directly or indirectly for such suspension of work.

During the period of suspension of the work the contractor shall properly protect and secure the works as necessary in the opinion of the Engineer-in-charge.

16. ITEMS NOT COVERED IN THE SCHEDULE:

The items of work not covered in the agreement shall be paid in the current schedule of rates of the State and those not covered by the said schedule of rates will be paid on actual analysis approved by competent authority.

17. FORCE MAJEURE:

The contractor shall take all precautions to protect the work from damages due to rains, flood, cyclones, fire or by any other natural calamity, public agitation or riots etc and also make good such damage if any at his own cost during the period of execution and till the work is taken over by the Department. No compensation will be paid to the contractor on account of idle labour due to above reason.

18. TOOLS AND PLANT:

The contractor should arrange necessary tools, plant and machineries for the efficient execution of work at his own cost and the rates quoted should be inclusive of such charges. The department may lend on hire some machineries for use in the work subject to their availability on terms and condition as shall be specified by the Department from time to time and after execution of necessary agreement. But on the plea of non supply of machineries by the Department, the works should not be delayed nor any compensation on such account is tenable nor will the contractor be eligible for any time extension on that score.

19. HAUL ROADS:

All haul roads to borrow areas and quarries will be constructed and maintained by the contractor at his own cost. The roads so constructed shall be allowed to be used free of cost by agencies working in other reaches including Govt. Department unless other wise restricted by the Engineer-in-charge.

20. DEPARTMENTAL STOCK MATERIALS:

The contractor may be issued stock materials as per terms and conditions specified under Clause - 8 of F2 contract for bonafied use in the work. It shall be his responsibility to make all arrangements for proper transport, safe storage, watch and ward of materials and all other charges incidental there on. No payment shall be made on this account to the contractor separately. He shall be responsible for any loss or damage of departmental materials and machinery during transit and execution of work.

21. CONSTRUCTION SHEDS:

Temporary structures may be erected by the contractor at his expenses for storage sheds, office, residence, labour hutments etc; on the land available with the Department with the permission of the Engineer-in-charge. On completion of the work these structures should be dismantled and the site cleared and handed over to the Department.

22. RATES:

22.1. In the event of delay in supply of departmental materials or supply of detailed structural designs for unavoidable reasons, reasonable extension of time will be granted on the application of the contractor. But no claim for monetary compensation will be entertained under any circumstances.

22.2. Any slip debris and other foreign materials deposited on the working region on account of rains, flood or any other cause prior to and during the course of execution and till the work is completely taken over by the department have to be cleared by the contractor at his cost. The rates quoted by the contractor shall be inclusive of all such contingencies.

22.3. The contractor shall not interfere with the execution of water supply or electrical arrangements or any other works entrusted to any other agency by the Department at any time during progress of work.

22.4. It shall be the responsibility of the contractor to make such arrangements as may be required from time to time to protect men, machinery and the works against damage due to flood and the department accepts no liability whatsoever for damage or loss on this context.

23. SITE CLEARANCE:

Such portion of the site of work as may be considered necessary for the purpose of alignment and demarcation shall be cleared of jungle, if any by the contractor at his own cost. The limits of the structure within which work will be carried out within the scope of the contractor shall be suitably demarcated by the Department. The contractor has to supply

necessary labour at his own cost for fixing benchmark pillars/alignment pillars / alignment and pegs and also for layout, leveling and profiling and maintaining the same till completion of the work. The contractor at his own cost will supply cement concrete pillars required for layout. The layout and Bench mark pillars already laid out by the Department is to indicate generally this alignment of Canal in the field. The contractor while taking up excavation works will preserve original pillars.

24.1. The contractor should keep himself in touch with the Engineer-in-charge for smooth execution of work and arrange adequate labour depending upon the work load and working space available. No claim whatsoever for detention / idle of labour will be entertained.

25. OTHER CONTRACTORS:

Contractor's operations shall be so planned as to prevent water from his work flowing or finding way in to the neighboring reaches. In the event of water from his reach flowing or finding way into the neighboring or subsequent reaches, the respective contractor shall be liable to pay compensation towards any expenditure incurred and loss or damage sustained by the concerned contractor(s) on account of the said reasons unless they otherwise mutually settle the issue amongst themselves. Provided that if there, by any dispute among the contractors on the account of such compensation arises, the decision of the Engineer-in-charge shall be final and conclusive and binding on concerned contractor.

26. ORDER BOOK:

An order book with pages serially numbered will be issued by the **Superintending Engineer** shall be maintained by the Sectional Officer systematically till completion of the work and there after surrender it, to the Engineer-in-charge for record. The order book shall be available at the site during work hours for recording instructions relating to the work. Order regarding the work as and when necessary shall be entered in this book by the **Superintending Engineer** or his superiors in office with their dated signature in exercise of statutory power vested on them which shall be duly noted by the contractor or his authorized agent with his dated signature. The Superintending Sub-ordinate, the in charge of work shall also record his observation of defective work and such orders / observation entered in this book, and noted by the contractor agent shall be considered to have been duly given to the contractor, similarly orders entered by the Superintending Engineer and Chief Engineer shall be deemed to have been duly issued by the Engineer - in - charge for the contract.

27. CLAIM BOOK:

A claim book of pages serially numbered shall be issued by the **Superintending Engineer** to the contractor who shall maintain it systematically and securely, and shall record in it such items as are not covered by his contract and or claimable as extra claim shall be entered in this book under the dated signature of the contractor or his duly authorized agent at the end of each month.

A certificate should be furnished by him along with those claims to the effect that beyond the claims entered in the book, the contractor has no other claims up-to-date. If in any month there are no claims to be recorded, a certificate to that effect should be furnished by the contractor in the claim book. Each claim must be definite and should give also as far as possible the quantities as well as the total amount claimed. The claim book must be submitted regularly by the contractor to the Engineer-in-charge by the 10th day of each month for his orders. Claims not made in this manner are liable to be summarily rejected. The claim book shall be finally surrendered by the contractor to the Engineer-in-charge for record.

28. RULE TO VERBAL ORDER:

It shall be the contractor's responsibility to get any verbal orders, instructions or directions confirmed in writing without which no cognizance will be taken of such verbal orders, instructions or directions for settlement of any claim arising there of.

29. STATUTORY OBLIGATIONS OF CONTRACTOR:

The contractor shall have to arrange water required for the work at his own cost.

29.1. The contractor shall have to construct and maintain coffer dam as required for the work during execution at his own cost.

29.2. Bailing out water from foundation, construction of cross bund, dewatering wherever necessary during execution of the work shall have to be done by the contractor at his own cost.

29.3. Gangway, scaffolding or any such arrangements required for the work are to be provided by the contractor at his own cost as per direction of the Engineer-in-charge. The Department will have the right to inspect such arrangement made for the work and reject partly or fully such structures found defective in opinion of the Engineer-in-Charge.

29.4. Department shall not pay compensation to the contractor for the damage occurred to the materials and work entrusted to his due to natural calamities

30 DEPARTMENTAL RIGHT FOR DEVIATION IN QUANTITIES:

Right is reserved to make such increase or decrease in quantity or item of work mentioned in the schedule attached to the tender notice as may be considered necessary for satisfactory completion of the work and such increase or decrease shall in no way invalidate the contract.

31. SAFETY OF MACHINERIES:

Unusual flood may occur during the working season. In the event of overtopping or breach in the cofferdam/embankment due to such flood in the working season resulting in flooding of the working area or outside the working area, the contractor shall make his own arrangement to shift the machineries and equipments, materials etc. to a safe place at his own cost. The work shall be resumed after the floods. Necessary reconstruction of the cofferdam / embankment clearing the working area of debris and silt shall have to be done by the contractor at his own cost. Suitable extension of time may however be granted in such eventualities at the request of the contractor, but no compensation whatsoever shall be paid in this regard.

32. CONTRACTOR DYING, BECOMING INSOLVENT, INSANE OR IMPRISONED:

(a) In the event of the death, insanity, insolvency and imprisonment of the contractor or the contractor being a partnership firm becomes dissolved or being a corporation goes into the liquidation, the contract may be terminated by notice in writing pasted at the site of work and advertised in one issue of the local newspaper and all acceptable works shall be paid for after recovering all the contractor's dues to Govt. there from at appropriate rates to the person or persons entitled

to receive and give an dishonor age for the payment. (b) If the contractor becomes bankrupt or has a receiving order made against him or compound with his creditor or being a Corporation commence to be wound up not being a voluntary winding up for the purpose only an amalgamation or reconstruction or carry on its business under a receiver for the benefit of the creditors of any of them, the Department shall be at liberty i) To give such liquidator, receiver, or other person the option of carrying out the contract subject to his providing a guarantee for the due, faithful performance of the contract up to an amount to be determined by the Department. ii) To terminate the contract forthwith by notice in writing to the contractor or to the liquidator or receiver or to any person in whom the contract may become vested and to act in the manner as per prevalent clauses of F2 contract.

33. MEASUREMENT OF EARTH WORK SHALL BE TAKEN AS FOLLOWS:

Before commencement of work initial levels and to determine the final measurement of the work, final levels of the ground / river bed and bank or structural work as the case may be, shall be taken in presence of the contractor. The contractor will satisfy himself about the correctness of the initial and final levels entered in the level book issued by the Engineer-in-charge and in token of the acceptance of the said levels the contractor shall have to sign in each page of level book in which the said levels are recorded. Basing on these levels, the gross quantity of work executed by the contractor shall be arrived at. After completion of the work the contractor shall be given a written notice to attend the final measurement. On receipt of the notice, the contractor must have to attend the final measurement failing which the measurement ex-parte shall be taken by the Engineer-in-charge which shall be binding on the contractor. In case of the abandonment of work, if it is decided by the Engineer-in charge that final measurements of executed work shall be taken, the same procedure shall be followed as in case of final measurement on completion of work. It is the responsibility of the contractor to make the site free from all problems to take measurement by the **Superintending Engineer** or his authorized officer. If, in the opinion of the Engineer-in-Charge, the site is not free from problem for measurement and the contractor does not take any corrective measures to get rid of same, the Engineer-in-Charge shall make the site free from problem to take the measurement at the cost of the contractor and to determine cost involved thereof, certificate by the Engineer-in-Charge for the purpose, shall be conclusive and binding.

34.1. The Engineer-in-charge shall decide the contractual matters in accordance with codes, rules and acts in vogue which shall be binding on both parties.

35. REMOVAL OF CONTRACTOR'S MEN:

The contractor shall on the written direction of the **Superintending Engineer** immediately remove from the works any person employed thereon, who may, in the opinion of the Engineer-in-charge, be incompetent or has misconduct himself. Such person shall not be employed again on the works without the written permission of the Engineer-in-charge.

36. DETAILS CALL NOTICE BEING PART OF CONTRACT:

The detail Tender Call Notice and all the Annexure there to will form the part of the agreement when the work will be awarded to the contractor. All the correspondences made with the contractor and all his correspondences with the department after the tender is received will also be attached with the agreement.

37. FAIR WAGES CLAUSE:

The contractor should abide by the fair wage clause introduced by the Govt. and shall not pay less than the fair wages fixed by the Govt. to the laborer engaged by him in the work.

38. LABOUR LICENSE AND REGISTRATION:

The contractor is to furnish labour license as per the relevant labour Act and rules in force before signing the agreement, failing which execution of agreement will not be entertained.

39. QUALITY CONTROL AND TESTING:

The quality control organization of department will conduct necessary tests to ensure specifications and quality of execution of work as per standard procedures in vogue. Before collecting materials required for execution of respective items of work & laid down in the schedule of quantities the contractor shall ensure that samples of materials proposed to be used are first approved by the Engineer-in Charge. The samples of the materials proposed to be used should be furnished to the Departmental Quality Control Laboratory at Khatiguda/Berhampur for testing.

40 TESTING OF THE STRUCTURES:

During execution of work, the contractor shall arrange the requisite equipments for testing of the work if found necessary at his own cost.

41 DEFECTS LIABILITY:

The contractor shall be responsible to make good of the defects at his own expense, which may develop or may be noticed before the expiry of one year from the certified date of completion and which is attributable to the contractor. All notices of such defect shall be given to the contractor promptly. In case, the contractor fails to make good of the defects, the Engineer-in-charge employ other persons/ agencies to make good of such defect, and all expenses consequent thereof and incidental thereto, shall be borne by the contractor.

In the event Government takes over portions of works, as they are completed, the liability of the contractor under this clause for those portions shall extend to a period of one year from the actual date on which portions of the works are taken over to the possession of the Department.

42 ENGINEER-IN-CHARGE'S DECISION:

It shall be accepted as an inseparable part of the contract that in matters regarding materials, workmanship, removal of improper work, interpretation of the contract, drawing and contract specification, mode of procedure and carrying out of the work, the decision of the Engineer-in-charge, which shall be given in writing, shall be final and binding on the contractor. The Engineer-in-Charge's final authority applies to technical consideration and does not include decisions regarding sums due to or from the contractor for extension of time.

43. SETTLEMENT OF DISPUTE:

If the contractor considers any work demanded of him to be outside the requirements of the contract or considers any drawing, record or ruling of the Engineer-in-charge, on any matter in connection with or arising out of the contract or carrying out of work to be unacceptable, he shall promptly ask the Engineer-in-charge in writing for written instruction or decision. There upon the Engineer-in-charge shall give his written instructions or decision within a period of thirty days of

such request. Upon receipt of the written instruction or decision, the Contractor shall promptly proceed without delay to comply with such instruction or decision. If the Engineer-in-charge fails to give his instructions or decision in writing within a period of thirty days after being requested or if the contractor is dissatisfied with the instruction or decision of the Engineer-in-charge, the contractor may within thirty days after receiving instructions or decision of the Engineer-in-charge will approach to the higher authority who shall afford an opportunity to the contractor to be heard and to offer evidence in support of his appeal. The Authority shall give his decision within a period of thirty days after the contractor has given the said evidence in support of his appeal, which shall be binding upon the contractor.

44. RESOLUTION OF DISPUTES:

- a) All claims are to be settled by a Civil Court of Competent jurisdiction by way of Civil Suit.
- b) The contractor shall not be entitled to invoke Civil Suit until and unless he has completed the work or until the Govt. has made alternative arrangements for completion of work in question as the case may be.
- c) The pendency of Civil Suit proceedings shall not dis-entitle the Government for completion of the work

45. JURISDICTION OF COURT:

For the purpose of jurisdiction in the event of dispute, if any, contractor should be deemed to have entered into within the State of Odisha and it is agreed that neither party to the contract has the right to bring a suit in regards to the matter covered by the agreement or contract at any place outside the state of Odisha.

46.1. If any further necessary information is required, the Engineer-in-charge will furnish such information on written request, but it must be clearly understood that tender must be received in order and according to instruction / specifications appended herewith.

47. CEMENT:

The Cement manufactured inside the State of Odisha is to be used.

48.. STEEL:

Reinforcement bar manufactured by Steel Authority of India Ltd. (SAIL) / RINL is to be used.

49. ROYALTY OF CONSTRUCTION MATERIALS:

Royalty of construction materials at the rate specified by the Government of Odisha will be recovered from the bills of contractor.

50. Labour Cess @ 1% will be recovered from the bills of the Contractor.

GOVERNMENT OF ODISHA
WORKS DEPARTMENT

.....
OFFICE MEMORANDUM

File: No. 07556900012016- 17254 /W dt. 5.12.2017

Sub: **Electronic Receipt, Accounting and Reporting of Cost of Tender Paper and Earnest Money Deposit on submission of bids.**

1. The State Government have been working on formulation of rules and procedures for Electronic receipt, accounting and reporting of the receipt of Cost of Tender Paper and Earnest Money Deposit on submission of bids through the e-procurement portal of Government of Odisha i.e." <https://tenderodisha.gov.in>" for some time past.
2. Electronic receipt of cost of tender paper has been successfully tested through S.B.I payment gateway. Now it has been decided to introduce electronic receipt of **Cost of Tender Paper and Earnest Money Deposit on submission of bids** through payment gateway of designated banks such as SBI/ICICI Bank/ HDFC Bank for all Government Departments, State PSUs , Statutory Corporations, Autonomous Bodies and Local Bodies etc. in phases(ANNEXURE-1). The process outline as well as accounting and reporting structure are indicated below.
 - a) It will be carried out through a single banking transaction by the bidder for multiple payments like **Cost of Tender Paper and Earnest Money Deposit on submission of bids.**
 - b) Various payment modes like Internet banking/ NEFT/RTGS of Designated Banks and their Aggregator Banks as well can be accessed by the intending bidders.
 - c) Reporting and accounting of the e-receipts will be made from a single source.
 - d) Credit of receipts into the Government accounts and to the designated Bank account of the participating entitles indicated in Para-2 above would be faster.
3. Only those bidders who successfully remit their **Cost of Tender Paper and Earnest Money Deposit on submission of bids would be eligible to** participate in the tender/bid process. The bidders with pending or failure payment status shall not be able to submit their bid. Tender inviting authority, State Procurement Cell, NIC, the designated Banks shall not be held responsible for such pendency or failure.
4. Banking arrangement:
 - a) Designated Banks (SBI/ICICI Bank/HDFC Bank) payment gateway are being integrated with e-Procurement portal of Government of Odisha (<https://tendersodisha.gov.in>)
 - b) The Designated Banks participating in **Electronic Receipt, Accounting and Reporting of Cost of Tender Paper and Earnest Money Deposit on submission of bids** will nominate a Focal Point Branch called e-FPB, who is authorized to collect and collate all e-Receipts. Each such branch will act as the Receiving branch and Focal Point Branch notwithstanding the fact that the bidder might have debited his account in any of the bank's branches while making payment.

- 5. Procedures of bid submission using electronic payment of tender paper cost and EMD by bidder.**
- a) The bidders have to log onto the Odisha e-Procurement portal (<https://tendersodisha.gov.in>) using his/her digital signature certificate and then search and then select the required active tender from the “Search Active Tender” option. Now, submit button can be clicked against the selected tender so that it comes to the “ My Tenders” section.
 - b) **Uploading of Prequalification/Technical/Financial bid:** The bidders have to upload the required Prequalification/Technical/Financial bid, as mentioned in the bidding document and in line with Works Department office memorandum NO. 7885/W dt.23.07.2013.
 - c) **Electronic payment of tender paper cost and EMD:** Then the bidders have to select and submit the bank name as available in the payment options.
 - i. A bidder shall make electronic payment using his/her internet banking enabled account with designated Banks or their aggregator banks.
 - ii. A bidder having account in other Banks can make payment using NEFT/RTGS facility of designated Banks.. Online NEFT/RTGS payment using internet banking of the bank in which the bidder holds his account ,by adding the account number as mentioned in the challan as an interbank beneficiary.
 - d) **Bid submission:** Only after receipt of intimation at the e-Procurement portal regarding successful transaction by bidder the system will activate the ‘Freeze Bid Submission’ button to conclude the bid submission process.
 - e) **System generated acknowledgement receipt for successful bid submission:** System will generate an acknowledgement receipt for successful bid submission. The bidder should make a note of ‘Bid ID’ generated in the acknowledgement receipt for tracking their bid status.
- 6. Settlement of Cost of Tender Paper :**
- a) **Cost of Tender Paper:** In respect of Government receipts on account of Cost of Tender Paper, the e-Procurement portal shall generate a MIS for the State Procurement Cell (SPC).The MIS will contain an abstract of the cost of tender paper collected with reference to Bid Identification Number. The State Procurement Cell shall generate Bank-wise challans under the head of Account for Cost of Tender Paper and instruct the designated Banks to remit the money to the proper head of account of State Government . In respect of the cost of tender paper received through the e-Procurement portal he remittance to the Cyber Treasury account will be made to the Head of Account 0075-Misc. General Services-800- Other Receipts-0097-Misc.Receipts-02237-Cost of Tender Paper.
 - b) For the time being , the State Procurement Cell (SPC) will use over the counter payment facility of the Odisha Treasury portal. Thereafter, remittance through EFT and RTGS will be facilitated through the Odisha Treasury portal.
 - c) Similarly, in case of State PSUs, Statutory Corporations, Autonomous Bodies and Local Bodies etc. Cost of Tender Paper, the e-Procurement portal shall generate a MIS for the State Procurement Cell (SPC).The MIS will contain an abstract of the cost of tender paper collected with reference to Bid Identification Number. The cost of tender papers will be credited to the registered Bank account of the concerned State PSUs, Statutory Corporations, Autonomous Bodies and Local Bodies etc.
 - d) Bank will refund (in case the Tender Inviting Authority(TIA) issues such instructions) the tender fee and EMD to the bidder, in case the tender is cancelled before opening of Bid as per direction received from TIA through e-procurement system.
 - e) Bank-end Transaction Matrix of Electronic receipt of Cost of tender paper and Earnest Money Deposit on submission of bids is enclosed in the Annexure-1.
- 7. Settlement of Earnest Money Deposit on submission of bids:**
- a) The Bank will remit the Earnest Money Deposit on submission/cancellation of bids to respective bidders accounts as per direction received from TIA through e-procurement system.
- 8. Forfeiture of EMD:**
- Forfeiture of Earnest Money Deposit on submission of bid defaulting bidder is occasioned for various reasons.
- a) In case the Earnest Money Deposit on submission of bid is forfeited, the e-Procurement portal will direct the Bank to transfer the EMD value from the Pooling Account of SPC to the registered account of the tender inviting authority.
 - b) The Tender inviting authorities of the Government Departments will deposit the forfeited **Earnest Money Deposit on submission of bid**, in the State Government Treasury under the appropriate head (8782-Cash Remittances and Adjustments between the officers rendering accounts to the same Accounts Officer-102- P.W Remittances-1683-Remittances-91028-Remittances in to Treasury) after taking the amount as a revenue receipt in their Cash Book under the head 0075-Misc.General Services-00-101-Unclaimed Deposits-0097-Misc. Receipts-02080-Misc.Deposits and submit the detail account to D.A.G Puri as a deposit of the Division.
 - c) By clicking submit button, system will initiate the forfeiture of EMD .System will not allow the evaluator to edit the initiation after clicking the submit button. Forfeiture option can be carried out in phased manner like one bidder at a time.
- 9. Role of the Banks.**
- a) Make necessary provision / customizations at their end to enable the provision for online payments/ refunds as per this document.
 - b) Provide necessary real-time message to bidders regarding successful or unsuccessful transactions during online payment processes and redirect them to e-Procurement website with necessary transaction reference details enabling them to submit their bids.
 - c) The bank shall ensure transfer of funds from the pooling account to the Government Head/current account of PSUs/ULBs within the next bank working day as per the directions generated from e-Procurement portal.
 - d) Bank should provide timely reports and reference details tonic enabling them to carry out their role as stated below.

- e) Refund of amount to bidders as per the XML file provided by e-Procurement system on the next bank working day from the date of generation of the XML file and also provide a confirmation to NIC on the same.
- 10. Role of State Procurement Cell:**
- Communicate requirements of Government departments/ State PSUs/Autonomous Bodies/ULBs online payment requirements to National Information Centre/ the authorised Banks for mapping/customization.
 - In every working day, the State Procurement Cell shall generate MIS from the e-Procurement portal to ascertain the tender paper cost received in the e- Tendering process separately bank-wise for the Government Department and the PSUs/ ULBs. The SPC shall generate bank- wise separate online challans from the Odisha Treasury portal and make the remittance through over the counter facility or NEFT/ RTGS(as and when this functionality is available in Treasury portal) and issue instruction to the bank for remittance of the receipt to the State Government account.
 - The State Procurement Cell shall be responsible for providing challan details and MIS in respect of the remittance towards tender paper cost to the Tender inviting authorities for their record.
 - State Procurement Cell shall monitor the progress of e-Tendering by different Government Departments/State PSUs /Autonomous Bodies/ULBs through MIS.State Procurement Cell shall monitor and send monthly progress reports to the Government.
 - The e-Procurement System will generate a consolidated refund and settlement XML file as an end of the day activity.
 - E-procurement system will provide a web service for Payment Gateway(PG) provide to pull the encrypted refund and settlement details in XML file against a day.
 - Similarly, Payment Gateway (PG) provider will provide a web service to pull the refund and settlement status against a day.
 - E-procurement system will update the status accordingly for reconciliation report.
- 11. Role of National Informatics Centre.**
- Customize-Procurement software and web-pages of Government of Odisha (<https://tebndersodisha.gov.in>) to enable the provision for electronic payment.
 - The NIC ,Odisha will modify/ rectify the errors in electronic data relating to the Chart of Account.
 - NIC will provide an interface to organisations to download the electronic receipt data.
 - Enable automatic generation of daily XML files from e-Procurement system and ensure delivery of the same to the authorised for enabling automatic refund/settlement of funds.
 - NIC shall enable the e-Procurement portal to generate MIS as required for the State Procurement Cell in order to make remittance of the tender paper cost to the State Government account using the Odisha Treasury Portal.
- 12. Role of Cyber Treasury.**
- The cost of the tender paper deposited by the SPC using the Odisha Treasury Portal which will be accounted for by the Cyber Treasury and it shall submit the accounts to A.G (O) as per the established process.
 - The Cyber Treasury will provide MIS as required to the SPC for the purpose of accounting and reconciliation of the electronic remittances made to the State Government account.
- 13. Redressal of Public grievances:**
- The State Procurement Cell, Odisha National Informatics Centre, Odisha and the e-FPB will have an effective procedure for dealing with, public complaint fore-Receipt related matters. In case, any mistake is detected by any of the stakeholders in reporting of receipt of tender paper cost and EMD, either suomoto or on being brought to its notice, the State Procurement Cell, Odisha, National Centre, Odisha unit, Cyber Treasury and the bank will promptly take steps for rectification. The e-Focal Point Branch of the participating Banks, National Informatics Centre, Odisha and the State Procurement Cell, Odisha will notify the contact number and address of the Help Desk for resolution of any dispute regarding e-Receipt.
- 14. Applicability and modification of existing rules/orders:**
- The modalities prescribed in this Office Memorandum for downloading of tender paper, submission and rejection of bid, acceptance of Bids as well as refund and forfeiture of earnest deposit will be applicable for electronic submission of bids through e-procurement portal. Existing provisions regulating cost of Tender Paper and Earnest Money Deposit in OPWD Code and OGFR would stand modified to the extent prescribed in this Office Memorandum.
15. These arrangements would be made effective after signing of MoU between the designated Banks and the State Procurement Cell, firming up of Banking arrangements and technical integration between designated Bank and e-Procurement Portal.
- This shall take effect from the date of issue of this Office Memorandum.
 - Accordingly, relevant existing codal / contractual provision exist vide Office Memorandum No. 6785/W dt.09.05.2017 of Works Department stands modified to the above extent.
 - This has been concurred in by the Finance Department vide their UOR No.39/WF-I dt.09.11.2017.
